The Provincial Hospital is now under repair and the carpenters' risk on the total amount of insurance is $150 per month.

Hon. Mr. Flemming in reply to Mr. McKeown's inquiry said:

Q.—How much is still unexpended of the sum of $25,515.35 entered in the bonded debt account as unexpended Capital Account on page 2 of the Auditor General's report for the fiscal year ending 31st Oct., 1908? If any of the said account has been spent since the close of the last fiscal year for what purposes was said expenditure made?

A.—No portion of the above mentioned sum is unexpended. The total expenditure on Capital Account since the beginning of the year exceeding very considerably the amount mentioned in question.

In answer to the latter part of the question the whole expenditures on Capital Account since the beginning of the fiscal year were payments on permanent bridges, payment of railway subsides and a very small payment on New Brunswick Coal and Railway account.

BIG G. T. P. ORDER FOR LOCOMOTIVES

Special to The Standard.

Montreal, April 5—A number of large orders have been placed by the Grand Trunk Pacific Railway and it will be rushed to completion with all possible despatch.

The Montreal Locomotive Works, Longue Pointe, have received an order for twenty-five eight wheel engines, to be delivered next July. The weight of these engines on drivers is 74,060 pounds, total weight of engine and tender loaded, 264,988 pounds.

An order has also been placed with the Algoma Steel Company, Sault Ste. Marie, for 22,000 tons of eighty pound steel for rails. These rails are intended for the prairie section of the line, and are to be delivered at Fort William on the opening of navigation this spring.

In addition to this the Grand Trunk Pacific have ordered from the Dominion Steel and Iron Company, Sydney, N. S., 13,000 tons, eighty pound steel rails, and 2,000 tons of sixty pound rails, sufficient to lay 21 miles of track intended for sidings. This shipment will be moved entirely by boat around Cape Horn from Sydney to Prince Rupert.

CANADIAN COAL IS NOT WANTED

Washington, D. C., April 5.—Protest against the free importation of Canadian coal as provided for in the Payne Tariff Bill, was made at a meeting here today of representatives of every coal district in West Virginia and of a representative of the state of Washington.

Resolutions were adopted calling upon West Virginia's senators and representatives in congress to "use every honorable means at their command to prevent the enactment of any law permitting the importation of coals from foreign countries into the United States free of duty under the reciprocal arrangement or otherwise."

MACDONALD IS FAVORED BY DECISION

Special to The Standard.

Montreal, Que., April 5.—Mr. Justice Charbonneau rendered judgment at 2 o'clock this afternoon in the important case of the William Gray Company vs. Sir William MacDonald.

This was a litigation in connection with the original contract for the construction of Ste. Anne's Agricultural College, there being a disputed account between the contractors and Sir William. The William Gray Company claimed a balance due them of $130,020.02 and the hearing of the case consisting of expert evidence, took up several weeks.

The elaborate judgment rendered this afternoon went over all the issues raised, the learned judge coming to the conclusion that the plaintiffs claim could only be admitted to the extent of $17,100.
