International Bible Lesson for To-Morrow—Cities of Refuge—Josh. 20, 1-9.

Golden Text—"God is our refuge and strength, a very present help in time of trouble."

Time—B. C. 1444.

Place—Shiloh, where was the Ark and Tabernacle.

Occasion—Appointment of Cities of Refuge.

Purpose—To secure justice against revenge and prevent lynch law.

An eye for an eye, a tooth for a tooth, life for life, blood for blood, retaliation was the supposed duty and the desire of the injured one and is considered the manly thing by some of this day. Although these cities were of divine appointment and in mercy, they were useless unless the manslayer fled there and entered, and their boundary was the dead line the prisoner dare not cross. So all God's appointments by Jesus Christ for mercy towards sinners are unavailing unless we accept His provisions and act as He suggests. Abiding in Jesus we are safe, and saved from wrath to come. "How shall we escape if we neglect so great salvation?" Provided by the love of God and the blood of Christ, and imparted by the Holy Spirit.

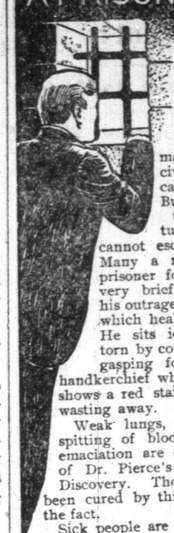
A PRISONER FOR LIFE



Offences against the laws of health are punished rigorously and inevitably by nature. A man may break civil laws and escape punishment. But the man who transgresses nature's law of health cannot escape the penalty. Many a man is to-day a prisoner for life, and for a very brief life, because of his outrage of the laws upon which health is conditioned. He sits idly in his chair torn by coughing spells and gasping for breath. The handkerchief which wipes his lips shows a red stain. He is slowly wasting away.

Weak lungs, obstinate coughs, spitting of blood, weakness and emaciation are cured by the use of Dr. Pierce's Golden Medical Discovery. Thousands who have been cured by this medicine attest the fact.

Sick people are invited to consult Dr. Pierce by letter, *free*. All correspondence is held as strictly private and sacredly confidential. Address Dr. R. V. Pierce, Buffalo, N. Y.

Accept no substitute for "Golden Medical Discovery." The sole motive for substitution is to enable the dealer to make the little more profit paid on the sale of less meritorious medicines.

"Three years ago I had the grip," writes Mrs. Tillie Linney, of Gravel Switch, Marion Co., Kentucky. "It settled on my lungs, and the doctor said I had consumption. I took six bottles of 'Golden Medical Discovery,' and am thankful to say I am entirely well. You may print this letter if you see fit to do so."

Dr. Pierce's Pleasant Pellets keep the bowels in healthy activity.

IT IS DOUBTFUL

If Local Application Alone Ever Cured a Case of Catarrh.

Most remedies for the treatment of catarrh are in the form of sprays, inhalers, powders, washes of salves, all purely local applications and many of them often give temporary relief, but the reason none of them ever really cure chronic catarrh is because catarrh is not a local disease and it cannot be cured simply by treating the local symptoms.

Moreover the more serious forms of catarrh, like catarrh of the stomach and catarrh of the bronchial tubes, cannot be reached at all by local applications and the fact that neglected catarrh of the head very soon involves the bronchial tubes, stomach and liver, demonstrates that the disease is a blood disorder, a constitutional malady and not at all a local disease.

To really cure catarrh the system must be cleansed from catarrhal poison by an internal remedy which acts effectively upon the blood and liver.

The success of a new catarrh remedy, Stuart's Catarrh Tablets, is because it drives out of the system, through natural channels, the catarrhal poison and the mucous lining of the nose, throat and trachea are freed from the excessive mucus which collects and causes the hawking, spitting and gagging, because the excessive secretion is not furnished from healthy blood.

Stuart's Catarrh Tablets contain many of the same valuable antiseptics used in sprays and inhalers, but instead of being applied to the inflamed membranes of the nose and throat, they are taken into the stomach and thus reach the blood, the real seat and cause of the disease.

Stuart's Catarrh Tablets are large, pleasant tasting lozenges, composed of Red Gum, Hydrastan, Bloodroot, and similar catarrh specifics, and so safe to use that little children suffering colds take them with the same beneficial results as adult persons.

No trace of cocaine or opiates, so common in catarrh medicines, can be found in Stuart's Catarrh Tablets.

It is not good form to talk about the little spats observed in the house of your friend.

BEAMS OF SUNSHINE

Chatham Branch of the International Sunshine Society.

Motto—Good cheer.

