In the array of attractions that we present at the present time one scarcely knows what to mention first. Rev. J. K. Hestor and Dr. Cowan will do hospital duty next week.

Wm. Bell & Co.'s factory was shut down this morning to repair their engine.

Mr Jas. K. Cranston has given up the idea of publishing a new newspaper in Galt.

It is rumored that the city council last night it was decided to proclaim Monday, May 26th, a public holiday.

There was a very good attendance at the market this morning. Oats advanced a few cents and sold at from 32 to 34 cents.

The choir of the Norfolk street Methodist church will hold a sacred concert in that edifice in the course of a couple of weeks.

Mr. W. H. Wardrope, who sold his handsome residence on Liverpool street yesterday, will at once erect a more commodious house for his own use.

On Palmer street this morning Geo. Roberts' horse fell into the ditch in an exhausted condition. It was got up again with the aid of ropes and willing hands.

The probabilities read: Fresh to strong easterly winds; partly cloudy to cloudy weather; local rains, mostly in the southern portion; not much change in temperature.

Messrs. W. Bell & Co. are now prepared to tune and repair pianos. Any orders left at their office or at Kelly's music store will receive prompt attention. ds

The opening services in St. James' parish will be conducted to-morrow morning and evening by the Rev. Mr Belt. The use of the large hall in the Collegiate Institute has been secured for this purpose until a church is erected.

The Independent Order of Oddfellows will assemble at their lodgeroom to-morrow evening at 6.15 o'clock to march in a body to the Dublin street methodist church, where the annual sermon will be preached by the Rev. Mr. Turk.

The pulpit of the Congregational church to-morrow will be occupied by Rev. Mr. Smith, of Newmarket, editor of the *Canadian Independent*. His subject in the morning will be "The Right Use of Faculties and Opportunities," and in the evening "Getting Rid of Burdens."

The South Wellington license commissioners held a meeting in the Inspector's office on Friday afternoon, when it was decided to grant a license to Mr. Baker, of the Centre Inn. The application for a license for the hotel known as the Parke's house, Puslinch Lake, was refused.

The Bible Association of St. George's church will hold a tea and concert in the city hall on Tuesday evening, May 13th. An excellent program has been arranged for the occasion. Miss O'Connor, formerly directress of the choir of this church, will take part in the concert, and will no doubt receive a flattering reception from her old friends.

Mr. D. McKenzie, formerly of Puslinch, who attended the Guelph Business College during the past winter, has just entered the employ of Messrs. McArthur Bros., contractors, Belleville, Ont. The firm are now building a large section of the second track on the G. T. R. Mr. McKenzie's salary is one thousand dollars a year.

The Puslinch lake hotel promises to be a popular summer resort. Mr. Jake Laing, proprietor, now has the place fitted up in first-class style. The dancing pavalion will be a source of attraction for the young people, and no doubt many a pleasant hour will be spent there during the summer months. The little steamer has also been fitted up and a delightful sail can be indulged in by the frequenters of that resort.

Little George Froggett, the six-year old son of Mrs. Froggett, who lives just beyond the toll-gate, on Richmond street, London, met with a terrible misfortune on Thursday afternoon, from the effects of which he died a few minutes later. He had gone out to his grandfather's, in London township, and was playing around when he was kicked in the head by a horse, and had his brains knocked out. Mrs. Froggett has the sincerest sympathy of her friends in her sad bereavement.

CARPETS.—A large and varied assortment of Carpets cheap for cash at the Armstrong Carpet Works, Neeve street. d&wtf

LEAVING THE FORCE.—The Guelph police force is about to lose it oldest member. Sergt. Dooly has handed in his resignation, and will don civilian clothes on the 1st May. This gentleman has served 38 years as a police officer, and now resigns on account of infirmities, incumbent upon old age. He will take a couple of months' rest, after which he will follow other work.

GENERAL HOSPITAL.—The ladies of the Norfolk street Methodist church are taking a deep interest in matters connected with the General hospital. At the time the Victoria wing was erected apartments were furnished by these ladies. Now they have secured other rooms and are engaged furnishing them. When they are completed they will be among the most comfortable in the hospital.

LEG BROKEN.—A little fourteen-year-old son of Mr. Robert Parker, (Murton's oatmeal mill) met with a painful accident on Friday evening. He was playing at the Eramosa bridge, and climbed on the stone wall, when a stone gave way, and the boy fell to the ground, a distance of upwards of fifteen feet. When picked up his leg was found to be broken below the knee. A medical man attended to his injuries, and he is now doing as well as could be expected.

