OUT OF THE FIRE.—T. Ferry has removed his paint shop to Mill street, over the meat mart, where he will be found ready to take contracts and jobs of painting, paper hanging etc., at very moderate prices.

OUR merchants had a good harvest on Tuesday. Business was literally rushing in most of the stores in town throughout the day.

PEACHES, pears and grapes arriving daily at H. D. Murray's bakery. Always the freshest and always the cheapest in town.

☞ Don't forget the Toronto Tea Store when in town, for Cheap Teas; good value for the money. D. W. Palmer & Co.

☞ Gents, for your Shirts, Collars, Cuff Ties or a stylish Hat go to the Glasgows House.

MESSRS. J. S. Draper, D. D. Ellis, and Chas Hunt, medical students, take their departure this morning for Toronto, to attend the Toronto school of medicine. They are three clever young gentlemen, and we trust they will make their mark in the profession which they are preparing to enter.

PEARS, apples and plums on hand and selling at lowest market prices, at H. D. Murray's bakery.

The annual exhibition of the Mitchell Horticultural Society was held on Thursday and Friday last. The exhibition in the hall was not as good as previous years, owing to the absence of fruit and vegetables. The show of cattle and implements was as good as usual. There was a large crowd and a good business done by the merchants.

PARTIES requiring painting, paper hanging calsomining, etc., done, should remember that T. Perry's stand is on Mill street, over the meat mart.

IN MEMORIAM.—Listowel has taken part in the universal tribute of respect to the memory of President Garfield. From the time of receiving the news of his death until the interment took place the flag on the town hall was kept at half mast, and during Monday afternoon the town bell was tolled. At a special meeting of the Council a resolution of condolence was passed, a copy of which was subsequently forwarded to Washington.

Wedding Rings a specialty at BRIBBIN'S.

☞ For a beautiful pair of Ladies Kid Boots and Slippers or Goat Boots go to the Glasgow House.

OPENING OF THE S. & H. RAILWAY.—The Stratford & Huron Railway is now about finished as far as Chesley, and the people of that section will very shortly be placed in direct communication by rail with this place and all points on the main line and branches of the Grand Trunk. On Friday next, 7th Oct., an excursion train will run from Stratford to Chesley, where we understand a demonstration in honor of the event is to take place. As this will be the first opportunity afforded for reaching Chesley by rail, no doubt the excursion will be largely patronized by our citizens. The road will be opened for regular traffic on the 10th October.

If you want a good Watch cheap buy from BRIBBIN.

ORDER your peaches at H. D. Murray's where you can rely upon receiving prompt attention and getting the best value for your money.

SHARPERS.—An unusually large number of sharpers visited Listowel on show day. Sweat boards and other contrivances to fleece the unwary were in operation on the street corners and in the exhibition grounds, and to judge from the crowds that collected around them the fools who parted with their money were quite numerous. It is but little credit to either the town authorities or the agricultural society that these fellows should be allowed to carry on their swindling operations at all, and less credit still that they should be licensed to do so.

TO THE LADIES.—Our stock of Millinery is now fully assorted, and we respectfully invite you to call and have a look through our Show Room. We have some very stylish goods, and you will find our prices moderate

MANTLE MAKING.—We are now showing a large stock of mantle cloths, ornaments and trimmings. We are also prepared to cut or make mantles to order. Our stock of ready made mantles is large and prices low. Sign of 777, ROY, MCDONALD & Co.

HIGH HONORS FOR LISTOWEL HIGH SCHOOL PUPILS.—It is with a great deal of pleasure that we learn that wm Climie and wm Lochhead, late pupils of the Listowel High School, have succeeded in carrying off first year scholarships at the recent examinations at McGill University, Montreal. The scholarships are in classics, and we understand their value is $205 each. we heartily congratulate the young men upon their brilliant success; and we also must congratulate the head master of our High School, to whose excellent training this success has been in a large measure due. It is an honor to our High School to have its pupils thus distinguishing themselves whenplaced in competition with students from the best schools in the Dominion, and speaks well for its efficiency as a preparatory school for those having a University course in view.

Biliousness, Indigestion, Constipation—all forms of Dyspepsia yield at once to a few doses of *Zopesa*, the new compound from Brazil. A 10 cent sample proves it. Sold by J. Livingstone, Jr., druggist, Listowel.

ZOPESA FROM BRAZIL.—Its wonderful affinity to the digestive apparatus of the human stomach, its most surprising effect upon a torpid Liver, and in cleansing and toning the system, can be tested with a 10 cent sample bottle. Sold by J. Livingstone, Jr.

