SAID HE COULD NEVER BE WELL

"Fruit-a-tives" Restored Him To Health.

159 Avenue Pius IX, Montreal.

"For three years, I was a *terrible sufferer from Dyspepsia* and my general health was very bad. I consulted a physician and took his medicine, but I did not improve; and finally he told me that *I could not be cured.*

"At this time, a friend advised me to try '*Fruit-a-tives.*' After taking two boxes, I was greatly relieved; and this fruit medicine *made me completely well.* My digestion and general health are now splendid.

"GASPARD DUBARD."

Fifty cents a box, 6 for $2.50; trial size, 25c. At dealers or sent postpaid by Fruit-a-tives, Limited, Ottawa.—Advt.

RED PEPPER FOR COLDS IN CHEST

Ease your tight, aching chest. Stop the pain. Break up the congestion. Feel a bad cold loosen up in just a short time.

"Red Pepper Rub" is the cold remedy that brings quickest relief. It cannot hurt you and it certainly seems to end the tightness and drive the congestion and soreness right out.

Nothing has such concentrated, penetrating heat as red peppers, and when heat penetrates right down into colds, congestion, aching muscles and sore, stiff joints relief comes at once.

The moment you apply Red Pepper Rub you feel the tingling heat. In three minutes the congested spot is warmed through and through. When you are suffering from a cold, rheumatism, backache, stiff neck or sore muscles, just get a jar of Rowles Red Pepper Rub, made from red peppers, at any drug store. You will have the quickest relief known.—Advt.

LESS MEAT IF KIDNEYS BOTHER

Take a Glass of Salts If Your Back Hurts or Bladder Troubles You.

No man or woman who eats too much meat can make a mistake by flushing the kidneys occasionally, says a well-known authority. Big meat eating may develop uric acid, which excites the kidneys; they become overworked from the strain, get sluggish and fail to filter the waste and poisons from the blood; then we get sick. Rheumatism, headaches, liver trouble, nervousness, dizziness, sleeplessness and urinary disorders often come from sluggish kidneys.

The moment you feel a dull ache in the kidneys, or your back hurts, or if the urine is cloudy, offensive, full of sediment, irregular of passage or attended by a sensation of scalding, stop eating meat and get about four ounces of Jad Salts from any pharmacy; take a tablespoonful in a glass of water before breakfast; and in a few days your kidneys may act fine. This famous salts is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to flush and stimulate the kidneys; also to neutralize the acids in urine so it no longer causes irritation, thus often ending bladder weakness.

Jad Salts is inexpensive and cannot injure; makes a delightful effervescent lithia water drink, which everyone should take now and then to help keep the kidneys clean and active and the blood pure, thereby often avoiding serious kidney complications.—Advt.

2 Specialists Recommend D. D. D. for Your Eczema

Dr. E. B. Holmes, the well-known skin specialist, writes:

"I am convinced that the D. D. D. Prescription is as much a specific for Eczema as quinine for malaria."

And Dr. W. L. Randolph corroborates:

"The treatment of skin diseases (Eczema) and diseases of the scalp is known to be difficult. However, there is one remedy that is entirely dependable in this distressing and troublesome disease; that is D. D. D."

What is D. D. D.? A thoroughly scientific prescription, or it would not have the endorsement of these two authorities behind it. A cooling, healing wash—it penetrates the pores as soon as it is applied, and gives instant relief from the most intense suffering.

Our Guarantee We feel that in D. D. D. we have found *the* Remedy for skin diseases, and we stand back of this prescription with our iron-bound guarantee. If you are troubled with any kind of skin affection—a mild case, a hard stubborn one—it does not matter which—secure from us a bottle of D. D. D. and if it does not convince you that this is the *real remedy*—YOUR REAL REMEDY—we will refund your money immediately. Stop that itch today. Price $1 a bottle. Try D. D. D. Soap, too.

Strong's Drug Store, Standard Drug Co., Limited, Taylor's Drug Store, London.

Knights of the Grip

Many an experienced travelingman had made use of the Wants in securing a position.

Hundreds of employers in need of travelingmen to cover definite territory call upon the Wants to place them in touch with just the right man.

The Want columns hold opportunities for commercial travelers, district agents, those who are looking toward the development of new territory; all of them call upon the Wants to serve them promptly and efficiently.

