WHERE FOOTBALL FLOURISHES ASSOCIATION GAME AT GALT

W. F. A. Champions Will Take Trip East and Probably to Old Country.

Galt, April 6.—(Special.)—Galt Football Club held its twenty-fifth annual meeting to-night. In the record of a quarter of a century not a black mark has been scored against the Galt Football Club. In his address to the members who formed a large gathering, President Porteous said the club had made an enviable record last season, capturing the W.F.A. championship and the world's fair medals. The provincial championship, it was hoped to win this year, as well as a victory over the Corinthians, upon which would hinge the old country trip. The season would start off with a short trip east in June. The president spoke very hopefully of the prospects of venturing the opinion that 1905 would be a banner year in the club's history. The report of the treasurer showed expenditure of over $400 and a small balance to the good. Officers were elected as follows:

Honoraries, A. R. Goldie, president; T. T. Aitkin, vice-president; members, John Spalding, Clifton; W. D. McKenzie, John Gourlay, sr., Dr. Hawk, Geo. Hancock, sr., James Linton, Charles Cumming. His Worship Mayor Nundy, who came in later, was elected an honorary member, and promised that as park commissioner he would advocate the best possible playground.

Active officers: Preisdent, J. W. Porteous; first vice-president, James Fraser; second vice-president, Thomas Elliott; treasurer, R. McLaughlin; secretary, George D. Hunt; committee, James Bennett, J. B. Gourlay, G. Baker.

It was decided that the club enter three teams in the W.F.A.—juniors, intermediate and senior. The trip east wil take in Peterboro, Bowmanville, Norwood and Montreal.

The Westmounts dearly crave a game, and it will be given them with pleasure. The Royal Canadians will also be asked to surrender the provincial championship, home-and-home games being arranged for May 13 and 20. Messrs. Hunt, Ducker and Elliott are named to attend the annual meeting of the W.F.A., at Berlin, on Good Friday. If the question comes up, these representatives are asked to support a change, making the junior individual weight 130 pounds and abolish the age limit.

The arrangements for the trip to England are left with the committee. This trip can be financed without trouble, and the club means to arrange it if its record of the season be good.

L. B. Duff, ex-secretary, was made assistant secretary of Galt Football Club. He lives now at Welland.

Bowmanville Football Club.

Bowmanville, April 6.—The annual meeting of the football club was held this evening, when the following officers were elected: Honorary presidents, D. B. Simpson, K.C., F. H. Frost, B.A.; president, Rev. H. Munroe, B.A.; first vice-president, Norman Heattle; second vice-president, Arthur Baker; secretary, F. C. Vanstone; treasurer, Charles H. Huddy; manager, F. R. Kersiake; captain, Dr. J. C. Devitt; managing committee, T. Hunter, C. W. Siemon, Geo. W. S. James, H. McCready; F. R. Foley; ground committee, A. Legge, E. Andrus, B. Farr; press correspondent, George W. S. James.

It was decided to enter a team in the Midland League. The boys are hopeful of landing the cup in Bowmanville this season. Practice starts at once.

Shamrocks of Green River.

Green River, April 6.—The Shamrock football team of this place have held their annual meeting and elected their officers for the coming season as follows: Hon. president, A. E. Lehman; president, William Hoover; vice-president, W. A. Fuller; secretary-treasurer, J. A. Nighswander; captain, Hugh Percy; managing committee, Peter Stewart, Frank Booth, Fred Cowie and Matèn Phenill.

Football Notes.

Guy Curtis will likely coach the Montreal A.A. Rugby football team next fall.

The Eureka Football Club reorganized their team for the coming season at a largely attended meeting, held last night, in West End Y.M.C.A., when it was decided to enter the Junior T. P. A. and Juvenile League. A practice will be held on Saturday afternoon, when all players an dthose wishing to join are requested to turn out in uniform.

The executive of the Toronto Football Association met in the Y.M.C.A. last night, to arrange for the spring reorganization. Nothing definnite was decided, but the committee will meet again next Wednesday. The juvenile league championship of last fall,which was never definitely decided, will be dealt with, and the three interested teams—Broadviews, Capitals and Eurekas—are requested to have two delegates present.

Toronto Harriers' Association.

