ST. JOHNS' CHALLENGE ACCEPTED — SPORTS — GETAWAY DAY AT MOOSEPATH

2.15 PACE AND 2.24 TROT MOOSEPATH CARD TODAY

Jupiter, the Rain Maker, Cut Loose on Saturday and Races Will Take Place Today---2.15 Class Had To Be Officially Declared Off But Has Same Six Starters for Today---2.24 Trot Stake Carried Over and Will Have Seven Starters This Afternoon---One of Frank Hayden's Stories When the Laugh Was On Him.

The weather man put the kibosh on the horse racing programme at Moosepath Park on Saturday and the horsemen who were here from all over the country blessed Jupiter, the rain maker, in several different languages.

There was general disappointment on the part of the horsemen that a meeting could not be concluded on Saturday, as it would undoubtedly have been a record day for the track in more ways than one. The holiday attendance promised to be a record breaker and with the track gradually getting in better shape for fast racing it was expected that in the 2.15 class the pacers would have stepped faster than they had in any of the other fast classes of the meeting.

A heavy shower late on Friday night was the first indication of local rain, but that shower would have hurt the track much had it not been followed by a steady rain and fog all day Saturday, starting about 3 o'clock in the morning.

Before noon it was definitely decided that it would be impossible to race and arrangements were then made for having the conclusion of the meeting take place to-day.

Under the rules of the National Trotting Association the stake race for 2.24 trotters had to be raced some time and could be carried over Sunday. The 2.15 class could not be carried over Sunday, and a few minutes after four o'clock it had to be definitely declared off.

TWO RACES TO-DAY.

2.15 Pace and 2.24 Trot the Programme This Afternoon.

The 2.15 class was re-opened immediately and the same horses entered for the race to take place to-day.

The new 2.15 class for a $300 purse and the original 2.24 trotting stake, guaranteed for $400 by the Dufferin Hotel, will therefore be the programme for to-day, and although many of the visiting horsemen had to return to their homes there should be a good attendance at Moosepath to-day.

The track is drying out well and should be in good shape by this afternoon unless more rain comes.

The 2.15 Class is Officially a New Race

The declaring off of the 2.15 class meant that all bets on that race had to be declared off, but of course with the same field of horses they could be renewed. The favorite in this race has been El Galo at even money against the field, and there is no indication of any change in the betting or the odds. It will be his first start this year, but he has been picked as a 2.10 pacer on a mile ring and offers to back him for $500 aside against such high classed pacers as Silk Patchen, 2.13 1-4, and Lou Foster, 2.12 1-4, were made early this spring by Driver Frank Hayden of the Pine Tree Stables, under whose colors the son of Chancey Wells races.

The other starters in the 2.15 class will be Kingsboro, 2.10, the Nova Scotia pacer that will start in the $50,000 handicap at Readville; X Ray, 2.15 1-4, the entry from Frank Fox's stable; Miss Letha, 2.15 1-4, the Fredericton mare; Royal Lancer, 2.15 1-4, the four year old stallion brought from the west some months ago by Halifax horsemen for Peter Carroll's string, and said to have shown in about 2.10 over the Indianapolis track last fall, and last, but not least, there is Laura Merrill, 2.14 1-2, the high classed mare owned by Fred Duncanson, the Fairville horseman.

Of this field, El Galo, Royal Lancer and Kingsboro will be making their first start on the Maritime Circuit this season, a fact which of course adds much interest to the race.

THE 2.24 TROT.

Crescent, 2.23 1-4, Will Go to the Wire a Favorite in the 2.24 Trot.

In the 2.24 trot stake the betting already made stands, as under the rules this race was not declared off, but must be raced some time.

There will, however, be only seven, instead of nine, starters in this race, owing to the two Chatham entries, Miss J. A. Gazette and Northern Star, having been shipped home on Saturday night with the other members of Driver Tom Holmes' stable. The owners have not been altogether satisfied with the results of their horses' racing thus far this season, and will not be seen again until the fall section of the circuit. Both Miss J. A. Gazette and Northern Star are speedy trotters, and should show up well in the fall stakes and slow classes.

Crescent, 2.23 1-4, the great little trotter in the racing stable of Mr. A. E. Trites of Salisbury, is still the warm favorite in the stake and should win it, although Driver Billie Cummings will, of course, find all the other horses in the race stacked up against him and must rely pretty largely on receiving adequate protection from the judges.

Prince Louie Is Second Choice.

Prince Louie, 2.23 1-4, is the second choice, and is well thought of by many followers of the game. The other starters will be: Kremont, 2.23 3-4, now in John Chisholm's stable; Melva P., the entry of the Valley Stables, Sussex; King Arion, the speedy trotter owned by Ald. Harry C. Jewett, of Fredericton; Frank Power, a Halifax owned horse in Frank Boutilier's stable, and Jennie V., one of the trotters in Frank Fox's stable.

