GREAT ENGLISH REMEDY!!!—THE MOST VALUABLE SPRING AND SUMMER MEDICINE IN THE WORLD!

HALSEY'S FOREST WINE!

Patronized by the Nobility and Medical Faculty of England, and esteemed the most extraordinary Medicine of the Age.

MEDICINES containing Molasses or Liquorice, like the boasted Sarsaparillas, require many large bottles to prove the slightest change in health. The *Forest Wine* is altogether a different article. It contains no Syrups to give it a consistency, but acquires the excellent flavor and powerful medicinal qualities from the vegetable plants of which it is composed. The *Forest Wine* combines the virtues of the

WILD CHERRY, DANDELION, YELLOW DOCK, and SARSAPARILLA

With other valuable Plants whose properties are still more powerful.

Its high concentration renders it one of the most efficient Medicines now in use. Less than a single bottle restores the lingering Patient from weakness, debility, and sickness, to strong and vigorous health. Every dose allows its good effects on the constitution, and improves the state of the health. The *Forest Wine* is recommended, in the strongest terms, for all complaints of the

STOMACH, LIVER, KIDNEYS, NERVES, BOWELS, BILIOUS AFFECTIONS, DROPSY, DYSPEPSIA, LOSS OF APPETITE, JAUNDICE, FEMALE COMPLAINTS, SCROFULA, AND ALL DISORDERS ARISING FROM BAD BLOOD AND IMPURE HABIT OF THE SYSTEM.

SAVED FROM DEATH!!!

Ten Day of MR. NATHAN MATHEWS, *a highly respectable and wealthy citizen of Newark, N. J.*

DR. G. W. HALSEY:—I believe your Forest Wine and Pills have been the means of saving my life. When I commenced taking them, I laid at the point of death, with Dropsy, Piles, and Asthma. My Physicians had given me over as past cure, and my family had lost all hop of my recovery. While in this dreadful situation, your Forest Wine and Pills were procured for me, and before I had finished the first bottle of the Wine, and a box of Pills, I experienced great relief; my body and limbs, which were greatly swollen, became sensibly reduced. Hopes of my recovery began now to revive, and after continuing the use of your medicines for about a month, the Piles and Asthma were completely cured. The Dropsy, with which my life was placed in such great danger, was also nearly gone. I have continued the use of your Medicines until the present time, and I now enjoy as perfect health as ever I did in my life, although I am more than sixty years of age.

I ascribe my recovery entirely to the use of your excellent Medicines. Several of my neighbors have also used them with similar success in obstinate complaints, and I can cheerfully recommend them to the public.

Yours, respectfully,
Newark, Dec. 19, 1847. N. MATHEWS.

GREAT CURE OF LIVER COMPLAINT OF TEN YEARS STANDING!

NEW YORK, Jan. 9, 1848.

DR HALSEY—DEAR SIR:—Having taken your Forest Wine and Pills to remove a disease of the Liver, from which I have suffered severely for upwards of ten years; and, having adhered strictly to the directions which accompany the Medicines, I have recovered my health, notwithstanding all who knew me thought my case incurable. Previous to taking the Wine and Pills, I had recourse to the best medical treatment, but continued to grow worse to an alarming degree. Some of my friends spoke despairingly of my case, and tried to persuade me from making use of any other medicines; and, I doubt not, but what there are remedies, and, I doubt not, but what there are medicines, which are adapted from taking your excellent Medicines, in consequence of the deception and inefficiency of many advertised remedies put forth by unprincipled men, in flaming advertisements. But, what a pity it is that the deception used by such is should be the means of disuading many laboring under disease, from making trial and being cured by your excellent remedies. Humanly speaking, they have saved my life; when I commenced making use of them, I was in a wretched condition, but began to experience their good effects in less than three days; and, in six weeks from the time I purchased the Medicines, to the great surprise of all my friends, I was entirely cured, and had increased fifteen pounds in weight, having taken one box of the Pills and two bottles of the Wine. Would to God that every poor sufferer would avail himself of the same remedies!

Yours, &c., JAMES WILSON.

Dr. David Marvin, celebrated Practitioner of New York, declared publicly, that one bottle of Halsey's Forest Wine contained more virtues than fifty of the large bottles of Sarsaparilla. Messrs. S. S. Lampman & Co., the largest and most respectable Druggists in Syracuse, in a letter, says:—"From what they have heard and seen of Halsey's Forest Wine, it is an excellent and good Medicine, and will, undoubtedly, become the leading Medicine of the day." Dr. Mott, of New York, also subscribes to the virtues of Halsey's Forest Wine, by recommending it to many of his Patients.

