READY FOR ROYAL RECEPTION

Fraternal Societies Will Line Streets at Two Points of the Duke's Procession.

WILL SPEND $1000 ON DECORATIONS

Saltfleet Annual Exhibition Well Attended—Many Prizes for Fast Horses.

Hamilton, Sept. 27.—Arrangements are being rapidly made for the reception of the Royal party on Oct. 14. There was a large gathering of representatives of fraternal societies this evening in the Mayor's office, with W. F. Montague in the chair. It was decided that the members of societies should meet in the Court House-square, receive badges, and march to Stuart-street, where they would line up on the sides of the streets to welcome the visitors. At Col. Gibson's suggestion, they will, on the passing of the party, re-form and proceed to East King-street, and act in a similar capacity there. Another meeting will be held next Wednesday evening to make further arrangements.

The Reception Committee then met. It was agreed that stands be erected on the south side of the City Hall, and at Victoria Park, three at the latter place.

Miss Ethel Walker, daughter of Ald. Walker, was chosen to present a bouquet to the Duchess.

The tenders for the decorations showed that the lowest was $1898, made by R. J. Wallington.

It was decided to limit the expenditure to $1000, and the plans will be made to fit that sum.

Saltfleet Fall Fair.

The annual Exhibition of Saltfleet Agricultural Society at Stony Cree kto-day was well attended. The exhibits were good in most lines. The sporting events resulted as follows:

Trot or pace, 2.30 class, ½ mile heats, 3 in 5—
C. E. Barr's Florine 1 1 3 1
D. R. Green's Florence Howard.. 2 2 1 2
F. Small's Billy 3 3 2 3
W. Smith's Bella Sphynx .....4 dr
Time 2.44¼, 2.43, 2.43½.

Trot or pace, 3.00 class, ½ mile heats, 3 in 5—
Burke Bros.' Nemo 1 1 2 1
S. A. Turner's Minnie H. 6 2 1 2
J. Martin's Baby Wilkes..... 2 3 4 4
W. Stroud's Elsie S. 4 4 3 3
W. Smith's Bella Sphynx ..... 7 5 dr
D. R. Green's Florence Howard.3 dr
F. Small's Billy ..... 5 dr
Time 1.18½, 1.18, 1.16¾, 1.17.

John E. Lymburner won the prize for the fastest walking team.

The winners in the ladies' saddle horse competition were: Miss Ada Fenton, 1; Miss E. G. Van Wagner, 2; Miss J. R. Carpenter, 3.

Against Extravagance.

Ald. Dunn, chairman of the Finance Committee of the City Council, has called a halt on the extravagances of the Parks Commissioners. He has refused to sign any more pay sheets, on the ground that the board has exceeded its appropriation, $6000.

The matter came up at a meeting of the board to-day. According to statements made, the board is entitled by statute to half a mill on the dollar of the total assessment, which would ammount to $12,800. What will be done in the matter the chairman could not say. On the strength of the statement showing that there will be a surplus, a committee was authorized to expend $200 in making permanent improvements in Dundurn Park. Tenders for flowers for next year were received, as follows: Harry Marshall, $572.60; E. J. Townsend, $480.15; F. G. Foster, $467.50. Foster got the contract.

At the Sewers Committee meeting this evening Engineer Wingate recommended that a second catch basin be put down at the head of James-street, below the present basin, to prevent the overflow of water. The cost was estimated at $130. The committee concluded that, as its appropriation had run out, it could not do the work without the aid of the Finance Committee, and it was decided to apply to that committee for the funds, if the basin has to be built.

A number of claims for compensation were referred to the City Solicitor for investigation.

Mrs. Robertson, Ray-street, was relieved of half of the sewer rental on her East Ferrie-street property, because it is too low to benefit from the sewer.

Police Points.

At the Police Court to-morrow John Carr, Robert Street and William Reid, Catharine-street, will be tried on a charge of shooting a cow, owned by Fred Burrows of Barton. It is alleged the boys were shooting on the road, the target being the cow's head. One of the bullets fired struck the animal just above the eye and penetrated its head. The animal may have to be killed.

