PROPOSED BY-LAW

To provide for the issue of "General Consolidated Loan 4 per cent. Debentures" to the amount of $355,000, for certain permanent improvements and otherwise increasing the efficiency of the Toronto Waterworks.

WHEREAS, by an Act passed by the Legislature of the Province of Ontario, in the forty-second year of Her Majesty's reign, and chaptered seventy-five, entitled "An Act respecting the Debenture Debt and certain property of the City of Toronto," it is amongst other things enacted that the Corporation of the City of Toronto may pass a By-law or By-laws for authorizing the issue of Debentures of the said City for a sum not exceeding in the whole the sum of $6,000,000, to redeem certain outstanding debentures therein specified with other payments for permanent improvements therein also specified, and that any balance or residue thereof not required for the purposes aforesaid may be applied or expended in improvements of like nature, the whole issue being nevertheless limited to the said sum of $6,000,000.

And whereas, the limitation of the issue of debentures to the said sum of $6,000,000 was based on the assessment of the City not exceeding at the time of passing of the said Act the sum of $50,000,000, and it was further enacted that an increase of the debt by a further issue of debentures might be made when said assessment should exceed the sum of $50,000,000, such increase being nevertheless limited to eight per centum of such excess;

And whereas, the amount of the whole ratable property in the City of Toronto, irrespective of any future increase of the same, and also irrespective of any income in the nature of tolls, interest or dividends from the work, or from any stock, share or interest in the work upon which the money to be so raised, or any part thereof, may be invested, and also irrespective of any income to be derived from the temporary investment of the sinking fund hereinafter mentioned, or any part thereof, according to the last revised Assessment Rolls of the said City, being for the year one thousand eight hundred and eighty-seven, is $82,962,053;

And whereas, the General Debenture Debt of the City, as controlled by the said Act, and exclusive of Local Improvement debts, secured by special Acts, rates, or assessments, amounts to $8,621,283, leaving a full margin for the increase of the same in manner hereinafter mentioned, and of which debt no part of the principal or interest is in arrear;

And whereas, it is expedient and necessary to raise by loan on the credit of the said City a sum of money for the purpose of effecting certain permanent improvements and otherwise increasing the efficiency of the Toronto Waterworks in the said City, together with interest thereon at the rate of four per cent. per annum for forty years;

And whereas, the estimated cost of the said improvements is $355,000, made up as follows:

For a three-foot pipe from the Engine House to Gibralter Point, and a five-foot pipe, iron or steel, as may be found best, from Gibralter Point to connect with the six-foot conduit pipe, including crib, new well, etc., with the old three-foot pipe, at a cost of $280,000 00
For a 10,000,000 gallon engine at the Engine House, with foundations, etc., complete, at a cost of 75,000 00

Making a total as above of $355,000 00

And whereas, it will require the sum of $14,200 to be raised annually for a period of forty years, the currency of the debentures to be issued under and by virtue of this By-law, to pay the interest of the said debt, and the sum of $2,962.50 to be raised annually during the same period for the forming of a sinking fund of three-fourths of one per centum per annum for the payment of the debt created by this By-law, according to the provisions of the above recited Act, making in all the sum of $16,862.50 to be raised annually as aforesaid;

And whereas, it is necessary that such annual sum of $16,862.50 shall be raised and levied in each year during the said period of forty years by a special rate sufficient therefor on all the rateable property in the Municipality of the City of Toronto;

Therefore, the Council of the Corporation of the City of Toronto enacts as follows:

I.

That it shall be lawful for the Mayor of the said municipality to raise by way of loan, upon the security of the debentures hereinafter mentioned, from any person or persons, body or bodies corporate, who may be willing to advance the same upon the credit of such debentures, a sum of money not exceeding in the whole the sum of three hundred and fifty-five thousand dollars ($355,000), and to cause the same to be paid into the hands of the Treasurer of the said City, for the purposes and with the objects above recited.

II.

That it shall be lawful for the said Mayor to cause any number of debentures to be made for such sums of money as may be required, either in currency or sterling money, not less than one hundred dollars Canadian currency, or twenty pounds sterling each, and not exceeding in the whole the sum of three hundred and fifty-five thousand dollars ($355,000), as in the preceding section mentioned, and that the said debentures shall be sealed with the seal of the said Corporation, and be signed by the said Mayor and Treasurer.

III.

That the said debentures shall be made payable in forty years from the date of the issue thereof, either in currency or sterling, in this Province, Great Britain, or elsewhere, and shall have attached to them coupons for the payment of interest.

IV.

That the said debentures shall bear interest at and after the rate of four per cent. per annum from the date thereof, which interest shall be payable half-yearly, on the first days of the months of January and July, in each year, at the place where the said debentures are made payable, in this Province, Great Britain, or elsewhere, as aforesaid.

V.

That during forty years, the currency of the debentures to be issued under the authority of this Bylaw, the sum of fourteen thousand two hundred dollars ($14,200) shall be raised annually for the payment of interest on said debentures, and also the sum of two thousand six hundred and sixty-two dollars and fifty cents ($2962.50) shall be raised annually for the purpose of forming a sinking fund of three-fourths of one per cent. per annum for the payment of the principal of the said loan of $355,000 in forty years, according to the provisions of the above recited Act, making in all the sum of sixteen thousand eight hundred and sixty-two dollars and fifty cents ($16,862.50) to be raised annually as aforesaid, and that a special rate in the dollar upon the assessed value of all the rateable property in the City of Toronto over and above all other rates and taxes, and which special rate shall be sufficient to produce in each year the said sum of $16,862.50, shall be annually levied and collected from the year one thousand eight hundred and eighty-eight to the year one thousand nine hundred and twenty-seven, both years inclusive, unless the said debentures shall be sooner paid, for the purpose of paying the said sum of $355,000, with interest thereon as aforesaid.

VI.

That the said sum of $355,000, when obtained, shall be applied for the purposes above specified, and according to the true intent and meaning of this By-law.

VII.

That the debentures to be issued hereunder shall contain a provision in the following words: "This debenture or any interest therein shall not, after a certificate of ownership has been endorsed thereon by the Treasurer of this Municipal Corporation, be transferable except by entry by the Treasurer or his Deputy in the Debenture Registry Book of the Corporation of the City of Toronto."

VIII.

This By-law shall take effect on, from and after the , in the year of our Lord one thousand eight hundred and eighty-seven.

IX.

And it is further enacted by the said Municipal Council of the City of Toronto that the votes of the electors of the said City of Toronto will be taken on this Bylaw by the Deputy Returning Officers hereinafter named, on Thursday, the 8th day of December, one thousand eight hundred and eighty-seven, commencing at nine o'clock in the morning, and continuing until five o'clock in the afternoon, at the undermentioned places:
