ASKS PREFERENCE TARIFF AT ONCE

Australian Premier Cables To
British Prime Minister

TO HELP 1925 PRODUCTS

July Would Be Too Late For
This Year's Output

MELBOURNE, Australia, April 30.—
(Associated Press Cable via Reuters).—
Premier Bruce has cabled Premier
Baldwin, of Great Britain, urging that
Chancellor Churchill's preference pro-
posals should be put into immediate
operation because if this is not done the
present season's dried fruits and sugar
will not come under the new tariff, as
they will reach London before July.
Australia this season has an export-
able surplus of 120,000 tons of sugar
and Premier Bruce points out that the
best time to take advantage of the
new British duties, from the Australian
standpoint, is at once.

RULING ON SILKS.
LONDON, April 30.—The Evening
Standard to-day quoted customs
authorities as having ruled under the
new silk duty announced in the
Churchill budget on the duty of 32½
per cent. will be charged on the whole
value of any imported goods in which
silk is used. As an example, it was
stated that the duty would be levied on
the whole value of a lady's handbag,
the lining of which was silk.

ing held on Tuesday evening in Siloam

to the stationing committee, the invita-
tion of the board to become pastor of
Siloam circuit. Rev. Mr. Johnson is this
year completing a successful pastorate
at Bervie, Ont.

STRENGTHEN BRIDGES FOR HEAVIER ENGINES

PAISLEY, April 30.—Three men from
the valuation department of the C. N.
R. at Toronto are in Paisley, making
a survey of the railway bridges over
the Teaswater River and Willow Creek.
It is reported that the C. N. R. is
desirous of having heavier engines put
on the Paisley and Southampton
branch line, in which case bridges will
have to be made stronger to carry
the extra load. As yet there is no in-
formation available as to when the
work of improvement will be proceed-
ed with.
