INDUSTRIAL EDUCATION.

Association Holds Annual Meeting at Kingston—In Berlin Next Year.

KINGSTON, May 25.— (Special.) — Routine business occupied the attention of to-day's session of the Industrial Education Association, at which sixty delegates attended. The report of the auditor showed the association to be in a healthy condition financially.

On recommendation of the executive committee, it was decided to have each trades council in Ontario represented on the advisory board.

Mayor Ross delivered the city's address of welcome, and William Driscoll welcomed the delegates on behalf of the labor unions here.

These officers were elected: President, Charles Bird, Hamilton; first vice-president, W. H. Godwin, Kingston; second vice-president, W. E. Brown, Ottawa; third vice-president, Thomas Robinson, Galt; fourth vice-president, S. Angus, Peterboro; fifth vice-president, W. McCarthy, Toronto; secretary-treasurer, O. Zimmerman, Berlin.

Berlin was selected as the next place of meeting.

ATTEMPT TO BURN SCHOOL.

Coal Oil Used to Start Blaze in City of Belleville.

BELLEVILLE, May 25.—What looked like a deliberate attempt at incendiarism was discovered about 6.30 this evening, when smoke was seen coming from the separate school in West Belleville. The fire was soon extinguished. Evidence was found that someone had poured coal oil on the floor behind two doors. Behind one of the doors the charred remains of a rag soaked with coal oil was found. In the centre of the west schoolroom a hole had been burned thru the floor from the top.

The school authorities will demand an investigation.

JEWS TO TRANSLATE THE BIBLE

PHILADELPHIA, Pa., May 25.—The Jewish Publication Society of America at its 20th annual meeting made the announcement that arrangements have been made for the translation of the Bible. This is regarded as one of the most important works ever undertaken by the society.

The translation will be made with the co-operation of the Central Conference of Jewish Rabbis, and the book will be adopted as the official version of that body. A Bible fund of $50,000 will be raised for the purpose.

PIMPLES

ALTHOUGH, NOT A DANGEROUS DISEASE, ARE A VERY TROUBLESOME AND UNSIGHTLY AFFLICTION . . .

They are caused by either poverty or impurity of the blood and require the prompt use of a good blood medicine such as Burdock Blood Bitters, for their eradication, which it speedily accomplishes, at the same time strengthening the entire system. Pimples also often arise from dyspepsia and constipation, and in these cases Burdock Blood Bitters has the double effect of removing the pimples together with their cause.

Mr. D. P. Sammon, Osceola, Ont., writes: "I was troubled with pimples all over my face and hands. I paid out money to doctors but they could do me no good. A friend convinced me to try Burdock Blood Bitters, and after using two bottles the pimples vanished, and I have not been troubled with them since."

Burdock Blood Bitters may be procured at all Druggists and Dealers.

CAR JUMPS THE TRACK SETS FIRE TO GAS MAIN

Might Have Gone Over James-street Bridge—Hamilton Wins Two Baseball Games.

HAMILTON, May 25.—(Special.)—This morning a street car jumped the track at the James-street bridge, broke the natural gas main, set fire to the gas, put the gas system out of business for some time and kept nearly everybody's breakfast late.

If the car had not struck the gas main it is believed that it would have dashed over the bridge down into the G.T.R. tracks. It was southbound and fortunately there were no passengers on board. The car took fire and was completely wrecked. The firemen were called out.

The street car system was tangled up nearly all day from various causes.

A splendid game of cricket was played at Trinity College to a large and appreciative gathering of admirers.
