The Right Way to Boil Potatoes

Put the potatoes in an SMP Enameled Potato Pot. Cover with water. Add salt to taste. Boil until soft. When finished, drain off all the boiling water through the strainer spout. No danger of steam scalding the hands because the handle securely locks the cover on. If your family uses potatoes, you require one of these.

Blemishes of the Skin

Are Proof the Blood is in a and Watery Condition

One of the surest signs that the blood is out of order are the pimples and unsightly eruptions that break out on the face or body. The same condition is indicated by an attack of eczema or scrofula. You cannot get rid of these troubles by the use of purgative medicines, as so many people try to do. Purgatives merely gallop through the system and leave it still weaker. What is needed when the blood is shown to be out of order is a tonic which will restore its missing elements and leave the blood rich and red. For this purpose there is no other tonic can equal Dr. Williams Pink Pills, every dose of which helps enrich the blood, drives out impurities, and brings a new feeling of health and energy. Mrs. R. E. Bishop, Hawthorne Ave, Hamilton, Ont., tells for the benefit of others what these pills did for her. She says:—"I was suffering terribly from scrofula. I doctored with several doctors, but without success. My complexion was sallow, I had no strength, feeling very weak and languid. My neck was full of lumps called scrofula, and at times they were very painful. After trying several so-called blood medi-cines,, Dr. Williams' Pink Pills were recommended to me and I got half a dozen boxes. After taking them I found a decided improvement in my appearance, and to my joy the lumps were disappearing from my neck. I perserved in the treatment, and finally the only sign left of the trouble was a scar on my neck where one of the swellings broke. Since that time I have been in robust health and heartily recommend Dr. Williams Pink Pills to any suffering from impure blood."

You can get these pills through any medicine dealer or by mail at 50 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.

Cheapest of all Oils.—Considering the qualities of Dr. Thomas' Eclectric Oil it is the cheapest of all preparations offered to the public. It is to be found in every drug store in Canada from coast to coast and all country merchants keep it for sale. So, being easily procurable and extremely moderate in price, no one should be without a bottle of it. al4-m
