A Bond Liberal.

ORES THE MUCK-RAKERS.

Evening Telegram.

r Sir,—I do not think it requires eat penetrating vision to dis- e connection of the muck rak- m among the records of the past, as supplied to Squires in st West End speech due to the te press, with the encouraging k of P. T. McGrath to his -Cosker friends. Neither does uire a microscope to see the ion between the press side at the Labrador boundary pap r and the thinly woven "blind" over him in the Daily Mail on r. As a muck-raker McGrath the most unenviable record in dland, and he is "par excel- the most qualified to root out his garbage heap of records all idents that surrounded the Torvism when he was its chief exponent. It seems only fit per for him now that he should congenial atmosphere in the y of these very same Tories, least what is left of them, such selfs Gibbs, Winter, Warren, s and all the other fag end ates and heelers who are now together in the aggregation of Liberals opposing the only Liberal force in the Colony by Mr. Bennett.

the older Liberals of St. recall the days that the muck- T. used his vilifying imple- to impugn the personal private r of the Liberal chieftians, andidates and prominent fol- when they remember also most sacred private business s of such honored men in the ity as the late esteemed and proprietor of the People's were dragged by him before the gate to serve the villifiers poll- ds, none will be astonished the source from which em- the scurrilous and insulting al references to the candidates, ir families, of those who are with Mr. John R. Bennett.

paper, sir, along with your contemporary, has fought ection with clean and unsullied You have fought it on the ct-issue as defined between the of the Squires-Coaker Govern- and the policy of Bennett and Times. You have not dug into rid garbage heap of the musty to seek the material needed to d that policy, for there was the necessity nor desire to do the Telegram under its founder ate manager built up for this newspaper which Newfound- both at home and abroad have been proud of, and that with king the gutters in which others naturally to revel. That the rm, the life-long expounder of lism, and of clean and open al warfare, is alive to-day and hing, whilst the gutter snipe ls of the past against whose no honorable citizen was ever are prostrate in the dust, is as mentary to the memory of its manly founder as to the high of intelligence shown by your pous readers and advertisers in ing his life-work. That it's management is following upon hes of the same high ideal has evidenced in this election, and is being alike appreciated to- n sure there is no doubt.

re was a time when the mud r of the muck-rakers would erhaps to influence some weak Ho! many good judges of pub- ion often asserted that they ore harm than good to the with which they were connect- t the vanity of the muck- so destroys his common sense ing that he never ceases to be- his dastardly weapon is the destructive that can be used t his political opponents, and garbage heap of the musty s now being unearthed by its ger-in-chief with a view to be- he political generation of this into four years more of misery, rmulation.

t is a match now between the on sense vision of the people in st a match of their wits against of the muck-rakers. I will back ntelligence of the people, the majority of them at least, t the muck-raking tricksters are endeavoring to blind them pposing Coakerism at the sac- of their welfare, whilst the hood rs would fatten and batten on roducer's earnings for another years.

Yours truly,
BOND LIBERAL.
