AYER'S
PILLS.

FOR ALL THE PURPOSES OF A
FAMILY PHYSIC.

THERE has long existed a public demand for an
effective purgative pill which could be relied on as
safe and perfectly curing its operation. This has
been prepared to meet that demand, and is a com-
pact and convenient form of medicine, which should
be taken judiciously. Minute directions for its use
are given in the second division to which they are ap-
plied, and are given to the patient. Among the com-
plaints which have been speedily cured by them, we
may mention Liver Complaint, in its various forms
of jaundice, indigestion, Leucorrhoea and Loss of Ap-
petite, Headaches, Irritability, Bilious Headache,
Bilious Fever, Fever and Ague, Pain in the Side
and Loins, &c. In truth, all those ailments which
arise from a disordered action in the Liver. As an
agent, they speedily remove the bile from the
system, and thus purify the blood, and by this
means they cure the various diseases of the Liver,
Biliousness, Irritability, Headaches, Nervous-
ness, and Scurvy, Colic with soreness of the bowels,
Flux and impurity of the blood, in short, any
and every case where a purgative is required.
They have also produced some singularly suc-
cessful cures in Rheumatism, Gout, Dropsy, Gravel,
Griping, Palpitation of the Heart, Pain in the
Back, Stomach, and Side. They should be freely
taken in the spring of the year, to purify the blood
and prepare the system for the change of seasons.
An occasional dose stimulates the stomach and
bowels into healthy action, and restores the ap-
petite and vigor. They purify the blood, and by this
stimulant action on the circulatory system, reno-
vate the strength of the body, and restore the
vital and nervous energies of the whole organism.
Hence an occasional dose is advantageous, even
though no serious derangement exists, but un-
necessary dosing should never be resorted to, for
as every purgative medicine reduces the strength,
when taken to excess, of the thousand cases in which
a physic is required cannot be enumerated here, but
they suggest themselves to the reason of every
body; and it is confidently believed this pill will
answer a better purpose than any other which has
yet been available to mankind. When their
virtues are once known, the public will no longer
doubt their efficacy to employ when in need of a
cathartic medicine.
