"NO FRILLS"
Just Sensible Food Cured Him.

Sometimes a good, healthy commercial traveler suffers from poorly selected food and is lucky if he knows that Grape-Nuts Breakfast Food will put him right.

A Cincinnati traveler, John N. Case, jun., says: "About a year ago my stomach got in a bad way. I had a headache most of the time and suffered misery. For several months I ran down until I lost about 70 pounds in weight and finally had to give up a good position and go home. Any food that I might use seemed to nauseate me.

"My wife hardly knew what to do until one day she brought home a package of Grape-Nuts and coxed me to try them. I told her it was no use but finally to humor her I tried a little and they just struck my taste. It was the first food that I had eaten in nearly a year that did not cause any suffering.

"Well, to make a long story short, I began to improve and stuck to Grape-Nuts. I went up from 135 pounds on Dec. 24, 1900, to 194 pounds on Oct. 5, 1901.

"My brain is clear, blood all right and appetite too much for any man's pocket book. In fact I am thoroughly made over and owe it all to Grape-Nuts. I talk so much about what Grape-Nuts will do that some of the men on the road have nick-named me 'Grape-Nuts,' but I stand today a healthy, rosy-cheeked man, a pretty good example of what the right kind of food will do.

"You can publish this if you want to. It is a true statement without any frills."

EVELEIGH-REEVE WEDDING IN THE MEMORIAL CHURCH

The Ceremony Took Place Today in the Presence of Many Guests.

The Memorial Church has been the scene of many very beautiful weddings, but never one that was more beautiful than the May wedding which was performed there this afternoon, when Miss Jessie Irene Reeve, daughter of Mr. Vivian Reeve, of this city, became the bride of Mr. Frederick Johnston Eveleigh, of the city of Montreal, and the company which assembled to witness the marriage ceremony were as one in believing that no fairer bride ever stood within the chancel of the church. She entered the church and walked down the chancel aisle, leaning upon the arm of her father, by whom she was given away. She wore an exceedingly beautiful gown of white silk, trimmed with lace and applique, with orange blossoms and a veil, which was caught by a magnificent diamond and pearl sunburst, the gift of the groom. She wore also the groomsman's gift, which was a very handsome rope chain of pearls. Her flowers were lilies of the valley and Beauty roses. She was attended by her sister, Miss Edna Reeve, who was maid of honor, and the bridesmaid, Miss Jennie Eveleigh, the groom's sister, who were prettily dressed in white point d'esprit over white satin, with ruchings of white baby ribbon. They wore black picture hats and carried bouquets of pink roses. The groom's gifts to the maid of honor and bridesmaid were pearl brooches; to the groomsman, Mr. Bryce Strachan, of Montreal, a diamond scarfpin, and gold cuff links to the ushers, Dr. Albert E. Santo and Mr. George Millar, of this city, and Dr. Roland Jarvis, of Petrolia.

The ceremony was performed by Rev. C. C. Owen, rector of the Memorial Church, and Lohengrin's Wedding March was played by Mr. W. H. Hewlett, organist of the Dundas Center Methodist Church. At the conclusion of the ceremony the bridal party, which included a large number of guests, returned to the residence of the bride's father, No. 403 Central avenue, where a wedding breakfast was served. The decorations were of roses, palms and smilax. Mr. and Mrs. Eveleigh's wedding trip will be to New York and Washington. The bride's going-away gown was of black cheviot, with a waist of fawn silk and hat to match. They will reside on Tupper street, Westmount, Montreal, in which city the groom is a member of the firm of J. Eveleigh & Co.

Many out-of-town guests, besides a large number of the bride's London friends, attended the wedding. Among them were the members of the groom's family, Mr. and Mrs. Joseph Eveleigh, Miss Ethel Eveleigh, and Mr. F. W. J. Johnston, of Montreal; Mrs. (Dr.) Haslitt and Miss Roselle Junkin, of Toronto; Mrs. Maughan and Miss Maughan, of Waukesha, Wis.; Mrs. Sheldrick, and Miss Reeve, of Chatham.