This morning Magistrate Jelfs fined Mrs. Lottie Henry, Ferguson-avenue, $50 or six months in the Mercer Reformatory for keeping a house of ill-fame. Mrs. A. Pinkey and Edith Kilner, charged with being inmates of the house, were acquitted.

M. S. Glassco, stove dealer, was up on a charge of illegally taking a stove from Miss Anderson, Severn-street. The complainant told of Bailiff Leslie going to her house and pretending he had "papers" by which he could legally take the stove, on which she had paid $14, from her. Leslie was sent to the woman's house by his employer, Glassco, to whom the stove was taken. Glassco counsel agreed to return the stove, and the case was dropped by the Crown Attorney, who publicly denounced bailiffs who prey upon innocent people.

MacKelcan is Satisfied.

City Solicitor MacKelcan was considerably surprised when he learnt of the action of the Finance Committee in putting thru a new bylaw to define his duties, etc., last night. This morning he saw Chairman Dunn and several of the members. They anticipated that he would very strongly oppose the bylaw, and were therefore surprised to find that he was prepared to accept its conditions.

Minor Mention.

Ward's restaurant, 6 York-street, open day and night; beds, 10c, 15c, 25c. 36

The License Commissioners met this morning and transferred the license of the Maple Leaf Hotel from William Hughes to Harry Daniels.

J. P. Holden, a boarder at the Commercial Hotel, reports that a traveling case, a pipe and two razors were stolen from his room in the hotel last night.

Mrs. Reid, wife of William Reid, Liberty-street, died suddenly this morning.

Alex. Young was arrested to-night on a charge of committing an aggravated assault on Herbert Honeysett, a boy. Young was subsequently released on bail.

The Toronto Varsity football team will play an exhibition game with the Tigers here to-morrow. Stuart DuMoulin of the Tigers burst a blood vessel a day or two ago, and may not be able to play this season.

REAL ESTATE INTELLIGENCE.

Building Operations Go Briskly on in West and Northwest Ends.

Building operations are going on briskly in the west and northwest ends of the city. Parkdale is fast improving by reason of the number of beautiful new dwelling houses that are being erected in the locality, and in addition these will certainly enhance the beauty of the place considerably. The same must be said in regard to the northwest end, Albany-avenue, Howland-avenue, Brunswick-avenue, Lowther-avenue and Walmer-road. It would seem that there is a boom in the building line, so numerous are the new constructions taking place, particularly in the last mentioned thorofares.

But the building operations are by no means confined to the outlying sections, for new establishments are being put up in some of the leading streets of Toronto. A number of these have already been mentioned in this paper. During the present fine atmospherical conditions the work in connection with the erection of the various buildings is being pushed forward rapidly. It is remarkable that while a quarter of a million dollars has, within recent times, been invested in new factories and dwellings in the west end of the city, the land transactions show a decrease reckoned at $23,020. As has been previously published, "The assessed value of the Fifth Ward for 1902 is $11,408,079, an increase of $300,489 over the last assessment. The bulk of this increase, or $242,553 of it, is in the value of buildings in the ward, now estimated as worth $6,223,200, as compared with $5,980,656 a year ago. The increase includes $95,088 in new factories, $120,025 in new dwellings, and $25,640 in other new buildings."

Building Permits.

The following permits have been issued since last Tuesday afternoon:

To Lewis Brown, to erect a two-storey detached brick dwelling east of Booth-avenue, on the north side of Eastern-avenue, at a cost of $500. Joseph Bent is the builder.

To A. Harton, to erect three pair of two-storey and attic, semi-detached brick dwellings, north of Howland-street, and east of Glen-road; cost $2000. Architect, C. J. Gibson; builder, A. Horton.

To James Donovan, to erect a two-storey brick stable, at rear of 81 Foxley-street. Builder, F. Donovan; cost, $275.

