FATAL ACCIDENT.—A brakesman was killed at Brucefield station on Friday afternoon. The name of the unfortunate man was Charles Hatch, a native of Windsor, who had been removed from that point to work on the London, Huron & Bruce train. It appears that after making the coupling of a car, Hatch's foot caught on the end of a tie and he stumbled. Before he could get on his feet the wheel of the car caught him, and he was crushed to death.

Ayer's Cathartic Pills,

For all the purposes of a Family Physic, as for curing Costiveness, Jaundice, Indigestion, Foul Stomach, Breath, Headache, Erysipelas, Rheumatism, Dropsies and Skin Diseases, Biliousness, Dropsy, Tumors, Worms, Neuralgia, as a Dinner Pill, for Purifying the Blood,

Are the most effective and congenial purgative ever discovered. They are mild, but effectual in their operation, moving the bowels surely and without pain. Although gentle in their operation, they are still the most thorough and searching cathartic medicine that can be employed: cleansing the stomach and bowels, and even the blood. In small doses of one pill a day, they stimulate the digestive organs and promote vigorous health.

AYER'S PILLS have been known for more than a quarter of a century, and have obtained a world-wide reputation for their virtues. They correct diseased action in the several assimilative organs of the body, and are so composed that obstructions within their range can rarely withstand or evade them. Not only do they cure the every-day complaints of everybody, but also formidable and dangerous diseases that have baffled the best of human skill. While they produce powerful effects, they are, at the same time, the safest and best physic for children. By their aperient action they gripe much less than the common purgatives, and never give pain when the bowels are not inflamed. They reach the vital fountains of the blood, and strengthen the system by ridding it from the elements of sickness.

Although so [illegible] in their action, containing neither calomel nor any other injurious drug, these Pills may be taken with safety by anyone. They are sugar-coated, so that the most sensitive can take them easily. They are the cheapest cathartic pill that can be used, for their extraordinary power to cure so many different complaints and such dangerous maladies make them the most economical. [illegible]

THE PEOPLE

ARE THE

BEST JUDGES,

And they award

The Highest Honors

—OF—

THE DAY

TO THE

LIGHT-RUNNING

ROYAL

If a good machine you want to buy
I'll tell you where to call,
The best are sold by Fishers
So say the people all.
And they are always willing
To give every one a trial,
They sell the champion sewing machine
It is the Family Royal.
If you ain't got the money
You need not fear,
If you cannot pay the cash
They'll trust you for a year.
And when the year is ended
And the money is come due
You never need be afraid
That they will trouble you.
There are other agents
That sell the Wanzer and the Howe,
But they will never trade
On a horse or yet a cow.
But Fishers, they are willing
That the Farmer too should live
And they will take in change
Whatever they will give.
So if you want to deal with them
You need not be afraid,
For they are always willing
And open for a trade.
The blacksmiths, they have dealt with them
And now their women smile
To think their men were sensible
And bought for them the Royal.
The butchers too, who live in town
Whose women used to scold,
Have bought from them the Royal
That's worth its weight in gold.
Their women now are singing
And on their face a smile
They say that sewing is but play
Since they have got the Royal.
The bakers too have purchased one
But not to mix their dough,
They say it is the best machine
That ever was to sew.
Mr. Harney has been in town
He knows that this is true,
So if you want to purchase
We would like to deal with you.

This standard article is compounded with the greatest care.

Its effects are wonderful and as satisfactory as ever.

It restores gray or faded hair to its youthful color.

It removes all eruptions, itching and dandruff. It gives the head a cooling, soothing sensation of great comfort, and the scalp by its use becomes white and clean.

By its tonic properties it restores the capillary glands to their normal vigor, preventing baldness, and making the hair grow thick and strong.

As a dressing, nothing has been found so effectual or desirable.

A. A. Hayes, M.D., State Assayer of Massachusetts, says, "The constituents are pure, and carefully selected for excellent quality; and I consider it the Best Preparation for its intended purposes."