Of the starters in this class three—Kremont, King Arion and Melva P.—will be making their first start of the season.

THE HOT AIR CIRCUIT.

One of Frank Hayden's Stories About His Famous Sky Piece.

Saturday was a gloomy day for the horsemen and the hot air circuit meetings were in progress in lively fashion about everywhere the horsemen gathered.

Stories of all kinds and descriptions regarding horse racing experiences were being told and probably the blue ribbon went to Frank Hayden, who by the way is very much worried over the fate of his two pet goats, which are now in quarantine.

Mr. Hayden has a hat of a variety which baffles description, but which forms a subject for conversation every few minutes and Frank, who says with all seriousness that he is 65 years old, looks just like a Harvard college fresh man with this attractive lid.

At any rate, Frank was being jollied by some of the boys about his sky piece on Saturday night, when he sprung a new one.

"That hat, boys," he commenced, "came from a Chinaman."

Those within hearing distance smiled—some of them pretty loud smiles.

"Well, you needn't laugh about it, either," continued the Maine veteran of scores of races. "When I was out in California there was a rich Chinaman out there who was one of the Chinese consuls. He had a string of horses but the poor fellow was in hard luck and I helped him win a couple of races. He said he would never forget me for it, either, and asked me to leave him the size of my head. That was a good many years ago, but this spring before I was starting out for the provinces a parcel came to the house one day, and when I opened it up I found this hat and that Chinaman had remembered me," concluded Frank, while his face glowed with satisfaction.

"Let us have a look at this famous hat," remarked another horseman who was nearby.

The horseman looked and examined the label and there was the name of a firm in Lewiston, Me., Frank's home, stamped on the hat band.

The laugh was on Mr. Hayden.

A SIGN OF FAME

Mr. Charles S. Dorrithy, the well known starter, has become sufficiently famous to have a colt named after him as the following from the Breeder shows: "Charles Simpson of Waterville, Me., has named the colt by St. Croix Jr. (2.16¼); dam Seraphine (2.27¼), by Wilkes; second dam Maud H. (2.19¼) dam of three, Dorrithy, for his friend Charles S. Dorrithy, the successful Maine starting judge. Dorrithy is a two-year-old and is entered in the Central Maine three-year-old stake. He ought to move well and go steady."

HOOF PRINTS

The 2.10 list is growing quite healthily.

Bellini (2.13¼) now takes rank as a "colt" sire with Soprano (3) (2.16½)

Hamburg Belle (2.04¾) lately stepped a mile one-half second better than her mark.

Jack McKerron (2) (2.23¾) has a strong following for first money in the M and M.

Star Patchen (2.07¾) is a true son of his famous daddy, Joe Patchen, (2.01¼).

Gamar, that got a record of 2.13½ last week over a half-mile track, looks like some trotter.

GALLAGHER PUTS ON NEW RECORD AT HILLSGROVE

Canadian Pacer Stepped in 2.11 1-4 Over Rhode Island Track---Velzora Wins Hard Race in 2.19 Trot.

Hillsgrove, R. I., July 24—For the second time within a week, a new record was established for the Hillsgrove half-mile track, when Gallagher went the first heat of the free-for-all pace in 2.11¼, breaking the record of 2.12¼, made by the Cannon on the opening day.

Outside of this performance the 2.19 trot was the feature. Velzora was a hot favorite in this event and while she won after five heats, it looked bad for the talent in the first and second heats which were won respectively by Major Wellington and Nannie Winstead.

The free-for-all was a battle between Gallagher, the favorite, and Fred D., but Gallagher won in three straight.

Frank A., won the 2.20 pace in straight heats over Roan Wilkes, Jr., who took second money.

Morris S., toyed with the field in the 2.27 trot and won in straight heats. Summary:

YONKERS HANDICAP

Empire City Event Goes to Arondack Which Was Backed Down From 6 to 1 to 4 to 1.

Empire City, July 24—On a heavy track, Arondack, backed down from 6 to 1 to 4 to 1 at the close, easily won the Yonkers Handicap, a mile and a sixteenth at Empire City today, defeating a good field of handicap horses. She had big weight concessions, which gave her a big advantage. McCahey let her rate along in behind to the far turn, when he sent her up fast on the outside and catching Alfred Noble, took the lead and won by three lengths. Fashionplate was second, eight lengths before Alfred Noble.

LOTS OF BASEBALL GAMES FOR FANS OF ST. JOHN THIS WEEK

Manager McBrine of the Clippers Accepts Challenge of Manager Tilley's St. Johns for a Game on Wednesday---Arthur Finnamore Issues a Challenge to St. John Teams On Behalf of the Fredericton Tartars---Series of Five Games Betweeu St. Peters and Marathons for City Championship Will Start on Saturday.

