CAUTION TO THE PUBLIC

"Finally, I approach the practices in a manufacture which affects every household in the land—Queen Victoria, of Windsor Palace, and the ennobled peasant woman in her cottage, alike use what is called 'sewing cotton.' I invite them to test themselves what I am about to state the majority of reels or bobbins of thread profess to hold 200 yards—those of the most respectable makers measure really about 260 or 270 yards—which is a comparatively small defalcation from their professions. But there exists a real which circulates, owing to its apparent cheapness, much among the poor, in very extensively shipped, and is known as the 'Paisley reel. A friend has sent me five specimens. I this favorite reel which it appears is not exclusively manufactured at Paisley, but is rather the same adopted by most thread makers for a particular manufacture. No. 1 'The British Exhibition Thread,' professes to be 100 yards—measuring only 60. No. 2, marked —— & Sons, Manchester,' Paisely quality, 200—measures only 176 No. 3 green ticket, marked, 'Paisley Sewing Thread,' 200 yards, and made at Paisely, measures only 150 yards. Nos 4 and 5 were for shipping only. No. 4 is labelled, on good tickets, Persian thread, six cord: and WARRANTED 200 yards: the truth is, it measured 100 yards, and is only three cord. My last example, No. 5, is the Royal British Thread, ticketed 100 yards. It measures exactly 27.—[Ambcus' Letter in the Times, 16th Jan. 1856.

CLARK & Co., THREAD MANUFACTURERS, PAISLEY, in reference to the foregoing extract from the 'Times' would esteem it a favor if parties who purchase their Reels would be particular to observe that the label contains the words CLARK & CO'S CABLE LAID AND POLISHED THREAD with the correct length marked thereon. They have also to state that on no account whatever, will they put on a false ticket, or send any thread out of their works, without the correct length being legibly marked on the bobbin. It is now half a century since their trade commenced, and they have never been induced to try any of the dishonest practices referred to in the above extract.

* Besides the above the following lengths are sold extensively in the home market:—Hamet's Patent, marked 150 yards measures 90 yards; Cord, marked 100 yards, measures 60. Gutta Percha Thread, marked 200 yards, measures 140 to 160 yards, and is common 3 cord. 20 8

Goderich, July 4th, 1859. 22

Dr. Fred. Dellenbaugh.

OF BUFFALO, N. Y.

AFTER an unprecedented successful practice of over thirty years, being about retiring from active practice, at the request of numerous friends in all parts of the country, has consented to make two medical preparations, upon which he has bestowed the care and knowledge of his long experience, and has left them with the different druggists for sale. To those who are acquainted with the Doctor nothing need be said; to others, it is but necessary to say, that he has for years prescribed for from 4000 to 5000 persons, and always with the greatest success. Cases that have baffled other medical men, yielded readily to his treatment, and persons came daily from hundreds of miles to be cured. The Doctor, however, has not been slow, like others, to cure everything with one preparation, but has put up his medicine in two bottles, which are numbered 1 and 2. The number 1 is a

BLOOD PURIFIER,

Superior to the purest extract of Sarsaparilla, made entirely of roots and herbs of this and foreign countries, the best properties of which are extracted by an entire new chemical process. It acts in larger doses as an active physic, in smaller ones as an alterative working directly on the Liver and Kidneys, expelling therefrom all morbid matter, thus bringing into action all the organs that may have become inactive, and may be relied on to cure *Liver Complaints and complaints of the Kidneys, Incipient Consumption, Dyspepsia, General Debility, Old Ulcers, Scrofula, Salt-Rheum, Pimples, Sores, Nervous Debility, Erysipelas, Indigestion, infirmities of Youth and Age*, and all other diseases which have their origin in a disordered or impure state of the blood. It is of a strengthening nature, and will never weaken or prostrate the body. The number 2 is a

FEVER MEDICINE,

And must never be taken except in connection with No. 1. It will then cure *Inflammatory Rheumatism, all kinds of Fevers and Agues the worst effects of Colds, and all Pains whether Chronic or Acute.* These medicines will effect CURES, not removals from one part of the body to the other.

Remember to prevent confusion, these Medicines are prepared by OLD DOCTOR FRIEDRICK DELLENBAUGH, who has practiced in Buffalo over 27 years.

To prevent fraud, a correct likeness of the Doctor is on the wrapper of each bottle, and Dr Fred. Dellenbaugh & Co., Buffalo N Y, blown in the glass. Directions accompanying each bottle. No 1 is sold for $1 per bottle; No 2 for 75 cts. With this simple notice they are offered to the public, relying on their virtues in recommending themselves. For sale by