The second annual meeting of the Toronto Harriers' Association will be held at Walmer-road Church Young Men's parlors on Thursday, April 13. The association has decided to carry on intermediate running only this season. Any young club thinking of entering a team are specially invited to be present; also all of last year's members. The meeting is called for 8 o'clock.

The West End Y.M.C.A. Harrier Club will hold a very important meeting of the executive to-night at 8 o'clock. All members are requested to be present, as business of importance will be transacted.

Lacrosse Points.

A junior lacrosse club has been organized in Shelburne, with the following officers: Hon. president, D. McCartee; president, W. J. Sawyers; vice-president, N. Fisher; secretary, W. Gallagher; treasurer, N. McCutcheon; committee of management, B. Calbeck, W. Gallagher, N. McCutcheon; captain, D. McKitterick. Bert Calbeck and N. McCutcheon were appointed as delegates to go to a meeting to be held at Dundalk for the organization of a league.

Jack Kearns of last year's Fergus Thistles is a candidate for the C.L.A. council of 1905. He will be nominated by the Arthur Lacrosse Club.

Orillia has no lack of playing material and the club will probably have intermediate and junior teams in the C.L.A. series.

All members of the West End Y.M.C.A. who are interested in lacrosse are requested to meet in the parlor Friday vening, April 7, for the re-organization of the club. Good grounds have been secured and prospects are bright for the season.

Sporting Notes.

Jack Blackburn knocked out Dick Fitzpatrick of Chicago in two rounds at South Sharon, Pa., on Tuesday night.

Evidently the proposed match between Joe Gans and Willie Lewis will have to be sidetracked, for according to a despatch from San Francisco Gans and Battling Nelson are to meet in that city the latter part of this month before the Hayes Valley A. C. Leo Levy of that club has secured a permit for the struggle.

Fred Thompson, who for some years has been the coach of the Argonaut eights and fours, and has been eminently successful, as the results show, will, it is stated, leave Toronto this spring or early summer to try his fortune in the west.

A San Francisco despatch says: Rodenbach, who previous to the last national championship held at St. Louis, was the possessor of the amateur heavyweight boxing title, has been matched for a contest with Sam Berger, the present holder of the title. The battle will take place before the San Francisco Athletic Club on the night of May 16. The men have met before, and Rodenback was given the decision after a hard-fought contest. Since his meeting with Rodenback, Berger has gained experience and confidence.

Football Notes.

The Toronto Juvenile Football League would like to hear from one more team, to organize a four-team league for the spring series. Any team wishing to join should make application at once, as the schedule will commence April 15. A meeting will be called on Monday next. Address E. Penny, 197 Montrose-avenue.

Two senior games of Association football are booked for the Parkdale Albions for Saturday at Stanley Barracks. The first is with the City Teachers at 2 o'clock. The second is with the Stanley Barracks team at 4 o'clock. All the boys are requested to be on hand and to be there early, as they will all get a try out in the two games.

Work at Valley Farm.

Hamilton, April 6—A small party from Toronto and Hamilton were the guests of William Hendrie, jr., yesterday to luncheon at the Valley Farm, and to witness the exercise gallops of the thorobreds who are to carry the famous brown and yellow colors this season.

The first set worked were the 3-year-olds and upward division, headed by that good colt Scarfell.

The next were the 2-year-old division, consisting of seven very promising colts and fillies. They were all trotted and cantered a mile and a quarter and then breezed an eighth.

Trainer Bill Mosby, his foreman, Jack Dickson, and head lad, George Crawford, were happy, and thoroly well pleased with the present condition and smooth appearance of the 2-year-old strings. The private track is in splendid condition, being dry and safe all over.

Light Brigade, the king of the stable, is receiving a special slow preparation by himself.

Nimble Dick is loafing in his loose box, having injured one of his tendons some weeks ago while taking road work. This let up will exclude him from being a starter in the early events.

As soon as Woodbine track becomes good and safe, Trainer Mosby will ship the entire outfit to Toronto.

Open Air Horse Parade Association

A meeting of the directors of the Open Air Horse Parade Association will be held at the King Edward Hotel, Toronto, on Tuesday, April 11, 1905, at 8 o'clock.

Gossip of the Turf.

S. C. Hildreth's application for reinstatement as a trainer on the tracks of the Jockey Club has again been denied by the New York Jockey Club stewards.

