Toronto.

Toronto, Feb. 18.—Receipts at the Union stockyards were 163 cars, with 2,799 cattle, 184 calves, 1,855 hogs, 453 sheep and lambs and 62 horses. Trade was fairly active, with a good all-round demand, particularly for the choicer cattle. For extra choice qualities prices were if anything a little stiffer than last week. An average medium to good butcher, a fair, steady market; a common butcher, a little slow. Sheep and lambs were not quite so firm and an imported lot of wethers and ewes went slowly.

Hogs were quoted about 10c lower, but transactions were slow at the decline, dealers in some cases holding for higher prices.

NAPIER.

Miss Flossie McCann, of Napier, who underwent an operation in Victoria Hospital Monday for appendicitis, is doing nicely.

Miss H. Hastings and Miss May Dodd, of St. Thomas, are the guests of the latter's sister, Mrs. George A. Denning, this week.

Much regret is felt over the resignation as Sunday school superintendent of Mr. H. Lowe, who has held that position for a great many years, and did very faithful work during that time. Mr. Fred Gough has been appointed to take his place.

The Woman's Institute met in the town hall on Wednesday, February 12. A large number were present, considering the very severe weather. The ladies enjoyed very much the papers by Mrs. J. Brady and Miss McLean on "Dr. Drummond" and "A Day's Work on the Farm," also a solo from Miss Mabel McCaw. Luncheon was served at the close.

"The Valentine At Home" gathering under the auspices of the W.F.M.S. of St. Andrew's church, held at the home of Mr. and Mrs. D. D. Walker, was a great success. A splendid representation of the congregation was present. Musical selections and addresses were given, and many splendid games played. A free-will offering was taken up during the evening and almost $12 was received. The aim of the gathering was to increase interest in the society.

A MOTHER'S DUTY TO HER DAUGHTER

Requires That Her Blood Supply be Kept Rich, Red and Pure

Every mother who calls to mind her own girlhood knows how urgently her daughter is likely to need help and strength during the years between school days and womanhood. It is then that growing girls droop and become fragile, bloodless and nervous. Nature is calling for more nourishment than the blood can supply and signs of distress are plainly evident in dull eyes, pallid cheeks, aching backs, a lanquid step, fits of depression, headaches and a dislike for food. These signs mean anaemia—that is bloodlessness.

The watchful mother takes prompt steps to give her girl the new, rich blood her system is thirsting for by giving Dr. Williams' Pink Pills, which make new blood and transform unhappy anaemic girls into robust, happy, bright-eyed young women. No other medicine has ever succeeded like Dr. Williams' Pink Pills, because no other medicine can make that new, rich, red blood which brings health and vitality to weak bloodless systems. Miss Mamie Krouse, Copetown, Ont., says: "Dr. Williams' Pink Pills have been a blessing to me. I had been a sufferer for almost two years from anaemia, and seemed, no matter what I tried, to be growing worse. I was very pale and seemed bloodless. suffered from frequent headaches, the least exertion would leave me completely tired out, and I was very much discouraged and fretful. At last I was advised to try Dr. Williams' Pink Pills, and got a half dozen boxes, and by the time they were used I was feeling much better. A few more boxes fully restored my health and I have since been well and strong and able once more to enjoy life."

These pills are sold by all medicine dealers or will be sent by mail at 50 cents a box or six boxes for $2.50 by addressing The Dr. Williams' Medicine Co., Brockville, Ont.

KERWOOD.

The Ladies' Parish Aid will meet at the home of Mrs. T. F. Mills on Wednesday, Feb. 26th, at 2 p.m.

The Kerwood branch of the Women's Institute held a most successful Valentine tea on Friday afternoon. Fourteen ladies from the Watford branch were present, also some from the Napier branch. The young ladies who had charge of the tables wore Valentine caps and aprons to match the table decorations. After the singing of "The Maple Leaf," the following program was rendered:—Solos by Mrs. T. Brady, Mrs. deGex, Mrs. Mills; paper, "What we gain by being a member of the Woman's Institute," by Mrs. Brison, of Watford, which was enjoyed by all; duets were sung by Irene and Walter Eastabrook, and Messrs. deGex and Mills; a trio, "The Maids of Tea," by the Misses Waddell, Sullivan and deGex was the cause of much merriment; two choruses, by eight of the young ladies, "Away to St. Valentine," and the Cooks chorus. A special feature of the program was the selections played by the Merry Orchestra. A dainty luncheon was served, after which Mrs. Dodds, president of the Watford branch, gave a brief address, thanking the Kerwood ladies for their hospitality, then all joined hands and sang for Auld Lang Syne, after which the meeting closed with the singing of the National Anthem.

Ten thousand copies are now sold annually, which find their way all over Canada and the Empire, indeed the world.

"The Facts booklet is stuffed as full of information as a sausage is of meat," is the happy and true way an English Journal puts it, and the new issue, which includes many new features and improvements, such as a colored map of the Dominion, presents a striking story of the wonderful advance of Canada in a single year. We now talk in billions.