CONCERT.—Mr. Alfred Trevor's singing class had a very successful rehearsal last night for the concert to be given on Monday evening next. The concert promises to be of rare excellence. In the person of Miss Marie C. Strong, Guelphites will have the pleasure of hearing an old favorite vocalist. The *Mail* in speaking of a recent appearance in Toronto, says: "Miss Marie Strong achieved a marked success. She has a remarkably rich voice and in the cavitina Ah Quel Giorno, from Semiramide, surprised the audience by the extent of her capabilities in the way of vocalization. She received an enthusiastic encore and her triumph was certainly well deserved." Miss Kate Strong, the celebrated mezzo-soprano, will also take part, as will Mr. Will J. Rickaby. The local talent includes the following ladies and gentlemen, well-known to concert-goers: Mrs. Wilcocks, Miss Carrie Stevenson, Miss Maud Stevenson, Miss B. Chisholm, Miss Patterson, Miss Jessie Walker, Mr. Frank Brazor.

FOOTBALL.—A football match was played on the O. A. C. lawn on Friday afternoon between the Guelph Business College students and the O. A. C. students. The clubs were very evenly matched, and the game was stubbornly contested. G. Orton, for the Business College club, and after some fine play, was successful in scoring two goals. Lillie and Raymond also played a good game. For the O. A. C Bayne did some fine kicking, as did also Dobson (goal). When time was called the score stood 2 to 1 in favor of the Business College club. CITY COUNCIL.

A Short Session on Friday Evening.

An adjourned meeting of the city council was held on Friday evening. Present—His Worship Mayor Gowdy in the chair. Ald. Howard, Taylor, Mowat, Fischer, Kloepfer, Kerr, Kelly, Dowler, Kennedy, Palmer, Lamprey, Scroggie and Reid.

I. O. F. HIGH COURT MEETING.

A communication was read from Court Guelph, Independent Order Foresters, asking for the use of the city hall on Tuesday, August 12th, and three following days, to hold the High Court meeting.—Referred to Market committee.

WANT A NEW SIDEWALK.

Ald. Scroggie presented a petition from W. H. Jacomb and others, requesting the council to build a new sidewalk on the south side of Liverpool from Norfolk to Dublin street. The petition also requested that the sidewalk be placed outside the boulevard.—Referred to Board of Works committee.

QUEEN'S BIRTHDAY.

Ald. Scroggie presented a petition from G. B. Ryan and 85 others, requesting that Monday 26th May, be proclaimed a public holiday and that His Worship issue his proclamation for that day instead of Saturday, May 24.

Ald. Scroggie and Kerr moved that the prayer of the petition be granted.

Ald. Kelly said he heard from the manufacturers that it was a great loss to them when a Monday was a holiday. He thought that Saturday should be observed.

Ald. Scroggie said the petition was signed by all the manufacturers in the city. Saturday was the best day for business the merchants had. Other cities were going to have the holiday on the 26th May.

Ald. Dowler remarked that Hamilton had selected Monday, 26th for the holiday. He thought the feeling was largely in favor of that day.

The mayor stated that Mr. Rogerson had shown him the petition, and asked him if it were properly signed. He, the mayor, had looked over it, and found that there were no manufacturers on it. On mentioning this to Mr. Rogerson that gentleman took the petition away and secured the names of every manufacturer in the city.

The motion was then carried.

SIDEWALK EXTENSION.

Ald. Kerr presented a petition from John Ford and others, asking that the sidewalk be extended on Alma street to the boundary line.—Referred to Board of Works.

FINANCE.

Ald. Howard stated he was sorry to inform the council that he was not able to get his report ready for this meeting. He hoped however, to be able to get it ready by Tuesday evening next, and he would at the proper time ask for an adjournment to that date.

BOARD OF WORKS.

Ald. Kelly, chairman, reported: With reference to the petition of A. C. McLaughlan and others, for the removal and laying of a new sidewalk on Liverpool street, the same be referred to the aldermen of St. Andrew's ward.

The following accounts were recommended to be paid: Robert Stewart, $114.82; R. [illegible] Maddock, [illegible]nber, $13[illegible].—Adopted.

On motion of Ald. Howard and Lamprey, the meeting then adjourned till Tuesday evening next.

Special Business Notices.

John M. Bond & Co. have lately received a large shipment of garden tools, rakes, hoes, spades, shovels, forks, reels and wheelbarrows. Remember they are headquarters for these goods.

Baby carriages, express waggons. You will save money by going straight to Day's bookstore. Day buys in large quantities direct from the manufacturers and can sell about as cheap as small buyers can buy. Be wise and get the most for your money.