☞ Seven hundred Certificates from Physicians, Clergymen, and individuals of known respectability, have been given, testifying to the great cures made by "*Dr. Halsey's Forest Wine and Pills.*" Among them is the cure of Mr. John Syms, of 525 Pearl Street, New York, cured of Affection of the Liver and bad Cough, after having been given over by his Physicians, who pronounced his case incurable Consumption. A child of Mr. William Bowers, Broadway, New York, who had been grievously afflicted with Scrofula, of four years standing, cured in less than six weeks time. Mary J. Brown, daughter of the Rev. James R. Brown, of Decease of the Heart and Incipient Consumption. Others of Jaundice, others of Piles, others of General Debility, others of Gravel, Female Complaints, &c., &c.

In all cases it never is without good the most pleasant results. Only a few applications only are necessary to keep the hair from falling out. It also gives a fine gloss, it never fails to impart a rich glossy appearance, and is a perfume for the toilet it is unequalled. It holds the place of all the hair oils, as other unscrupulous hair restoratives are, and is more effectual.

URQUHART'S
CONCENTRATED COMPOUND EXTRACT OF SARSAPARILLA,
OR VEGETABLE TREACLE OF JAMAICA SARSAPARILLA,
As ordered by the
Pharmacopœia of London College of Physicians,
PREPARED BY
ALEXANDER URQUHART,
AT THE
Medical Hall, 7, Great St. James' Street.

THIS Valuable Preparation has been before the public for many years, during which time it has been extensively used, and has proved empirically successful in all those diseases in which the Sarsaparilla is recommended by Physicians of the present day. It is very best Medicine for reconstituting the constitution after it has undergone the effects of Mercury. In the Spring of the year, the most marked effects have been produced by the use of Sarsaparilla; it is a concentrated form it does admirably with improvement in appetite and digestion, yet so delicate, as the powerful action of the active principle, in the shape of mild, and the pulmonic or, in some cases, cause to disappear at various morbid symptoms, as Eruptions, Ulcerations, Pimples of a Lymphatic nature, &c., &c.

Dr. McCulloch, Campell, McDonald, and Fraser, who have extensively used it in their practice, have kindly favored the Proprietor with the following Certificates:—

ALEX. URQUHART, Esq.:—DEAR SIR,—I have much pleasure in bearing testimony to the satisfactory manner in which you prepare your Fluid Extract of the Compound Decoction of Sarsaparilla. This I am enabled to do, on account of several of my patients having derived the greatest benefit from its use.

For Constitutional Syphilis and Chronic Rheumatism, I have prescribed it with the most marked effects. I can, therefore, without the least hesitation, recommend your preparation as one possessing all the Medicinal properties of the Compound Decoction of Sarsaparilla, while it is at the same time more palatable, and less apt to derange the Stomach. Your most obedient servant,

W. P. CLARK, M.D.,
Lecturer on Medical Jurisprudence, McGill College.

Montreal, 9th February, 1847.

MONTREAL, February 10th, 1847.

I beg to certify, that I have employed very extensively, the "Fluid Extract of Sarsaparilla" made by Mr. Urquhart, in all those diseases in which that Medicine is usually prescribed, and that I have found it a most valuable preparation. I can, moreover, state, from personal inspection, that the Proprietor employs none but the purest ingredients, and bestows the greatest care and attention upon the mode of preparing this remedy.

ROBERT M. DONALD, M. D.,

Physician to the Montreal General Hospital.

Mr. Urquhart's Sarsaparilla is the only preparation of this valuable Medicine that I can, with entire confidence, recommend to my patients.

From Edward Brinley, Esq., No. 3, South side Faneuil Hall, Boston.

BOSTON, Jan. 18, 1849.

DEAR SIR: Having for some time purchased of your agent the article of hair restorative prepared by you, and having found it the most valuable preparation for the hair, in my estimation, ever offered the Public, I feel it a pleasure, as well as a duty, to offer you my humble testimonial as to its worth, begging you to make such use of it as may seem best to you.

