WESTERN STATES STORM-STRICKEN

Country Between Rockies and the Missouri Suffers Greatly From Blizzard.

Denver, Col., Oct. 22. — Snow, wind and cold extended over the entire country between the Rocky Mountains and the Missouri River today, causing heavy losses of live stock and of late fruit. Telegraph wires were prostrated and railway schedules disarranged.

The storm is almost unprecedented for severity at this season of the year and takes rank according to the weather bureau with the snowfall on April 22 and 23, 1885.

Up to 6 p.m. today about 20 inches of snow had fallen in Denver. Much of this snow melted soon. While the temperature on the plains has fluctuated from 15 to 30 above zero, it has been much milder at higher altitudes.

At Corona, the highest point on the new Moffat Railway, two degrees below zero early today was reported. At Emery Cap on the Colorado Southern Railway snow drifted nine feet deep, and traffic was tied up today. Two rotary snowplows were sent out to open the road.

A Sante Fe train was derailed between Wagonmound and Spring, N. M., last night, and the road was blocked for several hours. Snow caused the mail coach and two baggage cars to jump the track and they rolled down an embankment.

Only one man, the mail clerk, was hurt, and his injuries are not severe.

CANADIAN UNDERWRITERS

Important Business To Be Taken Up at the Quarterly Meeting.

Toronto, Oct. 22.—The quarterly meeting of the Canadian Underwriters' Association will be held tomorrow, when some interesting matters may come up for discussion.

The question of penalties and their imposition may be taken up in connection with the proposed revision of the constitution, which has been under consideration for a long time.

If the recommendations go through there will be closer relationship between the tariff companies, and this will prevent the payment of commissions to anybody not authorized by the association.

It will also mean that agents who now represent both tariff and non-tariff companies will be obliged to give up one or the other.

Up-to-Date Cure for Skin Disease

The day is past when people will be satisfied with an internal treatment for itching skin disease. It is more satisfactory to apply an ointment and witness the beneficial results, instead of taking medicine and hoping that in time the desired effects will be obtained.

This change of opinion has come about largely through the extraordinary cures being brought about by Dr. Chase's Ointment. Eczema, salt rheum, psoriasis, tetter, scald head and all the dreadful itching skin diseases, which torture children and grown people alike, are not held in such terror since the merits of this great ointment have become known.

By its healing, soothing, antiseptic influence Dr. Chase's Ointment cleanses the sores, allays the inflammation, stops the itching and heals the raw, flaming flesh. In the most simple as well as the most aggravated skin irritation or eruption this ointment is certain to give highly satisfactory results; 60 cents a box, at all dealers, or Edmanson, Bates & Co., Toronto.

BARNARDO GIRLS ARRIVE.

Peterboro, Oct. 22.—Over 100 healthy, happy girls arrived at the Barnardo Home here today. They are from 8 to 15 years of age. They came over on the Dominion and had a good trip. The girls were in charge of Mr. Owen, superintendent of Barnardo Homes in Canada, and Mrs. Lloyd.

A MEDICINE FOR THE MINER'S PACK.—Prospectors and others going into the mining regions, where doctors are few and drug stores not at all, should provide themselves with a supply of Dr. Thomas' Eclectric Oil. It will offset the effects of exposure, reduce sprains, and when taken internally will prevent and cure colds and sore throat, and as a lubricant will keep the muscles in good condition.

The net used by Japanese fishermen for yelowtail, bonito and tunny is sometimes several thousand feet in length. The seine nets are sometimes three miles long.

DR. J. D. KELLOGG'S Dysentery Cordial is a speedy cure for dysentery, diarrhea, cholera, summer complaint, seasickness and complaints incidental to children teething. It gives immediate relief to those suffering from the effects of indiscretion in eating unripe fruit, cucumbers, etc. It acts with wonderful rapidity and never fails to conquer the disease. No one need fear cholera if they have a bottle of this medicine convenient.

THE BAPTIST CONVENTION

Encouraging Reports Laid Before the Gathering at Peterboro.

Peterboro, Oct. 22.—Church union was again before the Baptist convention today, the following committee being nominated to look into the question: Dr. Farmer, Supt. Norton, Dr. T. S. Johnstone, Dr. S. S. Bates, Prof. J. L. Gilmour, Dr. J. A. Gordon, Rev. J. G. Brown, B.B.; Dr. Perry, Rev. W. J. McKay, B.D.; Dr. A. A. Cameron, Bros. J. G. Scott, K.C.; R. D. Warren, D. E. Thompson, .KC., and Rev. Wm. Walker, B.A. All were appointed.

During the session resolutions were passed condemning the Congo atrocities.

Rev. E. J. Stobe spoke on the present method of settling pastors; Rev. V. H. Cowsort, of Toronto, on an advisory ministerial board, and Rev. J. G. Brown on ministerial unrest.

Superintendent W. E. Norton addressed the gathering on the subject, "Shall We Have Two Degrees or Orders of Ordained Ministers?"

The main idea he presented was that there are brethren who do good work in small home mission churches. These brethren have not had the advantage of much culture, but they were rich in common sense and were converted workers. The question is whether it might not be a wise thing to have an order of ordained missionaries as compared with the regular ordained ministers who have received college training.
