LOCAL RUGBY SITUATION.

T.L.C. and T.A.C. Will Likely Amalgamate.

THE LORNES TO PLAY ALONE

Athletics Would Like to See the Three Clubs Fused Into One.

Officers of the T.L.C.'s Rugby Club, If They Have One, to Be Elected Next Tuesday Afternoon, When Representatives of the Three City Clubs Will Talk the Matter Over—The Rugby Union Schedule Meeting.

The meeting of the Toronto Lacrosse and Athletic Association, called last night for the purpose of organizing a Rugby football club, was fairly well attended, there being a number of T.A.C. men present.

The Rugby situation in the city was thoroughly discussed, but the election of officers was deferred until Tuesday afternoon next. There was some talk of an amalgamation between the T.L.C. and T.A.C., as the athletics admitted that they would hardly have a team if they could not get the Lorne's grounds, and pointed out to the Toronto Lacrosse Club the fact that it was difficult to get men to go to Rosedale to practice.

After some discussion a temporary arrangement was made between the two clubs, and things were left over till after the T.A.C. meeting on Monday.

On Tuesday representatives from the Lornes, T.A.C. and T.L.C. will meet to consider the question of amalgamation. An officer of the T.L.C. stated that the arrangement with the T.A.C. could be rescinded at any moment before the drawing of the schedule. Later Mr. Glassco of the T.A.C. told The World representative that the two clubs had amalgamated, and that likely the Lornes would also go in with them.

An officer of the Lornes was asked still later in the evening if his club was going in with the T.A.C. He said the Lornes would not amalgamate on any conditions as they had their own grounds and would enter the Senior League under their old name.

The meeting of the Ontario Rugby Football Union for the purpose of drawing up the schedule for the season of '97 will be held at Clancy's on Saturday night, Sept. 4, at 8 o'clock.

FOOTBALL KICKS.

The Wellington Hockey and Lacrosse clubs will meet at Mr. George Watson's, 63 Wellesley-street, Tuesday, at 8 o'clock, for the purpose of forming a rugby club. It all probability a team will be entered in the Junior Ontario Rugby Union. All old Wellington football players are requested to be on hand, also any new players desiring to join.

The following team will represent the Greyhounds in their match with the Corona Football Club to-day: H. Hyam, J. Howell, B. Laird, W. Worm, H. C. Bourke, G. Ycary, J. Fitzroy, C. Cope, W. Bloomer, D. Williams, D. Follis. The Greyhounds are open for challenges. J. E. Howell, 228 Lippincott-street.

A football match was played yesterday at Jesse Ketchum Park, between teams from the North and West End sheds of the Street Railway Company. The playing of Wildez for the West End, and Tharle in goal for the North End, was very noticeable. The game resulted in favor of the West End by 2 to 0.

WALCOTT KNOCKED OUT GREEN.

San Francisco, Aug. 27.—No attraction in the pugilistic line since the Fitzsimmons Sharkey fiasco in this city last November caused so much commotion among the patrons of the ring as the meeting last night of George Green and Joe Walcott. The fight was practically a championship affair. Green has been acknowledged to be at the head of his class since Tommy Ryn has outgrown the welters and is now taking on middleweights. The betting was 10 to 7½ in Green's favor. Green was knocked out in the 18th round. Seven thousand people witnessed the contest.

GAMES IN THE EAST END.

Mr. Duggan, the East End World agent, gave his third annual picnic to the newsboys of his vicinity yesterday at Victoria Park. There were two baseball games, one team being captained by Duggan, sr., and the other by Duggan, jr., each side winning a game. The swimming race was won by W. Sullivan, the 100 yards race by F. Duggan, with J. Hare 2, and the 220 yards race by M. Sullivan, J. Hare 2; 440 yards, W. Sullivan 1, C Johnson 2; half mile N. Longburn 1, F. Johnson 2.

TORONTO OR CORNWALL?

Championship Lacrosse To-Day at Rosedale—Tecumsehs Play Les Nationales in Montreal.

The Toronto Lacrosse team are in the best possible condition for their championship match with Cornwall at Rosedale today. One thing very much to their credit is that they have honorably completed all engagements to date. Last year's directorate threw up the sponge before half the season was over, consequently the present team look for the full sympathy of the public in making a bid, and hope the public will turn out in large numbers to see to-day's match.

The Toronto team will be selected from the following: Allan, Patterson, Wheeler, Griffiths, Moore, Murray, Read, Gale, Downey, Bennett, Conner, Smith, Nolan.

TECUMSEHS IN MONTREAL.

The Tecumsehs left last night for Montreal, where they play the Nationals to-day. A Montreal despatch last night said: It will be quite a treat to a number of lacrosse sports to go and see Joe O'Meara wist and twirl on Saturday afternoon, when his team, the Tecumsehs, cross sticks with the Nationals on the grounds of the latter. Joe is an old-time favorite in Montreal, and his appearance here on the lacrosse field will give pleasure to a number watching him endeavoring to score on National.

CAPS OR SHAMROCKS?

Ottawa, Aug. 27.—The Capitals are well keyed up for Saturday's match with the Shamrocks and expect to win, notwithstanding the absence of many old timers, who helped them out when other championships were at stake. It is now settled that Crown will not be on the team. Baldwin will play at centre, and Hugh Curson will be on the defence along with Barney Quinn. The latter is in good form and means to outplay Wall at all hazards. Supporters of the Caps are well pleased with Pollock for referee. The match will be the best of the season. Betting now is 6 to 4 on the Caps.

JUNIOR CITY CHAMPIONSHIP.

The final game for the junior championship of the Toronto Lacrosse League will take place at Hanlan's Point to-day at 3 p.m. between Maitlands II., champions of District One, and Garnets, champions of District Two. There will be no charge for admission to see the game. The game will be a hot one, as both teams are very evenly matched, and both confident of success.

