LISTOWEL STANDARD.

FRIDAY, MAY 19, 1882.

TOWN AND COUNTRY.

THE employees of Hess Bros. furniture manufactory have organized a base-ball club.

MR. DUNLOP was in town last week delivering parts 7 and 8 of "Picturesque Canada."

CIRCUS.—The Great Eastern Circus will likely visit Listowel in the course of its peregrinatiods through the province.

THE railways will issue return tickets to all stations at single fare on the 24th, and at a fare and a third to include the 25th.

MR. J. S. DRAPER, son of George Draper, Esq., passed his second year examination in the Faculty of Medicine at the University of Toronto very successfully.

MR. JOHN LIVINGSTONE, SR., leaves on on Monday next on a visit to the old land. Mr. Jas. Hutton, of Mornington, will accompany him. We wish them a safe and pleasant journey.

DISSOLVED.—Drs. Dillabough & Dingman have dissolved partenership. Dr. Dingman will continue to practice here. Dr. Dillabough, we understand, has not as yet decided upon a location.

ADJOURNED.—Owing to the absence from town of Mr. B. B. Sarvis, theleader of the Listowel Choral Society, the Society has adjourned until that gentleman's return, which will probably be in about two months.

MR. JOHN MCDONALD, formerly a resident of this town, has returned, and intends farming on a small scale, having purchased the property of Mr. Jacob Loree on the south side of the town,containing eight acres.

PIC-NIC.—The little folks of Christ Church Sunday School will pic-nic on the green surrounding the Church on the afternoon of the 24th. Should the weather-prove unfavorable, the entertainment will take place in the Church.

TEAS! TEAS!—The cheapest stock of Teas ever offered to the public just to hand at J. S. Gee's. Teas ranging in the following prices: 21c., 25c., 30c., 40c., 50c., 60c. and 75cts. per lb., in Green,Japan,Japan dust and Black. Every one should see these Teas. Having bought very heavy, I am prepared to sell very close.
J. S. GEE.

FIREMEN'S TOURNAMENT.—Brantford intends celebrating its fifth anniversary as a city on the 31st inst. with a firemen's tournament. The fire brigades and brass bands of Western Ontario are invited to be present. The fare from Listowel and return will be $1.50.

A RESIDENT ABROAD.—The Brandon *Sun* has the following: "The firm of R. H. Myers & Co. has been dissolved by mutual consent, and Messrs. A. F. McLaren of the old firm and Col. D. D. Campbell have formed a new alliance for the transaction of estate business. Whom the world knows and no one dislikes needs no commendation."

TRUSTEE ELECTION.—The vacancy in the representation of the West Ward on the Public School Board has been filled by the election by acclamation of Mr. A. Little, G. W. R. station agent. No better choice could have been made. Mr. Little has served several years on the Board, and makes an excellent trustee.

THE 24TH.—The celebration of Her Majesty's birthday in Listowel will consist of the usual order of such celebrations. In the morning a base-ball match will be played in the agricultural park, and in the afternoon races and games will take place in the driving park under the auspices of the Driving Park Association. The town band will he present.

THE next G. W. R. Special Train to Manitoba will leave on Tuesday the 23rd May, for Winnipeg and Brandon. Extra accommodation will be provided for families who have been detained here on account of the floods. An experienced officer of the Company will accompany passengers through to destination. THIS SPECIAL WILL GO BY ALL-RAIL VIA CHICAGO. For information and tickets apply to J. Livingstone, Jr., Town Agt.

FROM LAKE TO LAKE.—The work of ballasting the section of the Erie & Georgian Bay Railway north of Chesley is being pushed forward rapidly. It is expected that the road will be open to Wiarton within four or five weeks. It is the intention of the company to inaugurate the opening with a fitting celebration. Excursion trains will be run from lake to lake.

CONSERVATIVE ASSOCIATION.—A meeting of the Listowel Conservative Association will be held on Monday next, at one o'clock,p. m.,to elect delegates to attend the Convention at Stratford on the 26th inst. The meeting will be held in the hall over Livingstone's drug store. We trust that there will be a good representation of members.

CORNER STONE.—The ceremony of laying the corner stone of the new German Lutheran Church in this town will take place on Monday,29th inst. Several ministers from a distance are expected to be present. The congregation will meet in the town hall at 2 p. m., and proceed to the site of the new church. The ceremony will be followed by addresses from the clergymen and others present.

THE ninth annual meeting of the London Conference will be held in the Methodist church, Woodstock, on Wednesday, the 7th day of June. The Stationing Committee will meet in the school-room of the same church on Tuesday June 1st. The public services will be held on Sundays, June the 4th and 11th. The anniversary meetings will commence on Tuesday, June 6th,and a reception of candidates for the Ministry will be held June 6th.

A CRICKET club has recently been organized at Brandon, with T. M. Daly jr., as president, and Col. D. D. Campbell as 1st vice-president. We also notice that at a recent meeting held in Brandon to organize a town band, the chair was occupied by Mr. Winter, while Col. D. D. Campbell acted as secretary. Which leads us to enquire if Brandon has been gerrymandered into Perth. At all events that wonderfully go-ahead town includes among its leading citizens not a few of this county's former inhabitants.

