GREW THINNER EVERY DAY

Appetite was Poor, Dizzy, Faint, Weak, Continuous, Cruel Backache.

Another Case in which Dr. Hamilton's Pills Saved a Life that Physicians Despaired Of.

What a pitiful sight it is to see a handsome, able man being gradually robbed of good looks, health, and ability to work. Such cases are frequent—the one here described being that of E. P. Lascelles, a well-known Printers' Supply man, residing in Hamilton. "About six months ago I began to notice a worn, tired feeling coming over me. I was unable to shake it off. It was not the fatigue that follows hard work—it was sort of an unaccountable lazziness that assailed me. I was anxious to work, but didn't have the energy. Something was dragging me down, robbing me of my health and spirits. I got tired of taking prescriptions that did me no good and used Dr. Hamilton's Pills. Their action soon proved to me that I was suffering from a terribly congested liver and acute indigestion. Dr. Hamilton's Pills brought back my appetite, cured the heavy pain in my side and back, gave me a new grip on life. I gained in weight and now I am stronger, look better, work better than ever before I was taken sick.".

If you want to get back the vigor and spirit of youth, if you want the sparkle of robust health on your cheeks—use Dr. Hamilton's Pills regularly. They cleanse, purify, tone, strengthen—make the sick well. Give this grand medicine a faithful trial. 25c per box, or five boxes for $1.00, at all dealers, or The Catarrhozone Company, Kingston, Ont. 5

HIS PRICE

The Tribune says that no money would induce him to publish a certain advertisement even though he cannot support the local option movement, but when certain ladies of the W. C. T. U. approached him he offered to publish anything they might supply for ten cents per line. Evidently ten cents per line is his price.

OBITUARY

The death of Mrs. Emile David took place at their home, Water St. Wednesday evening, after a brief illness. The deceased was in her twenty eighth year and leaves a husband and several small children, the youngest only about two weeks of age, to mourn the loss of a kind and affectionate wife and mother. The funeral was held this morning, interment being in the Catholic cemetery.

DEAD HORSES FOUND

A span of dead horses with sled attached were found in the water near Loggieville on Monday. Upon enquiry it was learned that the horses were those which were drowned near the Northwest Bridge three weeks ago. They were owned by Sinclair Bros. and were being driven across the ice with a load of stone when they broke through. The horses had drifted down river about sixteen miles.—Commercial.

E. M. F. CARS

Messrs. H. B. and C. W. Anslow have been appointed the agents for E. M. F. automobiles for the counties of Restigouche, Bonaventure and Gaspe. Already one large touring car has been sold, and several gentlemen are negotiating for the purchase of the light runabout. The E. M. F. factory is the largest in the world, and the product of this factory, exhibited at Toronto, was said by persons competent to judge, the best for the money offered. The large touring car sells for $1500, fully equipped and the runabout for $950. If interested write Anslow Bros. Campbellton.

THAT BEER ADV.

The Tribune endeavors to prove that the proprietor of a local paper not mentioned, presumably the Graphic, cannot be such strong temperance advocates, otherwise a small advertisement for a certain ale, which is largely prescribed by doctors for medicinal purposes, would not be allowed a place in our columns, and intimated that the Graphic was receiving a large price for such space in order to overbalance temperance principles. For the Tribune's enlightenment we beg to state that this contract was made at the same rate which governs all our contracts 10 cents per inch, and although the company placing the advertisement estimated that this was nearly double the price asked for a more frequent service by a local paper they knew that even at that price they were getting value for their money as the Graphic's circulation was recognized as being three times that of its local contemporary, despite statements to the contrary. We may further state that during the past year we have refused advertising contracts, amounting to several hundred dollars from brewery concerns wishing to advertise whiskey, brandy and gin.

$100 REWARD, $100

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer ONE HUNDRED DOLLARS for any case that it fails to cure. Send for list of testimonials.

STOLE SOUVENIR

Wednesday afternoon a young man Baptiste Damoce, of Quebec City, visited Mr. P. O'Leary, who is confined to his room. On a table in the room was a souvenir made of a $20 gold piece, of the ordination to the priesthood at St. Peter's, Rome, on Feb. 16, 1909, which was presented to Father J. N. Callahan, by Mr. and Mrs. Patrick O'Leary. After Damoce left the souvenir was missed and Mrs. O'Leary, suspecting that he was the guilty party, notified the police, who soon arrested him. When searched the souvenir was found on the prisoner. Yesterday morning the prisoner appeared before acting magistrate Wm. Murray and was fined $9 and costs, or 20 days in jail. The souvenir was highly valued by Mr. and Mrs. O'Leary, as it came into their possession after the sad death by drowning of Father Callahan at New York and they were very glad to have it restored to them.