GIRLS LEAP TO DEATH IN FIRE IN N.Y. FACTORY

Three Dead, Three Dying, As Result of Blaze.

TRAPPED BY FLAMES

Celluloid Plant in Great Metropolis Is Scene of Holocaust.

NEW YORK, Nov. 3.—Three girls were killed, three more are reported dying, and about a dozen were taken to hospitals seriously injured after a fire had broken out in a celluloid factory on East 13th street this afternoon and the flames had quickly enveloped the three-story building.

About 40 girls were employed in the factory. Several jumped from windows as the panic spread. More escaped over roofs. Others were taken down ladders by firemen.

Stars on Second Floor.

A cloak and suit concern occupied the first floor of the building. The two upper floors were leased by S. H. Schreiber & Co., jobbers in hair ornaments and toilet articles, in the manufacture of which celluloid is used.

The fire started on the second floor and spread rapidly.

Immediately girls rushed to the windows. Of those who jumped at least one was killed instantly.

While the panic was at its height a man stepped out onto the coping above the first floor and tried to catch the girls as they fell. He touched one or two, and was believed to have broken their fall.

Girl Hangs to Sill.

One girl was seen hanging to a sill on the second floor. She was forced to let go when the flames came close.

Three girls escaped by ascending a stairway from the third floor through a garret, climbing a ladder to the roof and then descending through the next building.

As the firemen arrived they saw a man jump from the third floor, strike a cornice on the first, and fall onto the street dead.

The fire-fighters, diving into the dense smoke, came across a number of the girls in the very center of the building, lying on the floor, overcome by smoke.

FOUR KILLED IN BLAST.

SCRANTON, Pa., Nov. 3.—Four men were killed, and four others were injured in an explosion at the Bird's Eye Slope of the Oliphant mine of the Munson Coal Company, near here today.

URGE SUPPORT OF CRERAR AS LEADER

Unanimous Decision At Meeting of South Waterloo Progressives.

Special to The Advertiser.

GALT, Nov. 3.—At a very harmonious session of the South Waterloo Progressive political party held this afternoon at Kavelman's Hall, New Dundee, and well attended, the most important business was consideration of the association's attitude towards Hon. T. A. Crerar, and it was the unanimous decision that William Elliott, M. P., should support the retention of Hon. Mr. Crerar as their leader at the convention to be held in Winnipeg next week, to which he now goes without any doubt as to what opinion his party has. The meeting also favored a broadening-out policy in the party, but went on record as opposed to any fusion with the Liberals, but was not opposed to co-operation with the government.

Karl H. Homuth, the Progressive-Labor member of the Provincial House, was also present at the meeting. It is understood the Labor element of the party is in accord with the decision reached by the farmers in regard to the party's leadership and the other issues.

The election of officers resulted as follows: President, Levi Master, New Hamburg; vice-president, John Manson, Ayr; secretary-treasurer, E. B. Hallman, New Dundee; executive, J. T. Scott, North Dumfries; John Schnaeringer, Waterloo Township, and N. Nahrgang, Wilmott Township; auditors, J. Bricker, Ayr, and O. T. Groh, Preston.

ADOPT NAME 'D. A. GORDON' FOR NEW PUBLIC SCHOOL

Wallaceburg Educational Institution to Bear Appellation of Late Renowned Citizen.

Special to The Advertiser.

WALLACEBURG, Nov. 3.—At a meeting of the board of education the chief subject of discussion was the naming of the new south side public school which is now under construction. Of the six or eight names suggested, the name of "D. A. Gordon" found most favor, and it was unanimously resolved that the school be called the "D. A. Gordon Public School."

Without a doubt this name will meet with instant approval of all the citizens. The late much-respected and renowned citizen, ex-member for East Kent, did much for his town to place it in the position it holds today in the commercial world. He did much for the upbuilding and advancement of Wallaceburg. Wallaceburg interests were his and whatever progress Wallaceburg made the late D. A. Gordon was a large contributor towards it.

Prizes were offered for the best names, and the ladies who suggested "D. A. Gordon" were Mrs. (Dr.) Campbell, Mrs. Ed. Arnold and Miss Flannigan, to whom the prizes will be awarded.

The north side public school will be known as the Central Public School.

