LIVE STOCK MARKET

The Union Live Stock Market was characterized by a great deal of strength yesterday, all classes of good cattle selling well at an advance of from 25c to 40c for the heavy steers and heifers and good butchers, while the medium class were relatively 25c higher all round. Considering the quality of the cattle, very few extra choice cattle offering, the market was stronger than at any time this season, with all offerings well cleared up by noon.

More cattle would have commanded ready sale at the market. Good feeders were wanted at 25c over last week's prices, and milkers and springers, of which there were not very many on the market, were in good demand. There were none of the 15c prices paid, but this was attributable to the fact that the quality, which brought this price last week, was not to be had yesterday, but $14.50 was paid for one big straight load, and $14.25 and $14 for others. Altogether a strong market with a good clean up.

Sheep, Lambs and Calves.

The market for sheep, lambs and calves was steady with last week, and this about covers the whole situation.

The hog market was steady at from 20c to 20¼c, but the advance notices sent out by the big packing houses indicate that lower prices will prevail for the balance of the week. Whether they will be able to carry this out or not remains to be seen. Just at the present the outlook is pretty uncertain.

Market Notes.

A feature of the market yesterday was the sale by J. B. Shields & Son of one load of steers, 15 in the bunch, weighing 18,930 lbs., at $14.50, and another load of 19, weighing 22,430 lbs., at $14.25. Both loads came from Chatsworth and were very choice.

The firm of Corbett, Hall & Coughlin Co. sold another very fine bunch of cattle, 19 in the load, fed by W. T. Colwell of Centralia, Huron County, at $14.25 per cwt. They were a decided credit to Mr. Colwell and the commission house that handled them.