To James Dempster, to erect a two-storey brick bakery west of Ossington-avenue, on north side of Dundas-street. Architect, J. Bulman; builder, J. Williams; cost, $2000.

To Edward Harris, to erect a two-storey detached brick front and roughcast dwelling near Bloor-street, on north side of St. Clarens-avenue, at a cost of $400.

To John E. Hoare, to erect a two-storey and attic brick dwelling at No. 69 Howland-avenue, Smith & Post are holding the contract for the building, which will cost $3500.

Other Building Items.

The ex-Minister of Finance (the Hon. George E. Foster) has purchased a large lot on the west side of University-avenue, between Caer Howell and Orde-streets. The idea is to construct one of those large, high-class flat houses which are so very common in the States. The work will be commenced as soon as possible.

Real estate agents in Toronto report the sales are few. A big number of houses could be rented, but they cannot be had.

Mr. Charles B. Jennings of the Imperial Varnish Co. has purchased 70 feet on Howard-avenue, and intends building next spring.

On Albany-avenue a pair of two and a half storey semi-detached houses, each measuring 19 x 50 and having eight rooms, are being erected for Mr. J. K. Marshall. The contracts for the brickwork, carpentering, painting, plumbing and heating are held by Frank Sanders, J. Marshall, Samuel Scales, J. Coates, Menzie & Turner and the Toronto Furnace Co. respectively.

Mr. Marshall is also building five brick dwelling houses on Ann-street. The whole block measures about 80 x 60. Mr. Bailey is the contractor for the brickwork, while Mr. Marshall has the carpentering work.

A two and a half storey brick dwelling house is being put up on Albany-avenue for Mr. Henderson. The building measures 50 x 20 feet, and the contract for the work is in the hands of Mr. Hillock.

A two and a half storey building, measuring 50 x 20 feet, is being built on Albany-avenue for Mr. Hoops, who is looking after the work himself.

A two and a half storey dwelling house, on Brunswick-avenue. Mr. Squires is seeing after the work.

On Brunswick-avenue Mr. Green is erecting a two and a half storey dwelling house, measuring 22 x 40 feet. Mr. Bradshaw is the contractor.

Two dwelling houses are being built on Brunswick-avenue for T. Eaton & Co. The contractors are Bennett & Wright, while the architect is Mr. McCalmont.

A two and a half storey brick dwelling house is in course of erection on Brunswick-avenue for Mr. Murray. The same gentleman is building four two and a half storey brick dwelling houses, each measuring 40 x 48 feet, on Howland-avenue. The work in connection with the erection of the buildings is being personally looked after by Mr. Murray.

A pair of semi-detached dwelling houses on Howland-avenue, two and a half storeys, brick and stone, and each measuring 20 x 60 feet, are being built for Mr. Gradin. This gentleman is also building a two and and a half storey dwelling house further down on the same thorofare, measuring 25 x 50 feet. Mr. Gradin is looking after the work himself.

On Howland-avenue a two and a half storey brick dwelling house, measuring 28 x 48, is in course of erection for Mr. Murray, who is conducting the work.

On Howland-avenue Mr. Squires is building a two and a half storey brick dwelling house, measuring about 20 x 30 feet. The work is being looked after by Mr. Squires.

A three-storey brick building, 28 x 42 feet, is being put up for Mr J. Horde on Howland-avenue. W. Woods holds the contract for the brickwork, while the carpentering is in charge of Smith & Post.

Mr. W. H. White is building a two and a half storey brick dwelling, 39 x 25 ft., at the corner of Brunswick-avenue and Lowther-avenue. The contractor is J. E. Webb and the architects Messrs. Bond & Smith.

On Lowther-avenue J. G. Smith is erecting a two and a half storey brick dwelling, 27 x 33 ft. Chakley & Son are doing the brick work, T. McIlwaine the carpentering and J. Webster the plastering.

30 x 100 ft. is the dimensions of a dwelling house being built on Walmer-road for Mr. Crane. A portion of the contract work has been entrusted to Thomas Painter.

