VARICOSE VEINS CURED

NO NAMES USED WITHOUT WRITTEN CONSENT.

Confined to His Home for Weeks.

"Heavy work, severe straining and evil habits in youth brought on Varicose Veins. When I worked hard the aching would become severe and I was often laid up for a week at a time. My family physician told me an operation was my only hope—but I dreaded it. I tried several specialists, but soon found out all they wanted was my money. I commenced to look upon all doctors as little better than rogues. One day my boss asked me why I was off work so much and I told him my condition. He advised me to consult Drs. Kennedy & Kennedy, as he had taken treatment from them himself and knew they were square and skillful. I wrote them and got THE NEW MERMON TREATMENT. My progress was somewhat slow, and during the first month's treatment I was somewhat discouraged. However, I continued treatment for three months longer and was rewarded with a complete cure. I could only earn $12 a week in a machine shop before treatment, now I am earning $21 and never loose a day. I wish all sufferers knew of your valuable treatment.

MARCH WEATHER RHEUMATIC WEATHER

Victims Can Cure Themselves With Dr. Williams Pink Pills.

With the coming of March people who are afflicted with rheumatism begin to have unpleasant reminders of their trouble. The weather is changeable--balmy and springlike one day, raw, cold and piercing the next. It is such sudden changes of weather that sets the pangs and tortures of rheumatism, lumbago and sciatica going. But it must be borne in mind that although weather conditions start the pains, the trouble is deeply rooted in the blood, and can only be cured through the blood. All the lotions and liniments in the world can't cure rheumatism. Rubbing may seem to ease the pain while you are rubbing, but there its value ends. Only through the blood can you cure rheumatism. That's why Dr. Williams' Pink Pills have so many thousands of cures of this trouble to their credit. The new, rich blood which they actually make drives out the poisonous acid and rheumatism is vanquished. Among many sufferers from rheumatism who have been cured by this medicine is Miss Mary B. Kelly, South Dummer, Ont. Miss Kelly says: "Some time ago I had a very bad attack of rheumatism. At times I would be confined to bed for a couple of days and would seem almost paralyzed with the intense pain in my back and legs. At such times I could not walk and my joints were stiff and swollen. I consulted different doctors and took their medicine, but did not get more than temporary relief. At this time a neighbor advised me to try Dr. Williams' Pink Pills and I got a supply. After taking a few boxes I found they were greatly helping me. and I continued their use until the trouble completely disappeared. I can strongly recommend this medicine to others who suffer as I did from the pangs and tortures of rheumatism."

If you suffer from rheumatism, or any other disease of the blood, begin to cure yourself to-day with Dr. Williams' Pink Pills. Sold by all medicine dealers or by mail at 50 cents a box or six boxes for 2.50 from The Dr. Williams' Medicine Co. Brockville, Ont.

CAINSVILLE.

(From our own correspondent.)

The services on Sunday were conducted by our pastors, Rev. Mr. Morrow preaching an excellent sermon in the morning on the last clause of Joshua 23: 31. Rev. Mr. Cook delivered a very able sermon in the evening his address being based on the verse found in Phil. 4: 8.

A very interesting service was held at the League on Monday night, a debate being the chief feature of the programme. The debaters on the affirmative side were Mrs. Cook and Mr. Lew Smith, those on the negative side being Mr. Earl Simpson and Mr. Oscar Pierson. The subject of the debate was: "Resolved that fashion is an evil." The speakers on both sides acquitted themselves very creditably, but the judges, Miss Neelands, Miss Gladys Woltz and Mr. Herb Sumler, gave their decision in favor of the affirmative. A piano solo was given in good style by Miss Margery Davidson. Mrs. Wilson rendered a solo in sweet voice.

A very pleasant surprise party was given at the home of Mr. and Mrs. Marshall last Monday evening when a number of their neighbors assembled to spend the evening with them prior to the departure of Mr. and Mrs. Marshall to their new residence in Echo Place. During the course of the evening the hospitable host and hostess were presented with a handsome leather oak rocker showing the high esteem in which they are held by their friends among whom they have spent many years.
