Masonic Charity Ball.—On Monday evening last the Fraternity and their Guests gave a Masonic Ball in the newly erected Masonic Hall, at Hampton. The room was neatly decorated with flags and evergreens for the occasion, and crowded with a goodly company to celebrate the opening ceremony. Both city and country belles, which were numerous, vied with each other to lend enchantment to the scene. The entire evening was spent with the greatest harmony, and the dancing kept up until the rosy goddess unbarred the portals of the East. A bountiful supply of refreshments was served up during the evening. Much credit is due to the Stewards who superintended the arrangements.

Hampton is fast growing into an important village, and is much indebted to the young men of the neighbourhood for their public spirit in erecting a building that will be a great ornament to the place.

FINE HEAD OF HAIR,
THE BEARD, WHISKERS, AND MUSTACHIOS.

ROWLANDS' MACASSAR OIL

Is now universally known as the only article that can be depended upon for

The Growth, Restoration, and for Improving AND BEAUTIFYING THE HUMAN HAIR.

Proved beyond question by its occasional result, or more than many a curious test, and which every other special has failed. Experience is from fictitious offer to rising grey—strengthens weak hair, eradicates it from scurf and dandruff—and makes it beautifully soft, curling and glossy. It is equally in cases of baldness it produces the most rapid in the growth of Whiskers, the Beard, and Mustachios, it is unrivalled in its stimulative operation. For children it is especially recommended, as forming the basis of a fine set of head of hair. Individually every other article, from the Patronage of Royalty and the Aristocracy throughout Europe, which it has long been in universal field, with more and increasingly constantly rose well of its efficacy, and of its wonderful properties in the growth of the Hair, Rowlands' Macassar Oil, requires no further comment, but only that the public should be sure that it is genuine.

CAUTION.—In the wrapper of each bottle are the words—

ROWLANDS MACASSAR OIL, &c.

in white letters, and the signature, "A. ROWLAND and SONS," in Red Ink. Sold at 20, Hatton Garden, London, and by the trade and Perfumers.

SOUND AND WHITE TEETH
Are indispensable to PERSONAL ATTRACTION and to health and longevity, by the proper mastication of food.

ROWLANDS' ODONTO,
OR PEARL DENTIFRICE,

A WHITE POWDER, is composed of the Choicest almost recherche Ingredients of the Oriental Herbal. It extirpates all tartarous adhesions to the Teeth, and insures a PEARL-LIKE WHITENESS to the contoiled surface. Its astringent and anti-scorbutic properties create a healthy, healthful and salutary influence; they arrest the further progress of the decay of the Teeth, induce a healthy action of the Gums, and cause them to assume the brightness and colour in lieu of pale and spongy. While, by contrasting their adhesion to the Teeth, they give unlimited enjoyment and fresh zest to appetite, by imparting effective and complete mastication. The breath also, from the salubrious and disinfecting qualities of the Odonto, becomes a sweetness and fragrance truly grateful to its possessor.

As the most efficacious and fragrant aroma in purifying the Breath, Teeth, and Gums ever known, ROWLANDS' ODONTO has for a long series of years received a demand almost unknown for a Toilet Article of the Second Order in the Nobility throughout Europe, while the general demand for it at once announces the favour in which it is universally held. Price 2s. 9d. per Box.

CAUTION.—The words "ROWLANDS' ODONTO" are on the Wrapper, and "A. ROWLAND & SONS, 20, Hatton Garden," engraved on the Government Stamp affixed on each Box, by them, and by Chemists and Perfumers.

A MEDICAL REVOLUTION!
THE WORLD UNANIMOUS.
HOLLOWAY'S OINTMENT.
THE GREAT COUNTER IRRITANT!

The virus of disease often makes its way to the internal organs through the pores of the skin. This penetrating Ointment, melting under the hand as it is rubbed in, is absorbed through the same channels, and, reaching the seat of inflammation, promptly and invariably subdues it, whether located in the kidneys, the liver, the lungs, or any other important organ. It penetrates the surface to the interior, through the countless tubes that communicate with the skin as summer rain passes into the fevered earth diffusing its cool and regenerating influence.

SKIN DISEASES & GLANDULAR SWELLINGS.

Every species of exterior irritation is quickly reduced by the anti-inflamatory action of this Ointment. Angry Eruptions, such as Salt Rheum, Erysipelas, Tetter, Ringworm, Scald Head, Nettle Rash, Scabies (or Itch) &c., die out, to return no more under its application. Hospital experience in all parts of the world proves its infallibility in diseases of the skin, the muscles, the joints and the glands.

ULCERS, SORES, AND TUMORS.

The effect of this unrivaled external remedy upon Scrofula, and other virulent ulcers and sores, is almost miraculous. It first discharges the poison which produces suppuration and proud flesh, and thus the cures which its healing properties afterward complete are safe as well as permanent.

WOUNDS, BRUISES, BURNS, AND SCALDS.

In cases of the fracture of the bones, injuries caused by steam explosions, Bruises, Burns, Scalds, Rheumatism, Stiffness of the Joints, and contraction of the sinews, it is employed and warmly recommended by the faculty. This marvellous remedy has been introduced by its inventor in person into all the leading Hospitals of Europe, and no private household should be without it.

UNDENIABLE TESTIMONY.

The Medical Staff of the French and English Armies in the Crimea have officially signed their approval of Holloway's Ointment, as the most reliable dressing for sabre cuts, stabs, and gun-shot wounds. It is also used by the surgeons of the Allied Navies.

Both the Ointment and Pills should be used in the following cases:

Bunions,	Rheumatism,	Sore Throats,
Burns,	Ringworm,	Sores of all kinds
Capped hands,	Salt Rheum,	Sprains,
Chilblains,	Scalds,	Stiff Joints
Fistula,	Skin Diseases	Tetter,
Gout,	Swelled	Ulcers,
Lumbago,	Glands,	Venereal Sores,
Mercurial	Sore Legs,	Wounds of all
Eruptions,	Sore Breasts,	kinds.
Piles,	Sore Heads,