Have you had a kindness shown?
Pass it on.
'Twas not given for you alone—
Pass it on.
Let it travel down the years,
Let it wipe another's tears,
Till in heaven the deed appears—
Pass it on.

A splendid meeting of Sunshiners was held in the parlors of Hotel Garner last Monday afternoon. The following members were present: Mesdames Richardson, Heyward, Bray, Steinhoff, and Misses King, Quinn, Mercer, Rispin, Smith, McLean, McGeorge, Randall, Heyward, Sheldon, Warren, Baxter, Bennett, Richardson.

Mrs. R. V. Bray was appointed President of the Senior Circle and it was arranged that the reports for both circles, Junior and Senior, should be forwarded to the President-General, Mrs. Alden, through the director and organizer for Kent, Mrs. Richardson. The members were asked to come to the next meeting, prepared to suggest a name for the Senior Circle. A Board of Directors and Press Committee were appointed and other business transacted. At the suggestion of Miss Sheldon it was decided to start an autograph quilt. Each member will be given a block of this quilt, on which the picture of the rising sun is to be worked, with the name of friends representing the rays. It is quite a novel idea, and we think it will prove a success in raising funds for the winter's work. A cooking sale was also talked of, and one may be held soon.

Any cases where Sunshine would be helpful, if brought to the notice of the President, Mrs. R. V. Bray, or any of the members, will receive the attention of the Circle. The officers of the Society would be very grateful for such information.

It is hoped that other branches of Sunshine may be formed in Chatham from time to time. It is not an unusual thing on the American side for whole Sunday schools to form themselves into Branches, and the cause of Sunshine is especially adapted to church and Sunday school work. In some places the classes in a public school organize for this purpose, and we hope that the Sunshine Society in Chatham may spread in this way.

Several Chatham members called on Mrs. Ayers, state President for Michigan, one day last week. She has lately begun to devote an hour, from half past two to half past three, to receiving visitors at Grinnell's, Woodward avenue, and usually it is a busy hour. She talked very entertainingly of the Sunshine work in Detroit and especially of the pleasure the Sunshiners there had in helping a Windsor girl, who is an invalid. At one time they made a wonder-bag for her, into which a number of friends dropped some small gifts, candy, nuts, handkerchief, pins, other such trifles. One of these is supposed to be drawn out each morning, and thus give the invalid something to look forward to for a good many days. But the little Sunshiners excitement and curiosity prevented the carrying out of this scheme, for she insisted on having them all at once.

Mrs. Ayres would like to have the Chatham members call on her some time when any of them may be in Detroit.

A fragment of a rainbow bright,
Through the moist air I see,
All dark and damp on yonder height,
All bright and clear to me.

An hour ago the storm was here,
The gleam was far behind:
So will our joys and griefs appear,
When earth has ceased to blind.

Grief will be joy, if on its edge
Fall soft that holiest ray:
Joys will be grief, if not faint pledge
Be there of heavenly day.
—J. Keble.

DON'T YOU WORRY.

When you pass along the street,
If by chance a friend you meet,
And he seems to quite forget you,
Don't let that annoy or fret you;
For perhaps his thoughts are wandering
Or his mind is deeply pondering
O'er some great and solemn theme,
And he walks on in a dream;
Don't get angry in a hurry,
Just go on and "don't you worry."

If, when going home from meeting,
One or two forget their greeting,
Don't be feeling sad and sore,
You have done the same before;
If the person fails to shake you
By the hand, don't let that make you
Bitter things of him be saying.
For mayhap he's only praying;
So don't let your eyes get "blurry."
Just go on and "don't you worry."

Many a one there is to miss you,
Many a loving lip to kiss you,
Many a loyal hand to clasp you,
Many a friendly hand to grasp you;
So don't magnify your trouble,
Or its size will soon be double;
If you look for slights, you'll find them,
But the best way's not to mind them,
Nor be getting in a flurry;
Just go on and "don't you worry."
Amanda Garven.

When a fellow is about to propose and the girl is nervous, it is generally because she is afraid some one will interrupt them before he gets it out.

THE OVEN IS THE BEST

Most any stove can boil a kettle—but the oven is the sailent point that distinguishes

Imperial Oxford Ranges

and raises them to the highest class.

Their ovens have the famous diffusive flue construction that keeps the heat absolutely uniform—the same at back, front and sides

See the idea? Your cakes, pies and roasts can't possibly get overbaked on one side—for there's exactly the same degree of heat on all sides. This, added to the thermometer and the thorough ventilation, gives you supreme perfection for particular work.

You'll find the price most reasonable.