WON UNDER DIFFICULTIES.

Toronto Only Made 4 Hits Off Gillon.

THE SCORE WAS 3 TO 2.

Norton Kept Scranton's 7 Hits Well Scattered.

Irwin's Team Played a Perfect Fielding Game—Casey's Single, a Stolen Base and McGann's Two-Bagger Produced the Winning Run—Syracuse and Buffalo Also Won.

Toronto played a perfect fielding game, and, with Norton's good work on the slab, Scranton was beaten yesterday in the closing game of the series, notwithstanding the phenomenal work of Pitcher Gillon. Syracuse and Buffalo also won, and the position of the first three remains practically unchanged. Irwin's team start their real battle for the pennant to-day at Springfield, and with a little luck the Ponies should give little more trouble than did the Miners and Barons. The standing:

Pos.	Clubs.	Won.	Lost.	P.C.

8	Wilkes-Barre	26	72	.265

Games to-day—Toronto at Springfield, Buffalo at Providence, Montreal at Wilkes-Barre, Syracuse at Scranton.

M'GANN'S DOUBLE DID IT.

Scranton, Aug. 27.—Scranton got an early lead to-day, and, while Gillon was pitching great ball, his mates had opportunity to win in every innings, one excepted, but Norton prevented any bunching of hits, and received splendid support. Casey's single and steal, and McGann's two-bagger, with two out, gave Toronto the winning run. Score:

Toronto 1 0 0 0 0 0 1 1 0—3

Earned runs—Toronto 1, Scranton 1. Two-base hits—Walters, White, Griffin, McGann. Three-base hits—Massey. Stolen bases—Walters, McGann, Casey. Double plays—Norton to Taylor to McGann. First base on balls—Off Gillon 2, off Norton 3. Hit by pitched ball—Sullivan. Struck out—By Gillon 2. Left on bases—Scranton 7, Toronto 4. Sacrifice hit—Bonner. Time—1.50. Umpires—Boyd and Staley.

At Springfield—Syracuse whitewashed the Springfields in the closing game of the series, which was featureless save for the weak support given Korwan. It would have been a pitchers' battle, with the score 1 to 0, but for the home team's errors. The Ponies at no time hit Lampe hard enough to give the Stars a chance to do any brilliant fielding. Score:

Syracuse			R.	H.	E.

Springfield	0	0 0 0 0 0 0 0 0—	0	6	5

Batteries—Lampe and Ryan; Korwan and Duncan.

At Buffalo—There were fireworks to give away at to-day's game. The local started them off in the first inning by Pfeffer and Weilner all over the lot and piling up eight runs. When Patton tried his hand later on he did very little better, and Wilkes-Barre had fun with Brown in short turn during the sixth inning, scoring six times. Score:

Buffalo			R.	H.	E.

Wilkes-Barre	1	0 0 0 0 0 1 0 0—	8	12	4

Batteries—Brown and Urquhart; Wellner, Patton and Diggins.

At Providence—The luck was remarkably exemplified in the two games between Providence and Montreal, in the first game Providence batted McFarland out of the box in the middle of the fifth inning and they continued the bombardment when Clarke took McFarland's place, and won the first game by 15 to 8. Then McFarland, the man who was batted out of the first game, went in to pitch the second one, and he not only shut out the home team, but he held Providence down to three singles, and did not allow a point to be made on any battery error. Rudderham pitched a strong game for Providence, but without batting support he had no show to win. Henry Lynch split a finger in the first inning of the first game and this necessitated a lot of shifting of players. Score:

HAMS WERE EASY.

London, Aug. 27.—The Hamilton put up a very rocky game to-day. Mathias, who went in to pitch, was hit often, and in the third innings, when Umpire Dyson threw him a new ball, the other two being out of play, he tossed it out of the diamond, and it being returned he did the same thing again. For this he was pu tout of the game, and Cochrane sent in to pitch. Cochrane wasaisoo hit freely, and in several innings the Hamiltons went all to pieces.

ENGLISH ELEVEN FOR AUSTRALIA.

Mr. Stoddart has completed his English team for Australia. The thirteen cricketers who compose the team are: A. E. Stoddart, Middlesex; Norman Druce, Cambridge University and Surrey; K. S. Ranjitsinhji, Sussex; A. C. MacLaren, Lancashire; J. R. Mason, Kent; Captain E. G. Wynard, Hampshire; Tom Richardson, Surrey; Hayward, Surrey; Wainwright, Yorkshire; Hirst, Yorkshire; J. T. Hearne, Middlesex; Storer, Derbyshire; Bonsfil, Gloucestershire. This is a very fine side, but the inability of Mr. F. S. Jackson of Yorkshire to go will be a subject of much regret to the cricketing community. Richardson, MacLaren and Stoddart are the only players who have been to Australia before.

James Philips accompanies the team as umpire. The cricketers leave for Australia on Sept. 17 by the Orient steamship Ormuz, and on reaching Albany, West Australia, they will disembark and play two matches in Perth, afterwards catching the next Orient boat, a fortnight later, for Adelaide, where the serious business of the tour will begin with a match against South Australia, a week being allotted to the fixture. The Englishmen will then play Victoria at Melbourne and New South Wales at Sydney. The dates for the five test matches against All Australia have already been published, but it may be as well to repeat them. Dec. 10, at Sydney; Dec. 31, at Melbourne; Jan. 14, at Adelaide; Jan. 29, at Melbourne, and Feb. 25, at Sydney.

It is intended to play fewer matches against odds than in the previous trip, and to give the players more frequent holidays. It is probable that return matches will be played with South Australia, Victoria and New South Wales, but the tour is to finish before the end of March. The colors of the before.