On Walmer-road Mr. R. J. Copeland of the Copeland-Chatterson Co. is erecting a three-storey brick and stone dwelling, 30 x 50 ft., costing $18,000. The contractor is C. R. Dinnick.

Mr. J. J. Walsh, 39 Victoria-street and 1251 West Queen-street, is putting up a number of beautifully constructed dwelling houses in Parkdale. He is looking after the work in connection with the same himself.

The first, on the east side of Tyndall-avenue, is a two and a half storey brick building, measuring 23 x 42 ft.

On the same thorofare, Mr. Walsh is erecting three detached houses, each having 12 rooms and a frontage of 28 ft.

Two detached dwelling houses, brick, two and a half storeys, and each measuring 22 x 44 ft., are being built on Tyndall-avenue for Mr. Walsh.

On the west side of Tyndall-avenue is a two and a half storey brick building, measuring 39 ¼ 36 ft, with 12 rooms. This house is being built for Mr. Walsh himself, and is fitted up in the latest style.

Mr. Henderson is building a two and a half storey brick dwelling house, measuring 29 x 55 ft., on Jameson-avenue. W. J. Bailey is holding the contract for the brick work, while the carpentering is in the hands of H. Martin.

Mr. Jenkins is building a two and a half storey brick dwelling on Tyndall-avenue. The house measures 20 x 50 ft., and has eleven rooms. Mr. J. J. Walsh is looking after the work.

On Tyndall-avenue Mr. Magill is building a brick dwelling house with twelve rooms. The building measures 30 x 40 ft., and is nicely situated. Messrs. Young & Co. are looking after the carpentering work, while the contract for the brick and plumbing work is in the hands of Chakley & Son and Mashinter & Co. respectively.

The Toronto Carpet Company, East King-street, are putting an addition to their factory. The new building measures 40 feet square. Mr. Robertson shares in the contract work.

The Toronto Metallic Roofing Company are building a new showroom on West King-street, which measures 30 x 65 ft. The work is being executed by the company.

The Toronto Lithographing Company are building a large business place between Spadina-avenue and Brant-street on the south side of West King-street. The building is five storey in the front and four in the rear, is built of brick and stone, and measures 60 x 215 ft. The interior of the construction is built on safe lines as a fire risk. The contractors are Oakley & Holmes, while the carpentering work is being executed by G. Henry.

At the corner of West King-street and Cowan-avenue there is being completed a handsome new three-storey brick building, measuring 20 x 100 ft., for Mr. Tuttle, druggist. The brick work was executed by Thomas Gerry, the carpentering by Young & Co., and plumbing by Bennett & Wright.

On West Queen-street a two-storey brick dwelling house and stores, measuring 32 x 56 ft., is being built for Mr. Walsh. The brick work is in charge of J. Donovan and J. McCarl is seeing after the carpentering.

Transfers of Property.

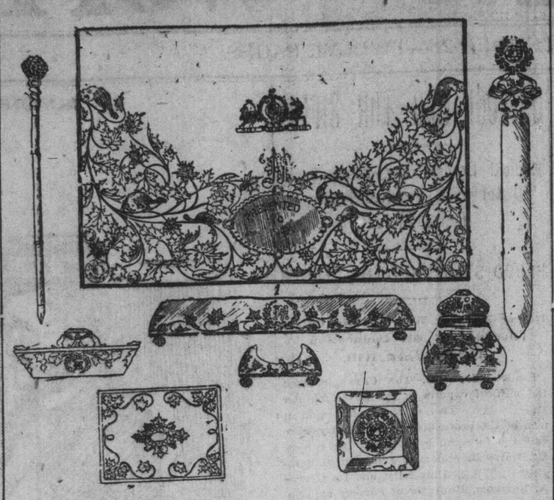
PORTFOLIO FOR THE DUCHESS.



Toronto Women's Gift to Her Royal Highness Will Be Elaborate.

1—Portfolio.
2—Paper Knife.
3—Pen.
4—Side View of Pen Tray.
5—End View of Pen Tray.
6—Side View of Paper Weight.
7—Top View of Paper Weight.
8—Side View of Ink Bottle.
9—Top View of Ink Bottle.