Shaw & Grundy would intimate the arrival of a large and varied assortment of English hats. All the latest spring styles.

Disappointed at not being able to open the store at No. 20 Wyndham street by last Saturday, I offer special discounts to all who purchase at No. 1 Wyndham street, by which time the stock will be removed as above. See advertisement. John Smith.

This is the cheap year for wall paper. The customs duty has been reduced, and prices in New York are low. Day has imported an enormous stock, the prices are away down, and he asks the economical housekeepers to call and examine his new patterns and low prices, knowing that he can suit them better than any man in town at Day's bookstore

CONSERVATIVE NOMINATION.

A Rousing Meeting Held in the City Hall.

COL. MACDONALD THE CHOICE

A rousing meeting of the Liberal Conservative Association of South Wellington was held in the city hall this afternoon, for the purpose of nominating a candidate to contest this riding at the approaching election. There was considerable enthusiasm manifested, and the proceedings passed off harmoniously.

On the platform were seated: Thos. Goldie, president; E. O'Connor, secretary; M. Sweetnam, Chas. Raymond, Col. Macdonald and F. J. Chadwick and J. F. Kidner. Among those present were: Dr. Henry Hewitt, Chas. Davidson, Ald. Kerr, T. P. Coffee, Jas. Anderson, Chas. Pettiford, Geo. Thompson, Jno. Moore, H. Gummer, A. E. Lyon, P. McGarr, M. Conway, F. J. Chadwick, Jas. Heffernan, W. Jenkinson, W. Newstead, M. Jones, Capt. Kennedy, Walter West, J. W. Knowles, Ald. Taylor, J. H. Hamilton, W. Slater, J. Worsfold and M. Caraher.

THE PLATFORM.

The following resolution was put to the meeting and carried unanimously:

Moved by F. J. Chadwick, seconded by Mr. Sweetnam, that at this meeting of the Liberal Conservative Association of the south riding of the County of Wellington assembled on the eve of a general election for the Province of Ontario, we desire to express our unbounded confidence in W. R. Meredith, M. P. P., Q. C., and our cordial approval of his course in the Legislative Assembly.

That the liberal spirit of the age is in full accord and sympathy with the views which were so ably and so eloquently expressed by Mr. Meredith in his great speech delivered at London, which declared the policy of our party. That the fairness and honesty of purpose so enunciated commends itself to every liberal minded man and we accept and endorse that policy.

NOMINATIONS.

The following gentlemen were nominated as candidates in the Conservative interests:

Dr. Howitt, nominated by M. Sweetnam, seconded by Mr. Walter West.

Mr. Sweetnam, nominated by Mr. E. Thompson, seconded by Mr. John Moore.

Col. Macdonald, nominated by Capt. Kennedy and Mr. Wm. McCartney.

Mr. Charles Raymond, nominated by Mr. Jas. Anderson, seconded by Dr. Howitt.

Mr. Thomas Goldie, nominated by Mr. Wm. Slater, seconded by Mr. Jno. Moore.

Mr. J. Hallett, nominated by Mr. A. E. Lyon, seconded by Mr. John H. Hamilton.

All the candidates withdrew with the exception of Col. Macdonald, who was tendered the nomination by a unanimous vote. The colonel promised to take the matter into consideration, and a committee was appointed to wait upon him and learn his decision.

Mr. James F. Kidner resigned his position as treasurer and Mr. F. Evans was appointed to the vacancy.

The meeting was then adjourned subject to the call of the President.

10,000 LABORERS IN LINE.

The Big Demonstration Has Been Arranged for May 3.

TORONTO, April 26.—The various labor organizations of Toronto are arranging for a monster demonstration on Saturday, May 3. The various bodies will assemble on the new drill shed site and march to Queen's park, where a stand will be erected, from which leaders in the labor movement will make speeches befitting the occasion. The one great attraction will be the presence of Socialist Burns, of London fame, now in Washington, who yesterday telegraphed his intention of being on hand to take part in the demonstration and make a speech.

Each organization is to be headed by a band, and it is expected that fully 10,000 men will be in line. Every effort is being made to make the affair the greatest of the kind in the history of the Dominion.

Ingersoll News.

INGERSOLL, April 25.—Mr. Wm. J. Small, late proprietor of the C. P. R. hotel, was buried here to-day. The deceased was clerk at the Commercial hotel, Woodstock, for eighteen years and was well-known to the travelling public. Some months ago his health began to give way to the ravages of consumption. He expired at the residence of his mother in this town on Tuesday evening at the age of 35 years.

