MOTHERS, READ THIS!—HOLLOWAY'S WORM LOZENGES are a certain and safe remedy for Worms in Children and Adults.—As it is a well-known and melancholy fact that one great cause of death among children is from Worms alone, it cannot be too deeply impressed upon the minds of parents the necessity of closely watching their children. By so doing, and understanding the symptoms and true cause of the disease, thousands of children might be saved from early graves. SYMPTOMS OF WORMS:—The following are a few of the very numerous symptoms and diseases which are caused by Worms: Deranged appetite, emaciated extremities, offensive breath, frequent picking at the nose, grinding of the teeth during sleep, hardness of the belly, with frequent slimy stools, and sometimes convulsive fits; pain in the head and stomach, unquiet sleep, faintings, trembling, doughs, indigestion, low spirits, frightful dreams, and a gradual wasting away of flesh.

They are palatable and self-administered to the child—drive out the worms thoroughly without pain and completely cleanse the stomach—thereby doing away with the necessity of administering Castor Oil or other unpleasant cathartics—as is the use of other Worm Medicines.

☞ Each box contains the fac-simile signature of NORTHROP & LYMAN, Newcastle Ontario, who are the sole proprietors.

Post Office Savings Banks

THE POST OFFICE SAVINGS BANKS, established by Statute in the present Session of Parliament, will commence operations on the 1st APRIL, 1868, and the Postmaster-General will, from that day, receive at any of the undermentioned Post Offices deposits paid to the Postmasters by persons wishing to place their money in the Government Savings Bank.

2. The direct security of the Dominion is given by the Statute for all deposits made.

3. At each Post Office named, the Savings Bank regulations may be read by the public, giving full information with respect to the mode of depositing and withdrawing money, and these regulations are printed on the cover of the Pass Book supplied to each depositor.

4. Any person may have a deposit account, and deposits will be received daily, during the ordinary hours of Post Office business, of any number of dollars, from $1 up to $400, the total amount which can be received from a Depositor in any one year, except in cases to be specially authorized by the Postmaster-General.

5. The Postmasters of the offices named will act as agents for the receipt of the money deposited for transmission to the Postmaster-General, and for the payment by the Postmaster-General of money withdrawn by Depositors

6. Each Depositor will be supplied with a Pass Book, and the sums paid in, or withdrawn, will be entered therein by the Postmaster receiving or paying the same. In addition, a direct receipt for each amount paid in, will be sent to the Depositor from the Postmaster-General, and the Postmaster-General will issue a cheque, payable at any Post Office Savings Bank desired, for any sum withdrawn.

7. Every Depositor's account will thus be kept with the Postmaster-General, and a Depositor may pay into his or her account with the Post Office Savings Bank, at any of the Savings Bank Post Offices which at the time may best suit his convenience, and may exercise the same choice in drawing out money, subject only to the obligation of producing the Pass Book, in proof of identity—whenever paying in or drawing out money.

8. Interest at the rate of 4 per cent per annum will be allowed on deposits lying in the ordinary deposit accounts, but when a Depositor has $100 deposited, he or she may request the Postmaster-General to transfer this sum to a special account, and will then receive a Certificate of such special $100 deposit, bearing interest at 5 per cent, per annum.

9. Postmasters are forbidden by law to disclose the name of any Depositor, or the amount of any sum deposited or withdrawn.

10. No charge will be made to Depositors on paying in, or drawing out money, nor for postage on communications with the Postmaster-General in relation thereto.

11 The Postmaster-General will be always ready to receive and attend to all applications, complaints, or other communications addressed to him by Depositors or others, relative to Post Office Savings Bank matters.

12. An additional number of Post Offices will be authorized to act as Savings Bank agencies on the 1st July next:—

CANADIAN PAIN DESTROYER

A Family Medicine, well and favorably known for the past ten years, never failing in a single instance to give permanent relief when timely used, and we have never known a single case of dissatisfaction where the directions have been properly followed, but on the contrary all are delighted with its operations, and speak in the highest terms of its Virtue and Magical effects.

THE CANADIAN PAIN DESTROYER has won for itself a reputation, as a blood purifier, alterative stomach tonic, unsurpassed in the history of medical preparations. It seldom fails to cure Dyspepsia, Liver Complaints, Indigestion, Heartburn, Sick Headache, Kidney Complaints, Acid Stomach Phthisic or Asthma, and restores to vital activity the system debilitated by suffering and disease.

Its magical and wonderful success in curing sudden colds, Sore throat, Coughs, Diptheria pains in the side, joints and back, neuralgia, tooth ache, rheumatic and other pains in any part of the body and from whatever cause, has given it a place in every household and a fast superseding all other preparations of the kind.

It is also an effectual and prompt remedy for Scalds, Burns, Bruises, Sprains, Chilblains, Frost Bites, Cramps in the Stomach, Diarhœa, Cholera morbus, Bilious Cholic, Cholera Infantum, Dysentery, &c.

Price only 25 cents per bottle.