Jockey James Cocolo, who was thrown by Top Gallant at Memphis on Tuesday, was not thought to be seriously hurt at the time, but he was removed to St. Joseph's Hospital, where he has remained in an unconscious condition since. It is feared that he has suffered concussion of the brain, and that death will result. He is a southern rider.

While schooling The Rival over the jumps, former Jockey Sam Higgins was thrown and seriously injured at Montgomery Park Wednesday morning. The boy's left leg was broken and he was removed to an hospital.

Secretary W. P. Fraser of the Ontario Jockey Club has up to date received the following requests for stable room at the Woodbine for the spring meeting from American owners: W. Jennings, 10 horses; G. Gray, 3; J. Pangle, 7; W. all, 10; R. L. Baker, 1; R. J. Miller, 5; K. Mannix, 3; A. H. Connell, 3; Theo Coles, 10, and W. Oliver, 5.

There are now over a hundred horses at the track or in the vicinity of Woodbine Park, and they have begun working out.

Courtown was destroyed at the Brookdale stables of N. Dyment this week. He was the sire of some of the best racing stock in Canada, including Sapper, the winner of the King's Plate. This celebrated horse was eighteen years old and became dangerous and unmanageable with advancing years.

Charlie Phair sent Testa, the King's Plater, a quarter yesterday afternoon in 28 seconds, which is the first trial of the year at Woodbine Park. The track is drying out fast and soon will be in shape for mile trials.

The great majority of the horses to visit Woodbine will not come to Toronto until after Pimlico, the Baltimore meeting following on the heels of Bennings.

Liederkranz Bowling Tourney.

There were few high scores made in the opening night's rolling in the Toronto League tournament at the Liederkranz. Patsy Patterson, handicap 93 at 150, was the top-notcher of the evening, with 1260 as his total. The scores, inclusive of handicap, follow: J. "For chasing away the 'blues,' for clearing the brain of dust and cobwebs, for developing buoyancy, cheerfulness, and the spirit of bonhomie and good will toward all the world, I know of nothing more effective than a spin on a bicycle on a broad, level road in the open country."

The Editor of Success has a pretty good idea of how useful the bicycle is in these strenuous times. Exercise now, must be worked in as part of the day's necessities without breaking into the day's work. So it is that a trip to and from the office gives you that exercise your health demands and besides save time.

At the meeting of the Sunlight Senior Baseball League held last night the league constitution and the schedule were adopted. The league will open on April 29 and will include games for the morning of May 24. Saturday, July 1, is left as an open date, as most of the teams have arranged for out-of-town games.

The Wellesleys asked for and were given permission to transfer their franchise to the champion Marlboro Club, an arrangement that was ratified by the league.

Now that the City Amateur League has decided to play at Diamond Park a senior league has been proposed, with teams representing the four adjacent hostelries, to play at Stanley Park, and a meeting of delegates from Kennedy's, Mrs. White's, the Jersey Hotel and Bears' will be held early next week, to take preliminary steps towards organization.

Brockville in New League.

Brockville, April 6.—Baseball circles in Brockville this season will be represented by the Mascots, a strong amateur team. At the annual meeting last night it was decided to move at once towards forming a league with Lyndhurst, Athens, Smith's Falls and Ogdensburg, N. Y. Arthur Fowler was elected manager, and the captains selected the first few practices, which will be initiated Saturday next.

Professional Baseball.

The opening practice of the Toronto Baseball Club was held Thursday morning at Diamond Park. Those out were: Pitchers Currie, Leary and Wade, Catcher Toft, Infielder Hooper and Outfielders Harley and Murray. The weather conditions were hardly favorable, and little real work was done, a start, however, was made. Wade and Hooper are both of small stature; they did not let themselves out Thursday.

Manager Harley has returned; he came unaccompanied but states that two first-class men will be here in a week. Fuller and Toft will do the backstopping, and Applegate is expected here in a week or two.

Practices will be held twice a day—morning and afternoon—from now on.

Pitcher McGeehan arrived in town Thursday afternoon, and Carr and Rapp came in late last night.

The Toronto delegates returned yesterday from the league meeting. Secretary-treasurer Jess Applegath said the opposition to President Powers fell very flat. Mr. Alipegath was surprised on learning that the drafted schedule was given out here before being revised and adopted. He did not know who made the blunder, but it only goes to show the capability of the board under whose auspices Toronto is to receive its high class ball the coming summer.