Mr. L. F. Barker, son of Rev. J. F. Barker, of this town, has just closed an unusually brilliant course in the medical faculty of Toronto University. He has won the first scholarship in every year of his course, and closed his scholastic career by capturing the Star gold medal. It is expected that the university gold medal will also be awarded to him, as he stood first in seven departments out of eight.

Mr. William McEwen, of Dereham, recently brought to light while digging a deep ditch, a curiosity in the form of an immense pair of deer's antlers in a complete state of preservation. They measure four feet in length and three in width.

Among the visitors in town during the present week may be mentioned: Charles G. Cavanagh, editor of *News*, St. Ignace, Mich.; Mr. Daniel Schell and Miss Clara Crawford, Riverside, Cal.; Mr. Dan. Kennedy, Superior Wis., and Mr. E. O. Kennedy, Ashland, Wis.; Mr. Harry Beattie, Brantford; Mr. Henry Cluser, Montreal; Mr. Thomas Gillespie, Stratford; Messrs. D. H. Baker and J. J. Upfield, Hamilton.

Distribution of Barley.

OTTAWA, April, 26.—The experimental farm staff have been more than usually busy this season. The distribution of barley is now pretty well over. The demand for samples for experiments has been exceptionally heavy, and up to the present 9,200 bags, each containing three lbs. of barley, or 27,600 lbs. of grain have been distributed. An enormous number of sapling trees for experimental farming have been sent to Manitoba and the North-west. Every consignment has been accompanied by a circular from Mr. Craig, giving a description of the trees and instructions for planting and tending. During this time the mail from the farm has been very heavy, the bags and parcels filling a large van every morning. Seeding operations were begun some days ago, barley, wheat, oats, rye, etc., being sown. Work in this direction is being carried on. Prof. Saunders is also making some very interesting single plant experiments. In the poultry branch Mr. Gilbert has been unusually hard worked. He has had an unprecedented demand for eggs for British Columbia and other places, and in order to meet this has had to keep his own stock very low. He has, however, some very fine broods of Plymouth Rocks, Houdans and White Leghorns. Oddly enough no Brahmas have yet hatched. This year, as last, Mr. Gilbert will make experiments in hybrids. The farm is already looking well and is in good condition for visiting.

TEN YEARS' EXEMPTION

Hamilton Holding Out Inducements to Manufacturers.

HAMILTON, April 25.—The City Council last night unanimously adopted this resolution: "That in view of negotiations being entered into with the Bowmanville Organ and Piano Company, The American Whip Company and other manufacturers to locate their works in this city, we offer them freedom from taxation for the term of ten years on all buildings they may erect, as well as personal property, machinery, plant, tools and capital which may be invested in the prosecution of their manufactures during the time their works are maintained in active operation."

George Robinson, aged 60, was killed on Thursday in George A. Chamber's apple orchard near Winona. He was employed by Mr. Chambers to prune the trees and while engaged in this work he lost his hold and fell to the ground. His neck was dislocated and he died a few minutes after the fall. Robinson formerly lived in Hamilton. He leaves a wife but no children.

The Holiness Convention closed to-day, these officers were elected: Rev. N. Burns, B. A., Toronto, president; Rev. R. W. Woodsworth Niagara Falls, first vice-president; Rev. Geo. A. Mitchell, B. A., Hamilton, second vice-president; Rev. Thomas Colling, B. A., Plattsville, secretary; Isaac Anderson, Toronto, treasurer.

Organizing at Hamilton.

HAMILTON, April 25.—An organization meeting of Conservatives was held in Larkin hall last night. A large number of the prominent Conservatives of the city were present. C. R. Smith resigned his position as secretary of the association, giving as a reason his appointment as secretary of the Board of Trade. A central committee of 200 was selected from all over the city, and to this number were added the chairman and secretary of each polling division, making the total up to 300. An executive committee of 35 was also chosen. The vice-presidents for the association in each ward were appointed as follows: Ward 1, John H. Tilden; Ward 2, Ald. Robt. Griffith; Ward 3, Ald. William Nicholson; Ward 4, W. J. Morden; Ward 5, C. H. Peebles; Ward 6, W. Armstrong; Ward 7, Charles Baird.

The central committee will meet some night next week and elect officers for the year, appoint the executive and select the candidate who will oppose Hon. J. M. Gibson. A number of names have been mentioned as probable candidates, but it would not be news to give the list.

The Contract Labor Law.

PORT HURON, April 25.—General Spaulding, of Detroit, treasury agent, has been petitioned by 450 Fort Gratiot workmen asking that the law against foreign contract labor be enforced. They say that 100 Canadians are working at Fort Gratiot. Mr. Spaulding has presented the matter to the United States district attorney.
