A LONDON FIRM INTERESTED.

The Priddis-Brown Fraud Case Before Magistrate Jelfs at Hamilton —Charge Dismissed.

Hamilton Times: Geo. Priddis, of London, had Henry Brown and his wife, of East Flamboro, lately of London, before Magistrate Jelfs this morning, charging them with obtaining $90 under false pretenses. Mr. John Harrison appeared for the complainant, and Mr. E. W. Scatcherd, of London, defended the accused, who refused to elect.

The case was a very complicated one, and the hearing of the case lasted nearly all morning. Several Londoners gave evidece, and the hearing of the case lasted nearly all morning. From the evidence of the prosecution it appeared that Mr. Geo. Priddis, of Priddis & Co., sold a bill of goods to the defendants. His partner objected to trusting them, and he guaranteed the account, taking a third mortgage on their household goods, including a piano. He claimed they represented that the piano was unencumbered at the time, but as a matter of fact the piano was not their own.

The defendants denied making any misrepresentations regarding the piano. The case was dismissed, as the magistrate considered there was not sufficient evidence of intent to defraud.

MINISTERING CHILDREN'S LEAGUE

Celebrate Their Annual Festival in the Memorial Church.

These charitable little people always do have a pleasant annual festival and yesterday they excelled themselves. Commencing at 3 o'clock a festival and sale were held in the school room of the Memorial Church. The tables spread in different parts of the room were filled with flowers, confectionery, besides needlework and other dainty articles of children's work. The children had supper at 6 o'clock, at 8 o'clock the tables were nearly emptied, and the following programme was carried out, Rev. Canon Richardson officiating as chairman:

Chorus—Snowflakes (Written especially for the League).....M. C. L.
Mother Goose and Her Family.....
.....Different Little Girls
Song.....Madeline Pavey
Dialogue—The Everlasting Talker.....
Edith Tuxford, Ethel Jackson, Ada Burdick, Mabel Stone and Mabel Gander.
Chorus—(All Saints).....M. C. L.
Recitation—Where Do You Live.....
.....Lottie Phillips
Dialogue—About Laughing.....
Ethel Thompson, Lottie Phillips, Ada Burdick and Mabel Gander.
Songs—Selected.....M. C. L.
Recitation—(All Saints).....M. C. L.
Dialogue—The Town Mouse and the Country Mouse...Lottie Phillips and Ethel Frost
Lullaby.....M. C. L. Choir
God Save the Queen.

The programme gave evidence of a large amount of talent and patient, careful training, and was heartily appreciated.

Mrs. Boomer and her sister Lady Johnston have taken great interest in the preparation of the work. Miss Bullen, Mrs. (Dr.) English, Mrs. Perrain, Mrs. Poole, Miss Crascton, and the Messrs. Penney were also able assistants.

The Misses Pavey had a table which was filled with their own handiwork.

BRICK PAVEMENTS

Meet With the Indorsement of the Board of Works.

What Kind Will Be Used? Jumbo or a New Roller? A Big Pay Sheet.

No. 2 committee met last night, the following aldermen being in attendance: Wm. Heaman (chairman), Callahan, Parnell, Nutkins, O'Meara, J. Heaman, Assistant Engineer Ironside, Street Commissioner Owens and Secretary Bell. The report of the deputation on pavements was read. As outlined in last evening's "Advertiser," it recommended brick in preference to asphalt. The aldermen received the report favorably, and the different kinds of brick were then discussed. The report recommended such American brick as Mack Block, East Clayton, Harris, Canton and Hallwood block. The duty on this article would, however, increase the price considerably.

Mr. Ironside said that paving brick was made in Milton, Hamilton and Toronto, and it was the intention also to manufacture the article in London. However, Canadian brick had not yet been made as successfully as the American article.

Chairman Heaman said that the English Scoria brick, made of "slag" iron, cost $50 a thousand, and was therefore out of question. He said further that a Montreal firm was making a brick similar to "Scoria," but much cheaper.

In view of the committee being in favor of brick, Ald. Parnell moved that the report be received and adopted, and tenders called for brick pavements on the blocks on Dundas and Richmond streets which so badly need paving.

After further discussion it was decided to let the report and the motion stand for a week until further particulars are received as to the best brick to be used.

A Quebec manufacturer of granite pavement will be asked to send in a sample and prices. This pavement is the most expensive of all. Asphalt would cost form $2 50 to $3 a square yard, and brick from $2 20 to $2 40.

