New York Sun for 1872.

TO ALL WHO CAN READ.

The New York Weekly Sun Doubled in Size without Increase in Price.

With the beginning of 1872, THE WEEKLY SUN has been doubled in size. It now contains eight pages instead of four, making it equal in dimensions to any other weekly secular journal published in this country. At the same time its price has not been increased. It will be furnished to subscribers at the uniform rate of one dollar a year for each copy. To this rate no exception will be made and no reduction will be possible, either to clubs or agents. Every subscriber who sends a dollar will receive a copy for a year.

While THE WEEKLY SUN thus furnishes as much reading matter as other papers published at double or treble the price, it will contain new features which will add greatly to its interest and value as a family newspaper. Its independence of opinion, and its unqualified hostility to Tweedism and Grantism, and every form of public robbery, bribery, and corruption, will be maintained, while in point of political news its readers may rely upon always receiving the most accurate, as well as the freshest, intelligence that can possibly be obtained. The enlargement enables us also to devote additional space to valuable agricultural intelligence, and to print interesting stories and romances more extensively than hitherto. For miscellaneous reading, presenting the quaint and humorous aspects of life, and for useful information respecting not only what takes place in this metropolis and this country, but in all other parts of the world, we now have ample room.

In its new form THE WEEKLY SUN is the cheapest paper of its class in the United States: and we appeal to such of our readers as approve its ideas and objects, and find it interesting and valuable, not only to renew their own subscriptions, but to recommend the paper to their friends and neighbors.

This year is destined to be a memorable one in the history of the country. We are on the eve of a most significant Presidential election, and political movements will for many months be watched with unusual interest. As a journal, free from the trammels of party, THE WEEKLY SUN will continue to uphold the principles of true republican government. Its readers are invited to sustain it in that work. The truth, irrespective of party prejudice or official influence, will always be told in its columns.

Terms of the Weekly Sun—

A journal containing eight large pages, published every Wednesday morning—To all mail subscribers, whether single or in clubs, *one dollar a year each,* always in advance.

DAILY SUN, by mail, 50 cents a month, or $6 a year.

YESTERDAY'S PROCEEDINGS.

FREDERICTON, March 27.

Train from St. John arrived last night at eleven o'clock, being the first since Saturday.

The Hon. T. R. Jones, Sheriff Harding, and E. Willis, M. P. P., were among the arrivals.

Gough resigned into the hands of Willis, the leadership of the Opposition, the cares of which he had assumed in the absence of the Leader.

Lindsay has also arrived. The lump raised over his eye by the seven and a half ounce cane of Myshrall has entirely disappeared.

The Grand Concert of the Young Men's Christian Association in the City Hall last night was well attended. His Excellency and Lady and members of the Legislature were present.

The members of the Provincial Board of Agriculture who have been snow bound since last week, left for home this morning.

Several inches of snow fell last night.

Tibbits introduced a bill to divide the Parish of Grand Falls.

Lindsay, a Bill to amend the Act of Incorporation of the Town of Woodstock.

Gough moved the House into Committee of the Whole on a bill to enable the Trustees of St. Andrew's Church to sell Manse lands in the Town of Chatham and re-invest the same. Agreed to.

Lindsay moved House into Committee on a Bill to amend Act 9th, Victoria, Cap. 22. It is a local act; and refers to the Town of Woodstock.

Hanington asked if it was the intention of the Government to subsidize a Ferry steamer to run across the river at Chatham.

Hatheway said the Government intended granting a subsidy to a steamer to run from Chatham to Douglastown, Newcastle, and the Intercolonial Railway.

House went into further consideration of Palmer's Bill to incorporate the Albert Railway.

A long discussion took place on the tariff, junction with other roads and rolling stock, between Gough, Hanington, Ryan, Palmer and others till one o'clock.

Bill was agreed to with certain amendments. Mr. Hanington was appointed on the Committe of Public accounts in place of Hibbard who has been absent.

Story of pending negotiations for evacuation of French Soil by German Troops is reasserted, and should they be successful dissolution National Assembly is predicted.