TORONTO HOUSEKEEPER FALLS HEIR TO $50,000

TORONTO, Nov. 2.—Miss Mary Jeanette Day, a woman of about 50 years of age, who has acted for many years as housekeeper in the home of Irvine C. Hall of this city, has been left an estate of $50,000 by a bachelor uncle, James Meaden, who died recently at Lewisham near London, England. He left no will, and his estate of $450,000 is to be divided among eight cousins, of whom Miss Day is one.

ROME, Nov. 3.—"For king, for Italy and for the Facismo," was the cry of Benito Mussolini's "black-shirts" as they advanced to power over the Socialist strongholds in Northern Italy. This photograph is the first to reach Canada showing the Fascisti marching into Milan and assuming control.

PROGRESSIVES TO URGE 'SHOW DOWN'

Alberta Members Refuse To Consider Fusion With Liberals.

Special to The Advertiser.

WINNIPEG, Nov. 3.—The big subject of discussion among the farmers and others is the action that is to be taken at the meeting of the Progressives in Winnipeg this month. It is assumed that there will be what is graphically described as a "show down."

In that "show down" is the general understanding that the Alberta members will be almost to a man opposed to Crerar leadership, and certainly to anything in the nature of a fusion.

There is no leader who is definitely in sight, and it is possible, in case Mr. Crerar does not continue as leader, no leader will be appointed for the present.

Everything in connection with the negotiations have been kept dark, and accordingly many stories are told of the negotiations and counter negotiations. Here is a story that seemes to be accurate. After the session in a conference in Winnipeg at which several Progressives attended, a letter or message was shown indicating that Premier King was prepared to take into his government, Crerear, Hudson and one or two others in the Progressive ranks.

This conference was followed by conferences of Progressives in each province. Alfred Speakman, M. P., of Red Deer, who is closest to Mr. Crerar in Alberta, summoned the meeting of Alberta members in Calgary.

The meeting it seems was not well-attended. Neither Mr. Shaw nor Mr. Irvine seem to have been invited, and some of the members suspecting the plan of the meeting remained away. The six members who did attend were practically unanimous in opposing the fusion.

Mr. Speakman brought the finding to Winnipeg and there seems to have been no further meeting or conference in Alberta.

It is believed that Mr. Speakman of Red Deer is the only member who is in favor of fusion, and his supporters are not enthusiastic about it.

Mr. Shaw, the Calgary member, although co-operating with the Progressives regards himself as an Independent, indorsed by Progressives and Farmers.

According to Robert Gariner, Progressive M. P. for Medicine Hat, "the Progressives have no leader."

FAVOR BROADENING POLICY.

GALT, Nov. 3.—At a meeting of the South Waterloo Progressive political party held this afternoon at New Dundee, consideration was given to the association's attitude towards Hon. T. A. Crerar, and it was the unanimous decision that William Elliott, M. P., should support the retention of Hon. Mr. Crerar as their leader at the convention to be held in Winnipeg next week. The meeting also favored a broadening-out policy, but went on record as opposed to any fusion with the Liberals, though not opposed to co-operation with the government.

Carl K. Homuth, the Liberal member of the provincial house, was also present. It is understood the labor element of the party is in accord with the decision reached by the farmers in regard to the party's leadership and the other issues.

Galt Association Secures Sanctuary For Birds.

Special to The Advertiser.

GALT, Nov. 3.—The Galt branch of the Ontario Game and Fish Protective Association has secured permission to use two small lakes, three miles west of Galt, for a bird sanctuary, and immediately wild rice seed will be purchased and planted with a view to attracting wild geese and ducks. Application will also be made for fish spawn to be put in the lakes.

PRESBYTERIANS STILL LOOK TO CHURCH UNION

Synod of Alberta Spurns Attempt to Turn From Movement.

Edmonton, Nov. 3.—By a narrow majority of eight votes the Presbyterian Synod of Alberta last night defeated a resolution moved by Dr. Robert Johnson of Calgary, urging the Presbyterian General Assembly to refrain from going into the proposed organization with the Methodists and Congregational Church.

The defeated resolution, which was seconded by Rev. D. G. McQueen, D.D., of this city, would have overturned the general assembly to "take most serious consideration of the wisdom of abstaining from any action in relation to union that is likely to result in the disruption of the Presbyterian Church."