The baseball fans were prevented from seeing their favorite game played on Saturday in this city as Jupiter Pluvius was busy and worked over time.

Three should be lots of baseball this week, however, and several games have been arranged while challenges are flying through the air in all directions.

Fredericton Tartars Want Games

The latest challenge is that from Fredericton which arrived by telegraph.

Arthur Finnamore, who is now at the head of the lately reorganized Tartars, wired The Standard last evening to publish a challenge from the Fredericton team to play a series of games with "any team St. John can produce."

Incidentally Arthur says Fredericton has the baseball fever again.

Don't all speak at once gentlemen!

Clippers to Play St. Johns.

On Saturday Manager Tilley, of the team which played in Fredericton last week, and which he has named the St. Johns, published the following challenge:

"On account of the charp criticism of the line-up of the St. Johns who went to Fredericton and played ball with the Tartars, a challenge is hereby given to any big team in this city for a game on Wednesday afternoon next on the Every Day Club grounds. (Signed) C. F. TILLEY, Manager."

Yesterday Manager McBrine of the Clippers announced to The Standard that he would accept Manager Tilley's challenge and the game is now on.

On Haccount of Manager Tilley's St. Johns having several of the Clippers' lineup, including Bovaird, Wilson and Lynch, it will be necessary for Manager McBrine to do a little recruiting and he expects to have "Pop" Small and one or two other well known players to round out his team.

It is not unlikely that Harley Howe, brother of Tommy, the well known player, will do the pitching for the Clippers. The lineup of the Clippers, however, will not be definitely announced until tomorrow.

The following is the lineup of the St. Johns:—Bovaird, pitcher; McGowan, catcher; Donnely, 1st base; Ramsay, 2nd base; Lynch, 3rd base; Copeland, shortstop; Wilson, left field; Callahan, centre; Harrigan, right field.

Marathons and St. Peters on Saturday.

Manager D. B. Donald, of the Marathons has sufficiently recovered from his recent attack of nervous prostration to attend a meeting of representatives of the Marathons and St. Peters which will be held tomorrow to complete details for the series of games for the championship of the city and the Isaacs cup.

It is definitely decided now that the first game of the series will be played on Saturday afternoon on the Every Day Club grounds. The series will consist of five games and details as to the umpire and lineup are yet to be decided.

COLLINS, A BANGOR PITCHER PUTS CRIMP IN TIGERS' TAIL

Detroit, Mich., July 25—Boston won today's game in the first inning, when two errors of commission and omission were mixed with a couple of hits, counting four runs, all that were made. Killian pitched shut-out ball, while no Detroit batter outside of Crawford could do anything with Collins.

Detroit threatened a score in the sixth, but a fine throw to the plate by Speaker started a double-play that killed the only chance. Works pitched the last inning and struck out three men in succession. Boston did some sensational fielding behind its pitcher. The score:

In the twelfth with two out, Crawford doubled and Cobb singled, deciding the result. Willett held Boston to four scattered singles, three of them infield scratches. Boston's one run was made without a hit, on a fumble, wild throw and sacrifice fly. Both teams ran bases at random. Score:

100 Mile Foot Race—16 hrs. 7 mins. 43 secs., by Sidney Hatch.

New Haven, Conn., July 24.—John Flanagan, of the Irish-American A. C. of New York, broke the world's record at throwing the 16 pound hammer here to-day at the annual field day of the Clan-Na-Gael, hurling it a distance of 184 feet 4 inches. In competition with Matt P. McGrath, of the New York A. C., and Con. Walsh, the Irish and Canadian champion.

Flanagan not only broke his own record of 179 feet and 1 inch, made at Travers' Island a month ago, but established a world's record as well. McGrath was second with 171 feet and 9 inches, while Walsh's best distance was 164 feet, 10 inches. McGrath made one throw of 181 feet, 9 inches, which was not allowed on account of a foul.

The New York A. C. first and second teams won the first and second places in the mile relay. A. C. Gilbert, of Yale, was the sole entry in the pole vault and after clearing 12 feet 6 inches, tried to establish a record of 13 feet, but was unable to clear the bar at that height.

THE STANDARD LEADS.

"The Standard newspaper of St. John is the best in Eastern Canada for reporting latest trotting horse racing news," was the remark of a Wolfville horseman. He also remarked that he knew of no other morning daily in Canada that was reporting daily the summaries of the Grand Circuit, which is now racing down the line. It was last week at Terre Haute, Ind., and this week at Windsor, Ont. Next week it will be at Detroit.—Wolfville, N. S. Acadian.