The portfolio which the women of Toronto will present to H.R.H. the Duchess of York will be 10 by 14 inches in size, of solid Canadian gold, most of it from the Klondike, set with Canadian amethysts. The design, as is shown by the accompanying picture, is largely of a national character, the maple leaf and the beaver being given great prominence. The amethysts, which may be noticed in the sketch, will be surrounded with pearls. In the centre of the portfolio will be a royal coat of arms and place for inscription, while each base will have a gold monogram of the Duchess set with pearls.

In addition to the portfolio there will be an ink bottle, pen, tray, paper weight, paper knife and pen holder. The ink bottle, paper weight and pen tray are to be of polished crystal with gold maple leaf mounting. The handle of the paper weight will be a large amethyst, and in the top of the ink bottle there will also be an amethyst.

The intention is to have the portfolio and its accessories enclosed in a case of bird's eye maple, which will be lined with white satin. On the outside of the base there will be a monogram and a spray of maple leaves running across the top in gold. The portfolio will be of white kid, lined with white satin or silk.

The designs are original with Ryrie Bros., and as will be seen are very handsome and unique. There is a great deal of work to be done, and it will be a case of working night and day to get it finished, but it is hoped that everything will be completed a day or two before the arrival of the Duke and Duchess. If so, the portfolio and pieces accompanying it will be placed on exhibition, so that everyone can see what the ladies of Toronto will present to Her Royal Highness as a memento of her visit to the Queen City.

Contributions from the ladies are reported to be coming in satisfactorily. More than $200 cash has been received and about as much more in subscriptions. Many of the contributions are for small sums.

"CHILDREN AND FOOLS."

"Judge of a Thing Half Done."

This is particularly applicable in cases where persons seriously troubled from the effects of coffee drinking, and who take up Postum Food Coffee in its place, attempt to make the new beverage with a little hot water and two or three minutes' boiling. That sort of a "lick and a promise" produces a drink that is simply exasperating. It is flat and tasteless, whereas the person who will boil the Postum full fifteen minutes after the actual bubbling and boiling begins will have a beverage that is something.

There is a point between twelve and fifteen minutes of boiling when the character of Postum is changed, the food value is extracted and the delicious flavor, which much resembles the milder and more expensive grades of Java coffee, is produced.

A lady in Salem, Ore., says: "Whenever I drank coffee at night, I always passed a restless, wakeful night. Extreme nervousness and a weak stomach have followed me ever since I have been using coffee. Finally, I got into such a state that my dyspepsia took the form of spasms and heart weakness.

"I suffered intensely, and, when a physician was called, he inquired, among other things, if I drank coffee, and insisted that I leave it off. I did so, and took up tea, which I found almost as bad. Finally, husband brought home a package of Postum, and we tried it (strictly according to directions, for we believe in the adage that 'Children and fools judge of a thing half-done.)

"The new coffee was delicious, and, from that day until now (which is a year) it has been our only drink at meals. My dyspepsia, spasms, etc., are a thing of the past. My husband had suffered some years with bilious headaches and indigestion, but, during the past year, on Postum Food Coffee, he has entirely recovered his health and gained much in weight. Our friends frequently comment on our improved appearance and change in complexion." Name of writer supplied by Postum Co., Battle Creek, Mich.

APPROACHING CONCERT SEASON.

The Heintzman & Co. Piano to Play an Important Part.

The large part played by the Heintzman & Co. concert grand piano in all great concerts and public functions is well known to the Canadian people. It is found wherever the highest talent is found. It will not be anticipating too much—nor yet giving away business secrets—to say that the prominence that has come to this magnificent instrument in former years will reach still greater heights of success in the season upon the threshold of which we are now stepping. The recent advance made in the construction of concert grand pianos by this firm gives them a unique and pre-eminent position in the concert world. People and press all over Canada are rightly proud of the genuine artistic success of this old and progressive firm.