CALL OFF MINERS' STRIKE IN WALES

CARDIFF, Wales, Nov. 3. — The South Wales Miners' Federation in conference here has decided to withdraw its notice of a general strike, and work in the mines will be continued.

It was found that only a small percentage of the miners were obeying the call, which was issued to force complete unionization of the mine fields.

SWITCHMAN AT WINDSOR CUT TO PIECES BY ENGINE

WINDSOR, Nov. 3.—His plans made to obtain other employment because of the hazardous nature of his work as a switchman in the Windsor yards of the Michigan Central Railway, Alfred Powell went on duty yesterday afternoon cheerful with the knowledge that his risky occupation would soon be at an end.

Two hours later his body, cut in two by a passing engine, was removed to Jannisse morgue. How the accident occurred may never be known. All the railwaymen knew of the affair was when fellow-workers of Powell discovered his mangled body. Powell was 38 years old, and lived with his wife on Dougall avenue. He served with Canadian Engineers, and resumed his work with the railway company at the conclusion of the war.

DECREES FINISH OF SULTANATE

Angora Assembly Decides Unanimously Against Monarchial Reign.

CONSTANTINOPLE, Nov. 3.—An end to the Sultanate in Turkey has been unanimously decreed by the grand national assembly sitting at Angora. The executive and legislative powers of the country have been conferred by the assembly upon the nation and the palace of the Sublime Porte, which through corrupt ignorance for several centuries provoked numerous ills for the country, has passed into history.

A caliph is to be chosen by the assembly from a member of the Osman dynasty to succeed the sultan, but the resolution of the assembly announced that the Turkish Government would remain the keystone of the Caliphate.

The choice of the Caliph is to be that member of the imperial family who is best instructed, the best educated, the most honest and wisest. The assembly also decided that all treaties entered into by the Constantinople government since March 16, 1920, were null and void. The decision of the assembly was followed by the proclamation of a national holiday and the firing of a salute of 101 guns.

Kissed Sultan's Hand.

Notwithstanding the assembly's decree that the era of liberation had at last been entered into, the sultan presided this afternoon at an extraordinary council of his ministers. The grand vizier, Tewfik Pasha, and his colleagues kissed the sultan's hand on the occasion of the prophet's birthday, renewed their pledge of loyalty, and expressed the utmost indignation at what was termed the rash action of the Angora government in proclaiming an end to the Sultanate.

While nothing definite can be ascertained regarding the decision reached at the council today, it was reported in high quarters that there was good reason to believe the sultan had disputed the legal character of the national assembly's decision, it being declared the assembly was elected under abnormal circumstances.

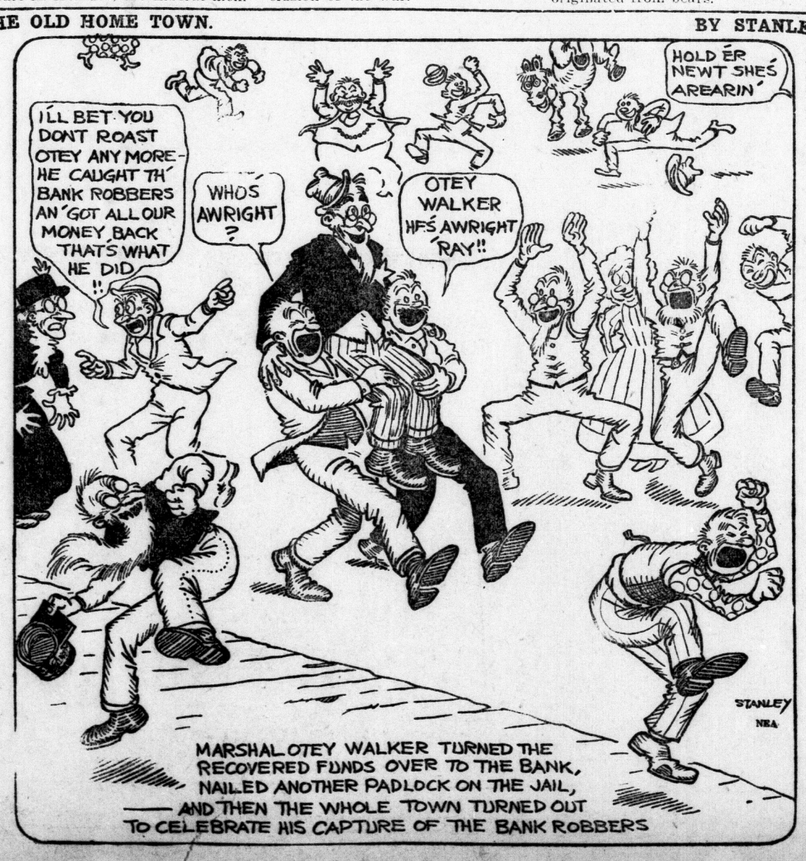
Will Soon Abdicate.