Tenders will be asked for a new steam road roller and for repairing "Jumbo." The committee will decide as to whether a new roller shall be purchased or not when the tenders are opened.

The water commissioners asked for some flowers and plants to beautify Springbank parks. Their communication was referred to the chairman and Park Ranger Grant.

The pay sheet amounted to $868 86.

"I guess we had better call a halt," said the chairman; "that's a big pay sheet."

The amount was made up as follows: Street cleaning, $720 61; streets, $74; city parks, $31 50; sewer repairs, $19 75; salaries, $15.

MIDDLESEX.

The fourth annual convention of the Christian Endeavor societies of this county will be held (D. V.) in Glencoe on Tuesday and Wednesday, May 28 and 29. The convention will open on Tuesday at 7:30 p.m., and close on Wednesday evening. The programme provides for two day and two evening sessions, also a sunrise prayer-meeting on Wednesday morning. Able speakers will address the convention on such subjects as "The Endeavorer as a Patriot," "Reverence in the House of God," "Social Reform," "Temperance," "Missions," etc. Let each society send a large delegation, more especially if members are losing interest, for the idea of the convention is to stimulate, encourage and enthuse to new endeavor. On Wednesday morning minute reports are expected from each society. Let all delegates come prepared to take part when oportunity offers, so they may help on the work and be helped themselves. Names of intending delegates should be sent to Miss Adair Thomas, Glencoe, before May 24, else they cannot be assured of billets.

On Friday evening, April 19, Mr. Jaynes McVicar, of Lobo, died suddenly of heart failure. Deceased was born in Carmichael parish, Roopdale, Argyleshire, in 1819. In the old land he learned the trade of shoemaking, which he followed for a time. In 1850 he emigrated to Canada, and shortly afterwards purchased 31 acres of lot 8, con. 6, Lobo. By hard work and economy he made a comfortable home for himself in his old age. In those days, the late Rev. Lachlan McPherson was pastor of Williams and Ivan. Deceased was elected an elder in the Ivan congregation many years ago, but resigned four or five years since on account of his eyesight failing. The other members of the family were: Peter, living in Lobo; Donald, who died in 1876; John, and sisters Kate and Mary, and a half-brother, Robert. The surviving members of his family are: John, living on the old homestead, and Sarah, wife of Duncan Campbell, Lobo. He was a good neighbor, honest, kind, giving offense to no one. Mrs. McVicar died in 1882. The funeral on Saturday was largely attended, considering the short notice. Rev. Mr. Lindsay, his pastor, officiated, preaching an able and impressive sermon, referring to the good life he lived, and the hope of the Christian to enter the abode of the blessed. The remains were deposited in the Ivan burying ground, to await the resurrection morn. The pall-bearers were: Messrs. Dan. McKinley, Alex. McLean, Duncan J. and Duncan A. Campbell, and Peter and John McVicar. "Thanks be unto God who giveth us the victory through our Lord Jesus Christ."

FEVER AND AGUE AND BILIOUS DERANGEMENTS are positively cured by the use of Parmelee's Pills. They not only cleanse the stomach and bowels from all bilious matter, but they open the excretory vessels, causing them to pour copious effusions from the blood into the bowels, after which the corrupted mass is thrown out by the natural passage of the body. They are used as a general family medicine with the best results.

W. W. Ball, of Dashwood, Huron county, hanged himself in his stable Monday. He was a carpenter by trade, 57 years old, and had conducted a cabinet making and undertaking business in Dashwood for 23 years. He was doing a good business, and no motive can be assigned for the suicide. He leaves a wife and three daughters.

City Clerk Ellis, of St. Thomas, is dying from paralysis. He has been clerk and solicitor of the municipality for nearly 40 years. One of his daughters, Miss Edith, left a couple of days ago, not anticipating the serious turn her father's illness has taken, for Windsor, where she joined the party of Hon. J. C. Patterson, which left Wednesday for Southern California.

The G. T. R. waiting room at Tecumseh was broken into Wednesday and the agent's apartments entered, and the entire place was thoroughly ransacked. Papers and documents were scattered all over, and nothing escaped the notice of the daring burglars. They did not, however, obtain entrance to the tiket office, where the cash and other vauable papers were deposited, although an attempt had been made to do so. It is believed the men were scared away ere they completed their nefarious job. The company have sent Detective Logan to investigate the case.
