Poetry.

Lady Franklin's Appeal to the North.

BY WILLIAM GLAND BOURNE.

Oh, where, my long lost one, art thou!
'Mid Arctic seas and wintry skies?
Deep, Polar night is on *me* now,

I am like thee! from frozen plains
In the drear zone, and sunless air,
My dying, lone heart now complains,
And chills in sorrow and despair.

Tell me, ye Northern winds! that sweep
Down from the rayless, dusky day—
Where ye have borne, and where ye keep,
My well beloved within your sway;
Tell me, when next ye windly bear
The icy message in your breath,
Of my beloved! Oh tell me where
Ye keep him on the shores of death!

Tell, ye Polar seas! that roll
From ice-bound shore to sunny isle—
Tell me, when next ye leave the Pole,
Where ye have claimed my lord the while!
On the bleak Northern cliff I wait
With tear-pain'd eyes to see you come!
Will ye not tell me, ere too late?
Or will ye mock while I am dumb?

Tell me, oh tell me, mountain waves!
Whence have ye leaped the spring to-day?
Have ye passed over their sleeping graves
That ye rush wildly on your way?
Will ye sweep on and hear me too
Down to the caves within the deep?
Oh, bring some token to my view
That ye my loved one safe will keep!

Canst thou not tell me, Polar Star!
Where in the frozen waste he kheels!
And on the icy plains afar
His love to God and me reveals?
Wilt thou not send on brighter ray
To my lone heart and aching eye?
Wilt thou not turn my night to day,
And wake my spirit ere I die?

Tell me, oh, dear dreary North! for now
My soul is like thine Arctic zone:
Beneath the darkened skies I bow
Or ride the stormy seas alone!
Tell me of my beloved! for I
Know not a ray my lord without!
Oh, tell me, that I may not die
A sorrower on the sea of doubt!

HUDSON'S
CHEMICAL EXTRACT OF
CHERRY AND LUNGWORT,

Cough, Cold, Hoarseness, Spitting of Blood, Night Sweats, Asthma, Liver Complaint, and

CONSUMPTION.
DO NOT NEGLECT.
CONSUMPTION

Can and has been cured in thousands of cases by this only certain remedy.

Hudson's Chemical Extract of
CHERRY AND LUNGWORT,

and no remedy has ever before been discovered that will certainly CURE CONSUMPTION.

The most strongly marked and developed cases of Pulmonary Consumption, where the lungs have become diseased and ulcerated, and the case so utterly hopeless as to have been pronounced by physicians and friends to be past all possibility of recovery, and at times thought to be dying, has been cured by this wonderful remedy, and are now as well and hearty as ever. It is a compound of medications which are peculiar adopted to and essentially necessary for the cure of

COUGHS AND CONSUMPTION.

Its operation is mild, yet efficacious; it loosens the phlegm which creates so much difficulty, relieves the cough, and assists nature to expel from the system all decessed matter by expectoration, producing a delightful change in the breathing and chest, and this after the prescriptions of the very best medical men, and the invention of kind and sorrowing friends and nurses have failed to give the smallest relief to the Consumptive sufferer.

THOUSANDS OF CONSUMPTIVE

persons have been deceived repeatedly in buying medines which were said to be infallible cures, but which have proved only palliatives, but this medicine is not only a palliative but a cure for ulcerated lungs. It contains no deleterious Drugs, and one trial will prove its astonishing efficacy better than any assertions or certificates in curing consumption and all diseases of the Lungs, such as Spitting of blood, Coughs, pain in the side, night-sweats, &c.

About 1000 certificates of almost *miraculous* cures, performed by this medicine, from some of the first Doctors, Clergymen, and Merchants, have been sent us for this medicine but the publication of them looks too much like quackery, (we will show them to any person, calling at our office.) This medicine will speak for itself, and enough in its own favour, whenever it is tried.

Caution—This medicine is put up in a large bottle, and you must find the name of Judson & Co., Proprietors, New-York, on the splendid wrapper around the bottle. All orders must be addressed to Comstock & Brother, No. 9, John St., New York.

To Owners of and Dealers in Horses.

CARLTON'S FOUNDER OINTMENT

For the cure of Founder, Split Hoof, Hoof-bound Horses, contracted and Feverish Feet, Wounds, Bruises in the Flesh, Galled Backs, Cracked Heels, Scratches, Cuts, Kicks, &c., on Horses.

CARLTON'S RING-BONE CURE,

For the cure of Ring Bone, Blood Spavin, Windgalls, and Splint—a certain remedy.