Some of the Turkish afternoon newspapers today announce that the abdication of the sultan is only a matter of hours, but the ministers of the Sublime Porte apparently take no such pessimistic view of the situation. The sultan's resignation, according to tradition, would be handed to the members of the imperial family, and no crown council was called today at the Yildiz Palace.

Monarchist and Turkish moderate circles anticipate internal dissension in consequence of the action of the national assembly. They express the view that the step of the Angora government is a triumph for the bolshevik policy in the Near East and a prelude to the sovietization of Turkey.

Professor O. Abel, while admitting that the primitive history of the seal is obscure, says the most probable supposition is that these creatures originated from bears.

THE OLD HOME TOWN. BY STANLEY



CROPS GOOD IN OXFORD COUNTY

Farmers Make Plans To Improve All Kinds of Stock.

The Advertiser has secured from several district representatives a plain statement of facts regarding the condition of farm operations for the year now ending. We have tried to secure correct, unbiased information that accurately reflects conditions as they are today.

OXFORD COUNTY.

By H. L. Trueman, Assistant Agritural Representative.

Oxford county farmers are going into the winter in better shape than last year. Throughout the county crops were good. In a few places the leaf rust of oats did serious damage, but the outbreaks were not widespread, and have little effect on the general crop situation. On farm after farm the barns are full to overflowing, and stock will be carried through the winter in much better shape than it was last year.

Labor has been scarce and expensive, and for a time the situation was serious. A great many boys went West on the harvest excursion, and day labor has been scarce. There were a great many threshing and silo-filling outfits on the road, and the whole county was tied up at the same time with this work. It looked as though fall work was being neglected, but the past two weeks have changed the outlook, and now the country is rapidly putting its affairs in order for winter.

The livestock situation is improving. In the northern part of the county many farmers are feeding steers, and expect to recoup their losses of 1921. There is a good demand for dairy cattle, although the prices do not run high. Livestock improvement work has been somewhat hampered by the decreased buying power of the farmer and the very busy season. There has been a great change in the past year, however, as about 300 farmers are now using purebred bulls, where they used grades in 1921. There is a distinct demand for improved stock in the swine business, many men having been preparing their herds for the proposed grading system. The publicity in connection with this improvement has already been responsible for an improvement in breeding stock.

Money is scarce among the farmers, and will remain so for a while. Oxford raises practically no cash crops. The principal product is milk, with steers and hogs in second place. Oxford feeds practically all the crops raised, and returns come in slowly. The price of milk is low, but the outlook is encouraging. Production has slackened off during the depression, and there is a prospect of a shortage, with a slight increase in price. Production costs are lower on account of good crops, and the great reduction in the cost of mill feeds.

A large proportion of the milk produced in the county goes to cheese factories, and the general uncertainty of the cheese market has worked hardship among the small producers. Feeling in favor of the proposed Ontario Co-operative Dairy Products Company is increasing, and there is a general tendency to turn to this organization for a way out of the present difficulties.

While the general situation seems to be tending toward improvement, the majority of the men find that money is coming in slowly, and that the more expensive standard of living learned during the profitable war years, coupled with the exceedingly lean year of 1921, have reduced their reserves to such an extent that retrenchment is necessary. Ground will be regained slowly during the coming winter.

Oil Light Beats Electric or Gas

BURNS 94% AIR.

A new oil lamp that gives an amazingly brilliant, soft, white light, even better than gas or electricity, has been tested by the U. S. Government and 35 leading universities and found to be superior to 10 ordinary oil lamps. It burns without odor, smoke or noise —no pumping up, is simple, clean, safe. Burns 94 per cent air and 6 per cent common kerosene (coal oil).

