PARLIAMENT OF CANADA.

[There was nothing of so startling a character in the remainder of the Ottawa despatch, a portion of which was published in a second edition yesterday, that the wires should have suspended. Sir John Macdonald reviewed his protest against casting imputations on members. Mr. Mackenzie appealed to the House to give the seat to the candidate who had received the greatest number of votes. Mr. Palmer made a logical argument against the legality of the course the Opposition were pursuing. Mr. Anglin asked the House to cast off all party feeling and vote with the Opposition! Sir John Macdonald made a good speech, full of legal points, which our telegram gave at some length. The result was detailed in our first telegram.]

Routine Business—A Newfoundland Railway Proposed—A Lien Law—

OTTAWA, March 20.

The business yesterday afternoon was merely routine work.

Mr. Domville presented petitions from Hall & Fairweather and others asking Acts of Incorporation for the Maritime Equipment Company, the Maritime Improvement Company, and the Maritime Warehouse Company. Mr. Cameron presented a petition against the return of Mr. Wilkes, member from Centre Toronto. Mr. Young introduced a Ballot Bill. Mr. Tilley said the amount of exchange sold on public account was $1,500,000, at 4 per cent. On the second deposit 5 per cent. had been received. He would present the financial statement of the receipts and expenditure between June and December last, not included in the public accounts report.

Mr. Cartwright moved for a select committee to consider the best route for the carrying of mails and passengers, between Canada and Europe. A railway across Newfoundland, and a line of steamers thence to Shippegan, connecting with the Intercolonial Railway, would, he contended, be the shortest route. Mr. Anglin would support any effort to secure such a route. He believed that Newfoundland would soon be in the Union. Mr. Kirkpatrick's resolution, declaring it expedient to pass a law giving mechanics or others a lien on vessels for debts due for labor or supplies, was carried, Mr. Domville in the chair.

The House adjourned at 6 o'clock.

PROVINCIAL LEGISLATURE.

Special Telegram to the Tribune.

HOUSE OF ASSEMBLY.

FREDERICTON, March 20.

The Provincial Secretary's budget speech occupied nearly all of yesterday afternoon's sitting. It was an able exposition of the financial situation, but the important facts have all been given to your readers in discussions on our want of Better Terms. The increase of the estimated expenditure from $483,077.48 to $503,352.35 was due to the following new calls on the revenue of the Province: Defence of Appeal to the Privy Council on the Common Schools Act, $3000; rescinding the debate contract, $1,450; Carleton Railroad Debentures, $5000; County Lines Surveys, $4,500; Steam Navigation, $2,500; bye roads, $7,000; making in all $24,450. Take these items out and there will be left the sum of $478-902.35, or upwards of $5,000 less than the contemplated expenditure for 1872 for similar purposes. Every item was necessary, and members knew well that that there were other services that needed money. He showed that the enforcement of the claims of Canada for interest on surplus debt would leave us in a bankrupt condition, and gave good reasons why the great road service cannot be left to depend on local taxation.

The House resolved that on Friday next it would go into Committee of the Whole on supplies.

The Attorney General laid before the House a copy of a despatch from the Right Hon. Secretary of State for the colonies in answer to a congratulatory address of the Legislature on the recovery of the Prince of Wales. Mr. Otty introduced a bill relating to the adoption of children. Hon. Mr. Crawford's Bill relating to County Courts was agreed to. Mr. Hanington presented a petition praying for the amendment of the Schools Act.

To-day's Proceedings.

The following bills were introduced: Crawford, a bill to indemnify the owners of Marsh and Intervale and other lands for damages caused by drawing logs and other lumber; Coram, a bill amending charter, enabling the City of St. John to make necessary repairs on Rodney Wharf, etc., and a bill enabling the City of St. John to sell and transfer stock held by it in the Carleton Branch Railway.

On motion of Hon. Mr. Crawford, Hon. Mr. Willis and Hon. Mr. Kelly were added to the committee on the Sussex Church bill.

The House went into further consideration on the Common Law Procedure Bill, and passed it to the 109th section, when progress was reported.

Mr. Tibbetts presented a petition favoring the division of Victoria County; and Mr. Gough, the petition of Alexander Christie and John Ferguson, against legislation affecting their claim against the Victoria Hotel Company under execution in the Sheriff's hands.

Hon. Mr. Willis's liquor bill was committed.

Mr. Maher moved in amendment that the hour of closing saloons be at 10 p.m. Alward and Maher opposed, and Hibbard, McQueen, Lindsay and Donald supported the bill. Mr. Donald was speaking when the House rose.

LEGISLATIVE COUNCIL.

Yesterday there were several petitions presented and one or two committee reports received. There was no business before the House.

To-Day's Proceedings.

Mr. Botsford took his place as Clerk this morning.

The House went into Committee on a bill for incorporating the Working Men's Benevolent Association of Chatham. Hon. Messrs. Hamilton and Seely doubted if there was not some other purpose than a benevolent one to be served, and feared it was for the purpose of a combination. Progress was reported.

The House in Committee agreed to a bill incorporating the Hopewell Freestone Mining Company.

Hon. Mr. McInerney presented the petition of Rev. John C. Murray and 268 others of Richibucto praying for amendments in the School Law.

Second Edition!

PARALIAMENT OF CANADA.

By Telegraph to the Tribune.

OTTAWA, March 20.

Mr. Mitchell has given notice of resolution declaring it expedient to have a salvage law for the whole Dominion, similar as far as possible to the Imperial law.

Mr. Joly gives notice of resolution that considering superannuation raised entirely from compulsory contributions taken from salaries of public officers, said fund should be devoted to benefit of said officers by applying it first to their personal relief, surplus to relief of their widows and orphans.

Rumored that Mr. Dodge has sued the *Globe* for libel; camages, fifty thousand dollars.

Latest advices from Sir George Cartier show improved health. He will leave for Canada next month.
