WEDDINGS

DAVIES—KILBORN

A very pretty and interesting wedding took place at the home of Mrs. E. L. Kilborn, Twenty-fifth avenue west, when her daughter, Lillian Faye, was united in marriage to Mr. Stuart William Davies, of this city, and son of Mrs. Charles Davies, of Toronto, Ont. The ceremony was performed by Rev. J. Austin Huntley in the drawing room, which was attractively decorated with sweet peas, poppies and autumn leaves in festoon effect. The bride, who was given away by her brother, Mr. Stanley Kilborn, looked girlishly sweet in a gown of pearl grey satin charmuese, embroidered in cut steel, and carried a shower bouquet of pink and white carnations and roses, entering the room to the strains of Lohengrin's wedding march, played by Miss Doris Jenner, who also sang during the signing of the register, Cadman's "At Dawning." The bride's mother was gowned in Russian green taffeta and Georgette crepe, embroidered in bronze. After the ceremony a dainty buffet luncheon was served in the tea room from a table centered by the wedding cake and vases of sweet peas. Mrs. I. G. Ruttle and Mrs. J. W. Johnson poured tea, while Mrs. H. W. Hunt cut the ices. The bride and groom were made the recipients of many beautiful gifts, including a handsome cut glass vase from Mr. J. O. Morrell, merchandise manager of the Hudson's Bay company, to whom the bride was secretary; also a purse of gold from the officers and employes of the Calgary Gas company, with which firm the groom is connected. The happy couple left on the midnight train for Edmonton, the bride traveling in a suit of Burgundy velour cloth, trimmed with seal, a small black velvet hat and fox furs, the gift of the groom.

JAM SHOWER FOR THE TUBERCULOSIS HOME TOMORROW

The Womans' Auxiliary to the Tuberculosis hospital is holding a jam shower at the Y.W.C.A. to morrow, from 3 to 5.30. The shower given last year netted about 500 jars, which was most gratifying to the society. The patients and returned veterans at the Mount View hospital, as well as the home patients, have repeatedly sent thanks to the ladies through the society for their kind thoughtfulness in providing such delicacies. No contribution tomorrow will be considered too small, as even a single glass of jelly will help to increase the supply. Housewives of Calgary are asked to remember the day and make the contributions a record.

MILITARY CHAPTER, I.O.D.E., APPEALS FOR FUNDS

On Saturday the military chapter I.O.D.E. will again appeal to the public for aid in carrying on its war work. The chapter holds two tag-days each year and the last held, early in May, netted $1,719.20. It is hoped that the public will respond quite as generously on Saturday, as all the money raised by the military chapter is sued to assist Red Cross or other war relief funds.

It will be of interest to know that the money raised on the last tag-day was distributed as follows: Prisoners-of-war fund, $161.20; Con. War Contingent assn., $250.00; hospital for tubercular veterans, $150.00; local Red Cross, $950.00; discharge depot, $148.00; national chapter, Y.M.C.A., $60.00.

Since July the chapter has knitted 400 pairs of socks and when it is remembered that almost all the members are knitting for husband, son or brother at the front, this, in itself, is something to an achievement.

What Causes Wrinkles? What's the Remedy?

Stop to consider what produces wrinkles and sagginess of skin. Premature aging, mal-nutrition, etc., cause the flesh to shrink, lose its youthful plumpness and firmness. The skin then is too large for the flesh underneath; doesn't fit tightly and snugly as it used to—it wrinkles or sags.

It must be plain that to tighten the skin, make it fit and face prefectly in every place, will effectually remove the hateful wrinkles and bagginess. This is easily and harmlessly accomplished by dissolving an ounce of powdered saxolite in a half pint of witch hazel and using the solution as a face wash. The ingredients you can get at any drug store. The results are surprising. The skin immediately tightens up, becoming firm and fresh as in youth. Every wrinkle and sag is affected at once.