The inventor, S. E. Johnson, 246 Craig St. W., Montreal, is offering to send a lamp on 10 days FREE trial, or even to give one FREE to the first user in each locality who will help him introduce it. Write him today for full particulars. Also ask him to explain how you can get the agency, and without experience or money make $250 to $500 per month. —Advt.

CARGILL PASTOR GOES TO WARWICK PARISH

Special to The Advertiser.

CARGILL, Nov. 3.—Rev. L. Hagger, for several years pastor of Cargill Anglican Church, has been appointed rector at Warwick parish, and will take over his new charge about the 1st of December.

During his pastorate here Mr. and Mrs. Hagger made many friends among people of every denomination, and their removal is much regretted.

Rev. Hagger's old home is in London, Ont.

In California and Arizona a plant called the Devil's Bur punctures automobile tires with its spiny seeds.

MRS. Adele Bloss Montford, prominent in New York society, played the title role in "She Who Got Spanked," according to her husband, Frederick D. Montford. Her husband, former St. Paul banker, admitted in separation suit papers, that he spanked his bride in a hotel in Naples.

LUMBER DEALERS MEET IN CHATHAM

Discuss Plans For Annual Convention To Be Held At Windsor.

Special to The Advertiser.

CHATHAM, Nov. 3.—A special meeting of the Western Ontario Lumber Dealers' Association is being held in the city today for the purpose of discussing plans for the annual convention for 1923, which will be held in Windsor.

They are also meeting Mr. Menzer or Toronto, representing the headquarters of the Ontario Lumber Dealers' Association, to discuss matters of interest to the trade.

Among the Thanksgiving attractions in the city is a good program of trials of speed at the race track at the Fair Grounds in this city. The racing will take place Monday afternoon.

The newly-formed rugby team of Chatham Collegiate Institute will meet the fast rugby team of the Sarnia C. I. on the Athletic Park on Monday afternoon at 2:30 o'clock.

The East Kent Teachers' Institute, in session here since yesterday morning, elected the following officers at its morning session today: President, Lloyd Williston, S. S. 9, Harwich; vice-president, Miss Ella Harrett, S. S. 3, Harwich; second vice-president, Miss Flora Germer, Ridgtown; executive, Miss Margaret McLellan of Charing Cross and C. A. Bryan of Blenheim; auditors, Mr. Morgan of Chatham and Charles Heer of Northwood; secretary-treasurer, Inspector W. H. G. Colles, Chatham; delegate to the O. F. A., R. Parsons of Ericau.

DISTRICT CHURCHES HOLD CONVENTION

Methodists Meet At Clinton For Spiritual Conference.

Special to The Advertiser.

CLINTON, Nov. 3.—The Goderich and Exeter districts of Methodist Churches convened here today for spiritual conference. The meeting, at both morning and afternoon sessions, was largely attended by ministers and lay representatives from the various circuits on these two districts.

The morning session was presided over by Rev. S. Anderson, pastor of the conference church and chairman of the Goderich district, while Rev. Geo. W. Rivers of Hensall, chairman of the Exeter district, led the afternoon session.

In the forenoon Rev. H. J. Armitage spoke upon "The Urgency of the Kingdom," with much fervor, and was followed by Rev. J. W. Hedley in a very splendid and inspiring address on "The Old-Time Religion."

In the afternoon Rev. D. N. McCannes gave a brief but interesting and informing report of the recent general conference, and some phases of its legislation. Rev. J. E. Hunter spoke upon "Equipment for Service," to the profit of all, and was followed by Rev. R. F. Irwin in a characteristic address, gathering up and giving point and direction to the various points and suggestions of the various speakers.

The program was interspersed with solos by Miss Helen Anderson and Miss Gibbins and a duet by Misses Irealeven and Anderson, all suitable and choice. The congregational singing, under the leadership of Rev. H. D. Moyer, was hearty and inspiring.

The Ladies of the Ontario Street Church served meals in the schoolroom, adding to the comfort and convenience of the delegates. The discussion was very enthusiastic by both ministers and laymen. The closing exercise was an old-fashioned fellowship meeting, under the direction of Rev. Mr. Anderson.

The fastest recorded day's trip by a sailing ship was 437 miles, made by the Sovereign of the Seas on a voyage from New York to San Francisco.

