Compton was drowned at St. Eleanor's, P. E. I., by falling out of a boat.

A YOUNG man named Alex. Levin, sentenced to five years in the New Brunswick penitentiary, for stealing a money letter at Bathurst, while on his way to St John, in charge of the Sheriff of Gloucester county, jumped from a railway car at Shediac, and has not since been seen by the officers of the law.

A SPECIAL to the *Reporter* conveys intelligence that a brakesman named Gideon Bent was killed on Monday while walking on the top of the cars as they were passing through Doran's Bridge a short distance from Windsor. His head came in contact with the beams of the bridge and he fell backwards on the car. The train was stopped and the poor fellow taken to Windsor and placed in the waiting room where he died.

The sudden death of John Bolton, Esq., M. P., the representative of the County of Charlottee in the Dominion Parliament has shocked the whole community. On Sunday before last he attended a church, on Monday morning he crossed the river of death and entered the spirit world. It is supposed his death was occasioned by heart disease. He filled an honorable and useful position in commercial and political life, and, therefore, his early death is deeply deplored by all classes.

THE ABDUCTION OF DR. BRATTON.—J. B. Cornwall, of London, Ont., has been sentenced to three years imprisonment in the Provincial Penitentiary for aiding in the abduction, by the United States authorities, of Dr. Bratton.

FIRE AT PICTOU.—We regret to state that Pictou was visited on Thursday with a very destructive fire. At one time it was feared that the whole town would be swept away.

The buildings burnt were: The Central House, Tanner's House, Stalker's three storey (new) building, shop and house, Malcolm Campbell's building, the Royal Oak Hotel, three-storey stone house, Joudroy's and Daniel Hockin's houses and stores combined, Mrs. McLeod's residence, two or three workshops, and many outbuildings, in all about twenty buildings. The property is partially covered by insurance. Loss about forty thousand dollars.

An investigation into the source of the fire at Wolfville, on Thursday night last, by which six tenement houses belonging to Mr. McDonald were destroyed, has elicited the fact that it was the work of an incendiary. The fire was set to some inflammable material in an unoccupied apartment at one o'clock in the morning.

MINISTERIAL INTELLIGENCE.—The *Summerside Journal* says: The Rev'd John S. Phinney, who has been appointed to the superintendance of the Wesleyan Church in Bedeque, arrived here in the steamer from Charlottetown on Friday last and preached in the Centerville Wesleyan Church on Sabbath morning.

Rev'd Paul Prestwood who has so acceptably ministered to the Wesleyan Church in Bedeque for the last three years, has been transferred to Wilmot, Nova Scotia. The Rev. gentleman will carry with him the good wishes of the people with whom he has been associated, and by whom he is much esteemed.

P. E. ISLAND.—James Yeo, M. P. P. for Port Hill District, has been sworn in a member of the Government in the place of Mr. W. W. Sullivan, resigned.

Mrs Penelope McDonald, of Portage Grand River, committed suicide by hanging herself to a tree, near her own house on the 3rd inst.

The Charlotteton *Patriot* of the 13th inst says:—"A serious accident took place in this city yesterday. While a number of workmen in the employ of Thomas Essery, Esq., were employed in shingling the roof of a new house in course of erection at St. James's Church, for Alex. Brown, Esq., the scaffolding gave way, and the whole five thereon were precipitated to the ground. The building is three stories high and it is a wonder that the men escaped being killed. The scaffolding below and some trees in front must have considerably broken their fall. Mr. Essery's own son, who was one of the number, is not much injured; his lip was badly cut, and his body somewhat bruised. A Mr. McDonald had his thigh broken; Mr. McEwen, we believe had his shoulder dislocated; and a Mr. McKenzie has his side and back badly injured, and a lad by the name of Furneaux, has his head considerably bruised. Mr. McDonald and Mr. McKenzie are suffering very severely, the others, we hear, are doing well."

The thief Mallroy, who stole the money from Rev. N. Brodie while on the passage to Charlottetwn lately, was sentenced in that city to two years of imprisonment on Saturday last.

FATAL ACCIDENTS.—An elderly man named John Cummings, of Folly, while asleep on a load of flour which was driving from Truro homeward, a short time ago, fell off and received such injuries by the fall and a wheel passing over his arm that he died in a fortnight after. A little girl four years old, daughter of Mr. John Cook, North Lakes, Sackville, N. B., was climbing over a fence on Friday evening, week, when a log in the fence caught in her dress and fell on her. She was injured so severely that she died on Sunday morning.

The relaxing power of "Johnson's Anodyne Liniment" is truly wonderful. Cases are already numerous where bent and stiffened limbs have been limbered and straightened by it. When used for this purpose, the part should be washed and rubbed thoroughly.—apply the Liniment cold and rub it in with the hand.

A crowd of "horse men," and others daily throng the stores in country and town for Sheridans Cavalry Condition Powders. The understand that horses cannot be kept in good condition without them, and with them nan be on much less uuantity of grain.

Leader Office, Toronto, June 7th, 1870.

I received a severe burn on the hand by accidentally pouring hot lead on it. Mr. Graham was in the office at the time, and gave me a bottle of his Pain Eradicator to it; after using it twice, the pain left, and my hand was quite well the next day.

DR. BAXTER'S

CHALYBEATE!

An Iron Tonic for the Blood.

THE BLOOD IS THE LIFE.

A new Medicine prepared by JOHN BAXTER, M. D,

M. R. C. S. E., ST. JOHN, N. B.

THIS INVALUABLE IRON TONIC has been extensively used in the private practice of Dr. Baxter for the last 8 years. The remarkable sale, and the beneficial results of those who have used Dr. Baxter's Chalybeate in St. John, where it is known, is the best evidence of its curative power. Its success is that it is a Blood Food, and that it contains an element which is necessary to the healthy life of the blood, viz.—IRON, for without Iron the Blood would lose its vitality, *it would die.* This preparation has stood the test of years in private practice and can with confidence be recommended to the public. The days of bleeding, blistering and mercury are gone by. It becomes all to husband their Blood, and Blood making powers. The battle of life will exhaust all soon enough. The weak, who are the great majority will find it just such a Tonic as they require.

PRICE, $1 PER BOTTLE.
