Propose Formation of Junior City Hockey Loop At Arena Meeting Tuesday

Will Draft O.H.A. Juniors From Projected League

Plan To Start Circuit Off As Soon As Ice Goes in Arena.

O. H. A. AGE LIMIT

The first move to set hockey in motion will be made at a meeting to be held Tuesday night at the arena at 7:30 o'clock.

It is proposed to form a junior city league, which will commence operations as soon as the ice gets into the arena, and from this loop the first draft of the junior O. H. A. team will be made. The league will start shortly after Nov. 1 and will finish a first series before the O. H. A. season gets under way, and following the first draft made for O. H. A. players will resume again. The league will always be subject to drafts from O. H. A. players, but this will not seriously effect the team, as the law of averages are almost bound to see that material will be evenly distributed.

It is proposed to play the games in the evening, and no charge will be made to the league for the accommodation at the arena. The regular O. H. A. junior age limit will be strictly enforced.

Organizations which would like to enter teams in this league are asked to have representatives on hand at the meeting Tuesday night at the arena. There will not be any limit to the clubs, it is thought, though more than six would probably introduce a brand of hockey that would hinder, rather than aid, development.

Bill Marsden, coach of the seniors, is enthusiastically in favor of the move. Marsden, who built up a reputation that has withstood many hard tests season after season on his ability to develop good hockey material and oftimes outstanding talent from green kids off the ponds, declares that it is the only way to get players developed.

Western Ready For Maiden Tilt in New Grid Year

Meet Big Test Tomorrow Against Strong Toronto Varsity Squad.

Whether Western will climb out of the muck of disastrous rugby seasons this fall is the question that is facing the locals at present, and it is up to the coach, Fickley, and his huskies to spring the answer when they meet the strong Toronto Varsity intermediates here tomorrow. It looks as if the answer were partly disclosed last Saturday.

For many years the purple and white has battled against immense odds. Last year they moved out of the ruck considerably, and from all advance notices they promise to be the most dangerous outfit in the group this year.

The big test is tomorrow, and the Fickley squad is ready. They have been trained to the minute and are all in good condition. Besides his regular team, the coach has a reliable bunch of subs to draw from. In fact he has a hard job to select a starting team. The finest bunch of rugby material that has ever registered at Western is there this year, and again Fickley is leaving no loophole for an alibi.

"The team is ready," he states, and from the way that the boys have been tearing into the practices, it can be readily assured that they will be. Last night they went through everything along with the juniors who tackle O. A. C. in their maiden effort of the season in the big double bill to be presented tomorrow.

The officials in charge are making every preparation for what they expect to be the largest crowd of the season. Two thousand five hundred can be accommodated easily at the oval, and from advances notices every available space will be filled.

The Junior-O. A. C. game starts sharp at 1:15 p.m. while the big struggle is scheduled to get under way at 3:15.

PETROLIA IS SWAMPED 16-0 BY SARNIA C. I.

Junior Wossa Rugby Tilt Ends in Victory For Borderites.

Special to The Advertiser.

Petrolia, Oct. 8.—Sarnia C. I. proved too much for the local high school in a junior Wossa rugby game here today, and the Imperials romped away with a 16 to 0 victory over the Hard-Ollis.

The affair started off with the appearance of being close, but just at the end of the first quarter Sarnia broke the ice, and came through with three points as the result of a drop-kick. This was closely followed by a touchdown, made when the visitors plunged down the field and pulled a successful on-side kick.

The second quarter found both teams fighting tooth and nail, with neither scoring and the play being kept well in the center of the field. But the tie-up did not last long, as in the next period Sarnia got away again, garnering a touch on a fake kick. It was converted, making the count 14 to 0. In next few minutes Petrolia backs were caught behind the line, and were forced to boot to the deadline twice.

The final period was left to the booters, with the locals having the better of the play.

The line-ups:

Sarnia. F.W., Fraser; R.H. McWaters; C.H., Strain; L.H., McGibbon; R.E., Stubbs; L.E., Stevenson; R.M., Patterson; L.M., Bell; R.I., Freyse; L.I., Logan; Q. Patterson; S., Richards; spares, Walsh, Wentle, Borting, Clark, Twaites, Ferguson, Simmons, Gerry.

Petrolia—F.W., Madery; R.H., Stapleton; C.H., McCaddle; L.H., Lindsay; R.E., Lawrence; L.E. Howlett; R.M., Bassett; L.M., Dole; R.I., Drope; L.I., Reardon; Q., Wilson; S., F. Lindsay; spares, Jackson, Kirkpatrick, Isber.

Stage All Set For Local Four-School Meet Today

Quartet of City Secondary Contingents Dip Into Annual Feud.

The stage is all set for the four-school track and field meet to be held at the Queen's park track this afternoon. The opposing schools, Central, South, East and Technical, are all primed for the contests, and a tight fight in all events is seen.

Technical looms up bigger than ever this year, and the squad from the Dundas street school will be led into the field by Doug Westman, captain, and W. Miller, who are considered the main cogs of the senior team. Both have had considerable experience, and were members of the Western Ontario team that made such a good showing at the meet in Toronto a week ago.