The following letter, received today by The Advertiser is a response to an item published in the Daily Advertiser of May 9 and the Weekly of May 16, asking for information of the family of Wm. Goodwill and his wife, old settlers in London township. As will be seen on perusal of the letter it definitely locates a grandson of the Goodwills in the vicinity of Evart, Mich. The letter is good evidence that if you have anything you wish to bring to the attention of a large section of the public of America, you should send it to The Advertiser. The letter follows:

"Evart, Mich., May 19, 1902.

"Editor Advertiser, London, Canada:

"Dear Sir,—In your issue of May 16 is a paragraph entitled "Information of the Goodwills." There is a man here by the name of George Goodwill, who is a grandson of William Goodwill, who settled on lot 28, concession 8, London township. His father's name was Thomas Goodwill. He moved to Michigan and settled in Clare county, on the 9th county line of Isabella county. Please notify me if anyone is looking for them, and I will give them full particulars. Mr. Goodwill was here today. He says he knows Mr. John McAdam (the liveryman of this city) well, although he was a small boy when his father moved to Michigan.

PREMIER TO SPEAK IN LONDON TONIGHT

Hon. G. W. Ross Sanguine of Result on May 29th.

Hon. George W. Ross arrived in the city last night, from Simcoe, where he addressed an immense meeting in an open rink.

The premier is in the best of health and spirits and is enduring the fatigue of the campaign admirably. He is elated over the splendid receptions that have been accorded him throughout the west. Everywhere he has been met with unbounded enthusiasm, and on every step of his journey he has encountered new proofs of the electors' fidelity to the principles of sound and progressive government.

The meeting in the Grand Opera House tonight, at which Mr. Ross will deliver an address, promises to be one of the greatest gatherings of the kind in London's history. It will begin at 8 o'clock, and besides the premier, Lieut.-Col. Leys, the Liberal candidate for London; Mr. C. S. Hyman, M. P., Mr. M. K. Cowan, M. P., and others will deliver addresses.

THE WAR IN COLOMBIA

Government Forces About to Attack Rebels.

Troops Began to Leave Panama Early Wednesday Morning.

Panama, Colombia, May 21.—The government forces began to leave Panama at 5 o'clock yesterday morning. In all, about 2,000 men under the command of Gens. Amaya and Salazar will proceed against the insurgents.

Before he left the city Gen. Salazar said:

"I intend to attack the rebels immediately. I expect to receive, within the next eight days, reinforcements of 3,000 more men under the command of Gen. Panpillo Guiterrez, who will cooperate with the troops leaving Panama today. The rebel general Herrera and his forces will be attacked by over 5,000 of the best soldiers in the republic as well as by a fleet. His resistance can be but futile. The government has been victorious in the interior of the republic and it can send, if necessary, 10,000 more men to end the revolution on the isthmus."

VICTORIA DAY IN LONDON

Programme of the Celebration on May 24th.

QUEEN'S OWN WILL BE HERE

Toronto Regiment to Arrive on Friday Night—Lacrosse Game at Tecumseh Park.

The arrangements for the demonstration on Victoria Day are fairly well completed, and the prospects, as they present themselves now, are that the 24th of May will be celebrated in London in a fitting and enthusiastic manner, and that the day will be one of great pleasure to the citizens of this city. The event that will eclipse all others will be the visit of the Queen's Own Rifles, who come here as the guests of the Seventh Regiment. The plans of the officers of the local regiment are such that the entertainment of the visitors will reflect credit upon their corps and the city. During their stay here, all ranks will be comfortably cared for at Queen's Park. They will leave Toronto some time on Friday night and will breakfast in this city. The Seventh Regiment will assemble at the drill shed at 9 o'clock, and be prepared to meet the Queen's Own about 10 o'clock, at Carling's Heights, where there will be a grand review, in which these regiments, the Toronto and London hospital corps, and probably the Sixth Field Artillery, will participate. Subsequently they will all parade down town, but the route of the march has not yet been fixed. The soldiers will be free to do as they please in the afternoon, and on Saturday night the combined bands will give a grand concert at Tecumseh Park, for which a nominal admission fee will be charged, the bands' desire being to defray in this way certain expenses which they have incurred in connection with the celebration. Some time on Saturday, the officers of the visiting regiment will dine at the London Club, having been invited by the officers of the Seventh to meet the mayor and aldermen of the city.

