Well, boys, Jack delivered the goods yesterday—all three Specials won, and at nice odds, and Jack Long's clients are all on Easy Street to-day with a bank roll that will choke a horse. Now is your chance to get right, boys, and go with Jack Long. There is none of them got anything on Jack. Their ads. may be bigger and more hot air, but the winning column is not so large. I have a Long Shot Special for to-day that will roll home on the bit at 20 to 1 or better, and a Best Bet that will be 5 to 1, so get wise, boys, and do not go to the track without my Specials in your pocket—with them you have something on the bookmaker. Don't forget to get in on my good thing for Monday—guaranteed to win at big odds.

Travis and Herreshoff in Final.

RYE, N.Y., May 28.—Walter J. Travis and Fred Herreshoff will, to-morrow, be the finalists i nthe 11th annual Metropolitan golf championship at the links of the Apawamis Club. The contest is 36 holes, and the course full of uncertainties and difficult chances. Both players are near the top of their game. Travis for six years has striven to regain this title, which has proved longer elusive for him than the national championship.

This afternoon he again won fr m his old rival, Findlay S. Douglas, in the semi-finals, by 3 up and two to go.

Herreshoff in the other match of the semi-finals, beat D. C. Watson three u pand two to go.

Herreshoff and Watson both played from the Westbrook, L.I., Club; Douglas from Apawamis and Travis from Garden City.

The club pairs best ball match this afternoon was won by W. E. Conklyn and W. W. Harris, Dunwoodie (Yonkers), score 74.

OUR ONE BEST BET RECORD TO DATE IS
FOUR WINNERS One 2nd One Fin. 3rd

REYNOLDS' One Best Bet has won more times at this meeting than the One Best Selection of any other firm. REYNOLDS has also given more winners on his full message—we mean horses given straight from the shoulder and not for second and third—than any tipster now before the public.

Our winners don't come in spots, but as regular as clockwork. A winner now and then won't make you beat the racing game.

IT WILL PAY YOU TO STICK TO US throughout the meeting. You can always depend on REYNOLDS, as he does not belong to that class of tipster who give a winner occasionally and then fall down dismally for weeks. His wonderful record at every track where he operated is sufficient proof of his ability.

To-day a Winner at Big Long Odds

Whenever you see us advertising anything especially good coming off, you can gamble that it is something that we have been keeping in close touch with, and are familiar with every little detail. The trick that we will hand out for a killing to-day worked on two occasions over a second faster than any horse he meets this afternoon was ever known to either race or work in. If it were not for the fact that this one's win will be worth thousands of dollars to us in the way of advertising, we would reserve it for our betting purposes. Remember, this is not some crazy guess like you have been steered up against for a Long Shot Special, but the brand of a good thing that makes turf history. It's only a question how far it will win.

This royal good thing cannot be secured at our office before 12 o'clock noon.

TERMS—$1 DAILY, $5 WEEKLY.

RED RIVER, 11-5, WON

I gave **Red River** for a **Plunge Bet** the other day, and he was a little short, so I handed him out yesterday. One of the biggest killings of the meeting was put thru when **Red River** sailed down in front. Say, boys, on the square, wasn't it a joke to make Bellwether favorite over him?

Croydon, - 7 to 2, 2nd

Well, we protected ourselves, as we got even money a place on him.

Edwin Gum, 3 to 1, 2nd

Edwin would have got the coin if he **hadn't** got a rough deal all the way.

Fauntleroy, 2 to 1, Won

Toronto Cup Winner

I'VE GOT HIM SURE

My selection for the Cup to-day is a flyer, and no use talking. Here is his fractional time:

1-4	1-2	3-4	7-8	1 m.	1 1-8
.25	.50	1.14	1.27	1.41	1.57

Just buck jumping with a 120-lb. boy in the saddle, pulling his head sideways. I tell you, boys, it's in.

THIS IS A REAL LIVE LONG SHOT

AT ABOUT 10 TO 1

This one has been Specially Pointed for this One Race, and I know it will Carry a Large Commission From the Owner. Direct information, such as I have on this one, seldom if ever goes astray. I know every detail of the whole affair. You can **PLUNGE WITH CONFIDENCE.** It is the BEST THING OF THE MEETING. Get aboard without fail and begin to WIN. I seldom make promises, but I have the word on this one so strong I am compelled to tell you to GO THE EXTREME LIMIT.

When you subscribe for this one YOU HAVE MY WORD THAT IT IS THE ONLY ONE HORSE I'LL SEND OUT, and I WILL ADVERTISE IT IN MONDAY'S PAPER, WHETHER IT WINS OR NOT.

The Florida state senate yesterday by a vote of 18 to 7 passed the Sloan anti-gambling bill directed against horse racing. It is not probable that the bill will pass the house.

Convinced that no satisfactory arrangement to allow betting on horse racing in Colorado can be made with the authorities, Blind John Condon, lessee of the Overland Park track, announced that the proposed 30-day meeting at that track has been abandoned.