The public has long been deluded and imposed upon, and *still are*, by thousands of nostrums, promising a benefit to the hair, whilst they have proved but an injury. But the article you have produced, I feel a pleasure in saying, is the most agreeable preparation for dressing the hair, and keeping it in a healthy, vigorous condition, that I have ever known. And wishing you that full success in its sale which its merits so fully and pre-eminently entitle it to, I am, dear sir, very respectfully, your obedient servant,

EDWARD BRINLEY.

MOFFAT'S Life Pills and Phœnix Bitters.

These Medicines have now been before the public for a period of FIFTEEN YEARS, and during that time have maintained a high character in almost every part of the globe for their extraordinary and immediate power of restoring perfect health to persons suffering under nearly every kind of disease to which the human frame is liable.

IN MANY THOUSANDS

of certificated instances, they have even rescued sufferers from the very verge of an untimely grave, after all the deceptive nostrums of the day had utterly failed; and to many thousands they have permanently secured that uniform enjoyment of health, without which life itself is but a partial blessing. So great, indeed, has their efficacy invariably and infallibly proved, that it has appeared scarcely less than miraculous to those who were acquainted with the beautifully philosophical principles upon which they are compounded, and upon which they consequently act. It was to their manifest and sensible action in purifying the springs and channels of life, and enduing them with renewed tone and vigor, that they were indebted for their name.

Unlike the host of pernicious quackeries which boast of vegetable ingredients, the LIFE MEDICINES are purely and solely vegetable; and contain neither Mercury, nor Antimony, nor Arsenic, nor any other mineral, in any form whatever. They are entirely composed of extracts from rare and powerful plants, the virtues of which, though long known to several Indian tribes, and recently to some eminent pharmaceutical chemists, are altogether unknown to the ignorant pretenders to medical science; and were never before administered in so happily efficacious a combination.

The first operation is to loosen from the coats of the stomach and bowels the various impurities and crudities constantly settling round them; and to remove the hardened feces which collect in the convolutions of the small intestines. Other medicines only partially cleanse these, and leave such collected masses behind to produce habitual Costiveness, with all its train of evils, or sudden Diarrhœa with its imminent dangers. This fact is well known to all regular anatomists who examine the human bowels after death; and hence the prejudice of those well informed men against the quack medicines of the age. The second effect of the VEGETABLE LIFE MEDICINES is to cleanse the kidneys and the bladder; thus, by this means, the liver and lungs, the healthful action of which entirely depends upon the regularity of the urinary organs. The blood, which takes its red color from the agency of the liver and lungs, before it passes into the heart, being thus purified by them, and nourished by food coming from a clean stomach, courses freely through the veins, renews every part of the system, and triumphantly mounts the banner of health in the blooming cheek.

The following are among the distressing variety of human diseases in which the VEGETABLE LIFE MEDICINES are well known to be infallible:

DYSPEPSIA, by thoroughly cleansing the first and second stomachs, and creating a flow of pure healthy bile, instead of the stale and acrid kind; FLATULENCY, *Loss of Appetite, Heartburn, Headache, Restlessness, Ill-temper, Anxiety, Languor*, and *Melancholy*, which are the general symptoms of Dyspepsia, will vanish, as a natural consequence of its cure.

Costiveness, by cleansing the whole length of the intestines in a gentle and natural process, and without violence; all violent purges leave the bowels costive within two days.

Diarrhœa and Cholera, by removing the sharp acrid fluids by which these complaints are occasioned, and by promoting the lubricative secretion of the mucous membrane.

Fevers of all kinds, by restoring the blood to a regular circulation, through the process of perspiration, which cures them, and the thorough solution of all internal obstruction in others.

The Life Medicines have been known to cure RHEUMATISM permanently in three weeks, and GOUT in half that time, by removing local inflammation from the muscles and ligaments of the joints.

Dropsies of all kinds, by freeing and strengthening the kidneys and bladder: they operate most delightfully for this important organ, and hence have ever been found a certain remedy for the worst cases of GRAVEL.

Also Worms, by dislodging from the turnings of the bowels the slimy matter to which these creatures adhere.

Asthma and Consumption, by relieving the air-vessels of the lungs from the mucous which even slight colds will occasion, and which, if not removed, becomes hardened, and produces these dreadful diseases.

Scurvy, Ulcers, and Inveterate Sores, by the perfect purity which these LIFE MEDICINES give to the blood, and all the humors.

Scorbutic Eruptions and Bad Complexions, by their alterative effect upon the fluids that feed the skin, and the morbid state of which occasions all eruptions, complaints, sallow, cloudy, and other disagreeable complexions.

The use of these
