MAJEST I have long delayed to jesty a statement of the affa together with some sugges improvement, and follows prayer that you would can be adopted and pursued. it condition bettered. time is required, and I been able to attempt it. appear to me to be going di give a rapid sketch of my firmly believe, the opinion ty's faithful subjects, in the same good may be product

And, first, I think the Canada are in as comforte excepting only so far as egainst each other by polit salatio.
The Christians warring this Province during the have done much injury to

think the time favorable f some decided measure to f decidedly this quastion sh better. With respect to politic must be left to the people their common sense and le tors will be abroad and ac firm, and decided, and the

people will be contented. The measures wanted b vinces can never be devise effect by any single Colon great soever his talents and even though his time and divided among the numero belonging to your Majesty parliamentary and politica Let therefore a permanent to manage the affairs of the Colonies. Let men of trie grity be chosen. Let suc all occusions, both at hom vinces. More political evi neglecting this great consi all other causes put togeth I see political evil ,I am a the result of the incompete vernors would act with wi ality in the performance of of their great duties, they different to, all other con good governors and goo public affairs would be s that the quiet-minded, the thy men of all conditions t that all was doing well, ar receive from the People' men are placed in office fr vate interest, while it is m servants might be chosen. nation of good men, and seizes the truth, however may be, and therewith lea of misrepresentation or fa

disseminates with untirein exciting the turbulent and wary, he disturbs the h brings discredit upon the barrasses the measures of vernment, both here and a The discredit thus brou das has injured the credit the London money marke a wealthy emigrant from i great mischief. Mach if ne have been prevented, had two Provinces been cond street by competent men. have been consigned to c man's tenure of office so u him little hope of bringing sures to maturity during hi confidence, his zeal, all th his mind, must thus have paralyzed, wanting hope to parliamentary duties, and as a politition, must neces ed & large part of his time contion, and the result mu lett-of our affairs to an im which negient has brough areditable state of confusio now involved.

In the name of the Peop I now appeal to your Maje the axe to the root of them efficient and permanent C with. Let every possible to select' competent and invested with edeption rightly, and who, being or are doing so, will carry their