They will parade on Sunday morning to divine service at St. Paul's, and in the afternoon the men will be free again.

The demonstration promises to be very successful. It will be an excellent opportunity for Londoners to display their hospitality, and one of the best ways of doing this will be by decorating their homes. The city was never more beautiful than it is now, but its welcome to the visiting soldiers will be more pronounced and more appreciated by them if there is a generous display of flags and the national colors.

VALUE OF CLEARING HOUSE

Its Establishment Pleases Businessmen.

Statements Will Show the Volume of City's Trade.

The establishment of a clearing house is so welcome by the leading business men of this city that they have arranged to give the banks the use of the board of trade office in order that it may start working right away. London has been behind the majority of Canadian cities in establishing a clearing house, the value of such an institution having already been felt in all the larger cities, from Halifax to Victoria. Apart from the convenience which a clearing-house is to the banks, it furnishes exact evidence of all the volume of the business transacted here. At the end of every week a statement of the financial transactions of the city is prepared, which is valuable to the commercial men of this city and of outsiders who do business here. This return is an index of the progress and prosperity of the city. It is impossible at present to secure such an index, and the first report is being awaited with interest by the bank managers and business men. They are hopeful that it will show that the volume of business here is larger than has been appreciated.

Knoxville, Tenn., May 21.—Up to midnight last night 82 bodies had been taken from the Fraterville mine at Coal Creek, the scene of the disaster in which 225 miners lost their lives.

The cause of the disaster developed today when it became known that gas had collected in an abandoned mine close by into which an opening had been accidentally made last week by a boy working in a lateral. An attempt was made to stop up the opening, but it is believed that a leak remained.

Port-au-Prince, Hayti, May 21.—The army of the north, numbering about 4,000 men, arrived today at Arcahaie, two days' march from here. The provisional government has summoned all citizens to defend the capital, and, as a result, the entire population of Port-au-Prince is now under arms.

BLIND CHAPLAIN MILBURN HURT.

Washington, May 20.—Blind Chaplain Milburn, of the senate, was struck by a runaway horse attached to a buggy as he was leaving the capitol today, just after offering the prayer at the opening of the session. The accident would have been far more serious, but for Mr. Milburn's daughter, who pulled him from a position immediately in front of the runaway horse as he was about to dash upon her father.

MURDER AND SUICIDE.

Waverley, Tenn., May 21.—A. E. Justice shot and killed his wife and then himself at their home near here. Mrs. Justice was a daughter of the late A. M. Waddell, a well-known citizen of Louisville, Ky. Recently Mrs. Justice brought suit for divorce. Since the suit was filed Justice had been excluded from the home. Yesterday he secreted himself in a chicken house, knowing his wife's habit of going there to feed the chickens. When she appeared the tragedy occurred.

GRACEFUL ACT OF PRESIDENT ROOSEVELT.

New York, May 21.—A special from Washington says: President Roosevelt has created a flutter in the diplomatic corps by calling at the British embassy and remaining for three-quarters of an hour with Lord Pauncefote and members of the family. In calling upon Lord Pauncefote, who is seriously ill, diplomats say that the president has done a graceful thing. At the same time, it is pointed out, comment would be occasioned should the president fail to call upon the other ambassadors.

Labor Matters.

Reports from all parts of the Pennsylvania coal field shows that everything is quiet.

Beginning today (Wednesday) the Hazleton iron works, where most of the foundry and machine works for the collieries hereabouts is done, will be operated eight hours a day on account of the miners' strike. All recently hired hands have been laid off. Over 100 foreign strikers left Hazleton today for Europe.

HART RIVER NOT LIKE PAARDEBERG

Pte. McMurphy, 1st C. M. R., Says First Fight Was Worst.

Motorman McMurphy, of the street railway, has received a letter from his Rifles, in which he describes the Hart River fight as having been very warm, but not nearly as bad as Paardeberg, at which he also fought with the first contingent. Although men and horses were shot down in scores all around him, he came through without a scratch. About 400 Boers were disabled or killed.

Private McMurphy's many friends will be glad to know he is in good health.