RECREATIVE SPORTS.—A meeting of the young men of the town was held in the town hall on Monday evening to consider the advisability of organizing a club —cricket, base-ball, or lacrosse—for furnishing recreative amusement during the summer evenings. After the merits of the different games had been pretty fully discussed, a majority of the meeting declared in favor of base-ball. A club was accordingly started, with a good membership. The boys meet for practice in the agricultural park. The "ball has been set rolling" with considerable enthusiasm,and no doubt Listowel will soon have a "crack" club.

MR. R. CHRISTIE, who recently sold his fine farm in Elma with the intention of settling with his son in the far west, has returned. He has come to the conclusion that Canada is preferable to the States, and intends remaining here. In this conclusion he has the sympathy of his "better half," as it would take a pretty large bounty to induce Mrs. Christie to leave the land over which the Union Jack waves. Mr. C. is going into bee-keeping.

FOR THE NORTHWEST.—The first Manitoba special on the G. W. R. since the suspension of traffic by the floods in the Northwest left here on Tuesday morning. Quite a number took passage at this station and at Newry. The following are the names of those who left by the special, also of those who went by regular G. W. R. trains the week previous: Miss Jennie Wilson, Mr. H. Moore and family, Jno. Lanber, R. J. Dowd and family, Peter Mitchell, Hugh Cunningham, W. Freeborn, Jas. Burrows, H. Burrows, Miss Collins, Miss Bell, Robt. Bell, Wm. Bennett, Mrs. S. McLean and family, Thos. Bunce, Mrs. Bunce, Mrs. Joseph Bunce, Miss Bunce, Samuel Moore, and others. The freight belonging to above passengers, consisting of five cars, left the Thursday previous. The next G. W. R. Manitoba special will leave on Tuesday, 23rd inst.

STRATFORD *Herald*: In consequence of the appointment of an Inspector for all the Roman Catholic Separate Schools the duty of County Inspectors in this particular has ceased. This will affect two schools in the county of Perth, one in the Gore of Downie and the other in Ellice. The Separate Schools in towns are not under the supervision of the County Inspectors. It is quite possible that the Inspector of Separate Schools may succeed in getting more Separate Schools formed in this county, in which case the number of Public Schools would be so reduced, that one Inspector would be sufficient for the whole county. At present the number of Public Schools is only slightly in excess of the 120, which the law allows to be placed under the supervision of one man. Of course there are four towns in Perth, three of which have the right to place their schools under the County Inspectors, and that would place the number far above 120. All these matters will no doubt be fully considered at the June session of the County Council.

"ONPLEASANTNESS."—Mr. Stewart, sewing machine agent, if reports be correct, has been treating his better half anything but kindly lately. For some time past the latter's health has been poorly, and this fact does not appear to have awakened any sympathy in the heart of her stern load, for notwithstanding her enfeebled condition it is said that Stewart treated her so illy that she was obliged to send for her brother, who was in Chicago, to come and nurse her. As her brother's presence did not improve the temper of her husband, she resolved to leave him, and on Tuesday, while Stewart was absent, she and her brother took their departure. Upon returning and finding them gone, Stewart procured a warrant for their arrest, but we believe was unsuccessful in his attempt to overtake them. As the affair became known, a strong feeling was created against the brutal husband. Wednesday evening a number a young fellows collected in front of Stewart's residence, and expressed their indignation by burning him in effigy. That he escaped tar and feathers is something for which he may be thankful. We understand that he took the hint, and has "got up and got" out of town.

FALSE ARREST.—Mr. Wm. Beattie, a young man who is well known and highly respected in this vicinity, had a rather unpleasant experience recently. Mr. Beattie has been engaged, up to about a fortnight ago, in purchasing railroad ties in this neighborhood. Having suspended operations in that line, he left here with the intention of seeking employment on the Canada Southern Ry.,And accordingly went to the headquarters of that road at St. Thomas. Imagine his surprise when shortly after reaching there he was taken into custody and lodged in the St. Thomas gaol on suspicion of being the party who had committed a burglarly a night or two previous at Aylmer. It appears that the description given of the real burglar corresponded with Mr. Beattie's appearance altogether too closely to be desirable. It might be mentioned that Mr. Beattie is about six feet four inches in height, and as the burglar is said to have been a tall man also,the police possibly felt it to be their duty to arrest the first six-foot stranger they came across; Mr. Beattie,therefore, upon making his appearance in the city of the doubting apostle, was at once pounced upon and led off to the bastile. Here he remained incarcerated for several days, until his friends here had been apprized of his arrest, and an affidavit had been forwarded to St. Thomas testifying that Mr. Beattie was in Listowel on the night that the burglarly was committed at Aylmer. The affidavit was accompanied with a certificate of good character signed by a number of our citizens. He was then released. If he should chance to meet the "fellier that looks like him," he would probably be inclined to take some satisfaction out of him for the trouble which he was the means of bringing upon him.

NOTICE.—Owing to the bad state of the roads and the dullness of business,I have postponed the drawing of prizes until the first day of June next, when those holding tickets will not loose their chance of drawing a prize. I would also say to those who wish to purchase tea of the best quality, come along and give us a trial—over $250 worth of tea sold the last month, giving entire satisfaction.

Buy your tea at the Queen's Grocery, and get a ticket—prizes sure to be given. As there are some individuals who through jealousy are capable of doing anything to injure other men in business, I would just say to those who hold tickets, that if the prizes are not distributed, you are invited to come along and get your money back. This is a sufficient guarantee that we don't mean to humbug the public.