CARLTON'S CONDITION POWDERS FOR HORSES AND CATTLE.

The changes of weather and season, with the change of use and feed, have a very great effect on the sinuous fluids of horses. It is at these changes they require an assistant to nature to throw off any disorder of the fluids of the body that may have been imbibed, and which, if not attended to, will result in the Yellow Water, Heaves, Worms, Botts, &c., all of which will be prevented by care, when any symptoms of disease appears, if used in time. They purify the blood, remove all inflammation and fever, loosen the skin, cleanse the water, and invigorate the whole body, enabling them to do more work with the same feed. The action of these powders is direct upon all the secretive glands, and therefore have the same effect upon the Horse, the Ox, the Ass, and all Herbiverous animals—all diseases arising from or producing a bad state of the blood, are speedily cured by them. Remember and ask for CARLETON'S CONDITION POWDERS, and take *no others.*

CARLTON'S NERVE AND BONE LINIMENT FOR HORSES,

and for the cure of all diseases of man or beast that require *external* application, and for *contracted cords and muscles, strengthens weak limbs,* and is also used for *sprains, bruises, saddle galls, swelled legs,* and sores of all kinds on horses.

CARLETON'S articles for Horses and Cattle are prepared from the recipe of a very celebrated English Farrier, and will cure in ninety-cases out of one hundred any of the above complaints—They have been used by Farriers, livery-men, stage proprietors and others, with the most marked and decided success.

Caution—None can be genuine unless you find the name of J. Carleton Comstock on he Wrapper of each article.

COMSTOCK'S VERMIFUGE.

This is the most extraordinary remedy for Worms ever used. It effectually eridicates Worms from both Adults and Children. It cannot harm the most delicate infant or strongest Adult, and never fails to completely root out and destroy all kinds of Worms. The cost, 25 cts. per bottle, puts it within reach of all, and all parents who are without it are wantonly exposing the lives of their children to those fell destroyers of youth, "Worms." Look for the name of Comstock & Brother, proprietors, on the Wrapper of each Bottle.

HAYS' LINIMENT FOR THE PILES.

The worst attack of the Piles are effectually and permanently cured in a short time by the use of the genuine Hays' Liniment. Hundreds of our first citizens throughout the country have used this liniment with complete success.

☞*Caution.*—Never buy it unless you find the name of Comstock & Co., upon the wrapper, proprietors of the genuine article.

DEAFNESS.

Use Dr. LAMPITE'S ACOUSTIC OIL, for the cure of Deafness. Also, all those disagreeable noises like the buzzing of insects, falling of water, whizzing of steam, which are symptoms of approaching deafness. Many persons who have been deaf for ten, fifteen, or twenty years, and were subject to ear-trumpets, have, after using one or two bottles, thrown aside their trumpets, hearing made perfectly well. It has cured cases of ten, fifteen, and even thirty years standing of deafness. For sale by S. L. TILLEY, King-street, St. John, N. B.

RHEUMATISM.

Comstock's Nerve and Bone Liniment, is warranted to cure any case of Rheumatism, Gout, Contracted Cords, and Muscles, or stiff joints, strengthens Weak Limbs, and enables those who are crippled to walk erect. Copy of a Letter from the Most honorable the MARQUIS OF WESTMINSTER, K. G.

LORD WESTMINSTER has just received Mr. HOLLOWAY'S Medicine, for which he returns him his best thanks.

Eaton Hall, Cheshire, Feb. 12, 1842.

This Inestimable Medicine being composed entirely of medicinal Herbs, does not contain any mercurial, mineral, or deleterious substances. Benign to the tender infant, or to the weakest constitution, prompt and sure in eradicating disease from the most robust frame, it is perfectly harmless in its operations and effects, while it *searches out and removes Complaints of every character,* and at every stage, however long standing or deeply rooted.

Of the Thousands *cured by its agency,* many who were on the verge of the grave for a considerable period (by *persevering* in its use) have been RESTORED TO HEALTH AND STRENGTH, *after every other means failed.*

All Diseases (and whatever may be their symptoms, however they may declare themselves, yet one cause is common to them all, *viz.,* a want of purity in the blood and fluids) are cured by this wonderful Medicine, which cleanses the stomach and bowels, while its Balsamic qualities clear the blood, give tone and energy to the nerves and muscles, invigorate the system, and strength to bone and sinew.

The Afflicted need not give himself up to despair, as one without hope, but let him make a proper trial of the MIGHTY POWERS of this astonishing Medicine, and he will soon be *restored to the blessings of Health.*