"My Hands Trembled and I Could Not Sleep"

Mr. Thomas Honey, Brantford, Ont., writes:—

"When I began taking Dr. Chase's Nerve Food, I was so nervous that when I picked up a cup of tea my hand would tremble like a leaf. I could not sleep well, could not remember things, and there were neuralgic pains through my body. After taking seven boxes of Dr. Chase's Nerve Food, however, I am in perfect health."

DR. CHASE'S NERVE FOOD

50 cents a box, all dealers or Edmanson, Bates & Co., Ltd., Toronto.

Suffered From Pimples and Blotches For Fifteen Years

When the blood becomes impure it is only natural that pimples, blotches, boils or some other blood trouble will manifest itself by breaking out of the system.

There is only one way to get rid of these obnoxious skin troubles, and that is by giving the impure blood a thorough cleansing by the use of a good blood purifier such as

Burdock Blood Bitters

This remarkable remedy has been on the market for over forty years; is the best obtainable, and will do all we claim for it as a blood cleanser.

Mr. Albert R. De Witte, Lake Valley, Sask., writes: "I have suffered very much from pimples and unsightly blotches for the past fifteen years, and was so bad I hated to go out anywhere. I tried many different medicines, but none seemed to help. A friend told me to use Burdock Blood Bitters. I have used three and a half bottles, and now I have a clear rosy complexion."

B. B. B. is manufactured only by The T. Milburn Co., Limited, Toronto, Ont.—Advt.

GRANTS $20,000 TO EDUCATION BOARD

Finance Committee of St. Thomas Council Holds Monthly Meeting.

Special to The Advertiser.

ST. THOMAS, Nov. 3.—The finance committee of the city council at the monthly meeting this evening granted the $20,000 requested by the board of education for this year's educational expenses. $10,000 had been promised the board at the first of the year and the other $10,000 was made up of unforeseen expenses that have resulted from accommodation congestion and from the purchase of the Firth property adjoining the Collegiate Institute. Alderman P. Mehan made the resolution to grant the sum, and Alderman F. A. Lemon seconded it. Trustee G. P. Spackman of the board of education waited on the committee and presented the request.

The proposed west-end entrance to the city was discussed and it was decided that a conference should be arranged between Engineer J. A. Bell, City Engineer Miller, the city council and members of the county council to arrive at the best possible route for the entrance. It is understood that the Provincial Government will then be approached on the matter.

Heart Palpitated And Was Short of Breath

Through one cause or another a large majority of people are troubled, more or less, with some form of heart trouble.

Many people may be unaware of having anything wrong with their heart till some little excitement, overwork or worry starts it to palpitate and throb, skip beats, beat fast for a time and then so slow as to seem almost to stop, then it causes great anxiety and alarm.

To all such sufferers

Milburn's Heart and Nerve Pills

will give prompt and permanent relief. Mrs. Alice Bishop, 15 Hawthorne Ave., Hamilton, Ont., writes: "I take pleasure in recommending Milburn's Heart and Nerve Pills to al persons troubled as I had been.

I suffered from palpitation of the heart and shortness of breath; my heart would skip beats, and in the night, at times, I would have to sit up to get my breath. I could not go up stairs without my heart fluttering, and my nerves were all unstrung, but since using your famous Pills I have felt like a different person."

Price 50c a box at all dealers or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.—Advt.

New Method of Reducing Fat

A news item from abroad informs us that the American method of producing a slim, trim figure is meeting with astonishing success. This system, which has made such a wonderful impression over there, must be the Marmola Prescription Tablet method of reducing fat. It is safe to say that we have nothing better for this purpose in this country. Anything that will reduce the excess flesh steadily and easily without injury to the stomach, the causing of wrinkles, the help of exercising or dieting, or interference with one's meals is a mighty important and useful addition to civilization's necessities. Just such a catalogue of good results follow the use of these pleasant, harmless and economical little fat reducers. We say economical because Marmola Prescription Tablets (made in accordance with the famous Marmola Prescription) can be obtained of any druggist the world over or from the Marmola Company, 4612 Woodward Ave., Detroit, Mich., for one dollar a case, which is a decidedly economical price, considering the number of tablets each case contains. They are harmless.—Advt.
