GENERAL NOTES AND NEWS

He that lendeth to a tramp giveth to a saloonist.

Children naturally object to nauseous medicines. When troubled with Worms they often suffer for want of sound sleep and their food does not seem to nourish them give promptly McLean's Vegetable Syrup.

The right kind of a dog in a yard is a terrier to evil-doers.

Baird's Balsam of Horehound is very healing in its nature, and by its Tonic properties strengthen the muscles of the Throat and gives tone and vigor to the organs of speech, it quickly relieves Croup, Asthma and Irritation.

For Diphtheria, Pains and Lameness in any part of the body, Sore Throat, Headache, Neuralgia, Toothache, Cramps and Colds, use Baird's Cure-All Liniment, Keep it on hand, it may save your life.

STUDENT—"How is it, doctor, that I always take cold in my head?" Doctor—"It's a well-known principle, sir, that a cold is most likely to settle in the weakest part."

If there is a person in this county who does not know of *Johnson's Anodyne Liniment* we hope this paragraph will reach that person's eye and that he will write us for particulars of it. It is more valuable than gold, silver or precious stones.

The manufacturers of *Sheridan's Cavalry Condition Powders* inform us that their powder will effectually prevent hog cholera and all other diseases in hogs, and that they will increase the size and weight one quarter.

Why is the earth like a school blackboard? Because the children of men multiply upon the face of it.

Baird's French Ointment is an excellent article for any kind of Humor, such as Salt Rheum, Pimples, Pustules, Rash and a sure cure for the Itch. It quickly heals obstinate Sores and Ulcers, &c. Sold by dealers.

A modern wit defines the difference between men and women: "A man gives forty cents for a twenty-five cent thing he wants, and a woman gives twenty-five cents for a forty-cent thing she does not want."

Handy to Have.

Every household should keep some ready remedy at hand for painful diseases, sudden attacks of inflammation and accidental injuries. Such a remedy is best found in Hagyard's Yellow Oil for internal and external use. It cures rheumatism, sore throat, croup, neuralgia, lame back, sprains, bruises and burns.

A Source of Great Trouble.

Probably the most prolific source of chronic ills is indigestion or dyspepsia, causing unhealthy blood. Yet taken in time it is positively curable. Burdock Blood Bitters has cured some of the worst cases known, even of 15 years' duration. If troubled with indigestion try it.

"Have you resided long in this town?" asked a tourist of the oldest inhabitant. "Yes," he replied, "a long time. D'ye see that mountain over yonder? Well, that was there when I came here." The tourist travelled on.

There is Nothing Like it.

There is no one remedy offered to suffering humanity whose use is so universally and frequently required as Hagyard's Yellow Oil, for rheumatism, neuralgia, colds, sore throat, deafness, croup, lumbago, and aches, pains, lameness and soreness of all kinds, when internally and externally used.

"What is good for a cold?" is a question often asked, but seldom satisfactorily answered. We can answer to the satisfaction of all, if they will follow our advice and try Hagyard's Pectoral Balsam, a safe, pleasant and certain throat and lung healer. Sold by all druggists.

A Western newspaper is responsible for the following: School-teacher, to a stupid and fat boy: "You are better fed than taught, or else I am mistaken." Stupid Boy: "Yes, I be, 'cause I feeds myself, and you teach me."

A Great Awakening.

There is a great awakening of the sluggish organs of the human system whenever Burdock Blood Bitters are taken. It arouses the torpid liver to action, regulates the bowels and the kidneys, purifies the blood, and restores a healthy tone to the system generally.

Did She Die?

"No!

"She lingered and suffered long, pining away all the time for years.

"The doctors doing her no good;"

"And at last was cured by this Hop Bitters the papers say so much about."

"Indeed! Indeed."

"How thankful we should be for that medicine."

This is a slice out of the verbal part of a recent examination for a good Civil Service post: "What is the principal property of heat." Answer: "To expand," "And that of cold?" Answer: "To contract." "Give me an example." Answer: "The days are long in summer and short in winter."

In Good Repute.

James McMurdock, writing from Kinsale, says:—"B. B. B., as a remedy for disease of the blood, liver and kidneys, has an excellent reputation in this locality. I have used it, and speak from experience as well as observation. It is the only medicine I want, and I advise others afflicted to try it."

Father is Getting Well.

"My daughters say:

"How much better father is since he used Hop Bitters.'

"He is getting well after his long suffering from a disease declared incurable"

"And we are glad that he used your Bitters."

A LADY of Utica, N. Y.

It is customary, in some localities, to teach children to think of a text as they drop their pieces of money into the contribution-box. A certain little girl at Sunday-school, recently, saw the box approaching, and began to search in her memory for a text. She hesitated for a w moments, dropped the dime in the box and exclaimed, triumphantly: "A fool and his money are soon parted!"

A Daughter's Misery.

"Eleven years our daughter suffered on a bed of misery.

'From a complication of kidney, liver rheumatic trouble and Nervous debility

'Under the care of the best physicians

'Who gave her disease various names

'But no relief

'And now she is restored to us in good health by as simple a remedy as Hop Bitters, that we had shunned for years before using it."—THE PARENTS.

Scott's Emulsion of Pure Cod Liver Oil with Hypophosphites.

Especially Desirable for Children.

A LADY physician at the Children's Hospital, at Albany, N. Y., says: "We have been using Scott's Emulsion with great success, nearly all of our patients are suffering from bone diseases and our physicians find it very beneficial."