FRED. R. WREN'S Uncle Tom's Cabin and New York Star Combination give entertainments in the Osborne hall this and to-morrow evenings. The thrilling and popular drama of Uncle Tom's Cabin will be produced each evening. The company is highly spoken of, and those who attend will no doubt be well entertained.

ASSIST THE DESTITUTE.—We are pleased to notice that some action is about to be taken to assist those who have been left in destitute circumstances through the late terrible bush fires in Michigan. A subscription list is being prepared, and we trust that our citizens will heartily respond to the appeal which comes from over the border. The fact that many of the unfortunate sufferers are Canadians, and some of them former residents of our own county, should cause the required relief to be donated all the more readily. The Mayor of Port Huron has issued a second appeal to the people of the Provinces of Canada, which sets forth the present state of affairs in the burnt district and the needs of the sufferers. He says: "We are glad to announce that we have all the clothing we need. Bedning, underwear, provisions, grass and clover seed, tinware, table ware, and money are imperatively needed. Our cash receipts up to noon to-day are $121,000. The donations have been generous and timely, but the needs are vast. The generosity of the American people has inspired the sufferers in the burnt region with new hope, and their first needs being supplied they are industriously engaged in building new homes. We will have 15,000 people to house and feed during the approaching winter. Grateful for the donations already made, I am compelled to ask you to continue systematically in your several cities in this great work of charity. I can only renew the assurances that the contributions received will be faithfully used, and I am confident that this appeal for aid will not be in vain."

COUNCIL.—A special meeting of the town Council was held in the Council chamber on Monday evening, 26th inst. Present, the Mayor, Deputy-Reeve, and Councillors Binning, Riggs, Dingman, Fennell, Woods, Deavitt, Gibbs and McDonald. The Mayor addressed the Council, stating that the meeting had been called at the request of some of the ratepayers to consider the advisability of communicating with John Watson, Esq., of Ayr, with a view to have him remove his agricultural works to this town. The Mayor also alluded to the late bush fires in Michigan, and thought some steps should be taken towards aiding those who had been left in destitute circumstances. His worship also alluded to the death of President Garfield, and suggested that a resolution of condolence be forwarded to the Secretary of State at Washington. J. A. Hacking moved, seconded by A. McDonald, that Councillors Riggs, Gibbs and Binning, and D. D. Hay, Esq., be a deputation to wait on John Watson of Ayr, with a view to the removal of his works to this town—carried. D. B. Dingman moved, seconded by T. G. Fennell, that the Council of the town of Listowel, reflecting the unanimous feeling of its citizens, hereby records its deepest sorrow and sympathy with the family of the late President and the Government of the Republic of the United States in the recent national bereavement sustained by them in the lamentable death of their Chief Magistrate, James A. Garfield, and suggests that a copy of this resolution be forwarded to the Secretary of State at Washington—carried. Communications were read: from James Bright, V. S., asking that his taxes for 1880, amounting to $2.36, be remitted—not recommended; from Jno. Kirkwood, night watchman, applying for the position of lamp lighter—laid over; from Ira Bates, of Toronto, claiming damages for injuries sustained through falling out of his buggy while crossing the Wallace street bridge on the night of the 14th inst.—laid over. Jno. Glenn made verbal application for a sidewalk from Samuel Davidson's corner to Marzolf's on wallace street—no action. Council adjourned.

STRATFORD.

The large circle of friends and acquaintances will regret to learn that A. W. Robb, Esq., Mayor, is not recuperating very rapidly, and that his physican has ordered him to a warmer climate during the winter months.

Rev. C. Clement, the pastor of the Central Methodist Church, returned home on Tuesday last from a nine week's visit to Britain and the Continent. His trip has apparently done him much good.

Rev. C. W. Waits, pastor of St Andrews' Church, leaves for England on Wednesday next, for the purpose of visiting his parents, and in hopes that a sea voyage may restore him to his wonted health and vigor.

1881. FALL CIRCULAR. 1881

JOHN C. BURT,
MERCHANT TAILOR.

LISTOWEL, SEPT. 15TH, 1881.

DEAR SIR:

The near approach of fall and winter gives us another opportunity of addressing our friends and customers on the very important subject of their clothing. Encouraged by the success of the past we have endeavored to excel ourselves in making provisions for the future. We have goods to hand already of our own selections for fall and winter wear, and would say that for rarity and freshness of style they are superior to anything we have ever offered.

Our stock of FANCY OVERCOATINGS is very attractive, and admitted by every person who has examined them to be the choicest goods in town. As usual, our Scotch, English, and Canadian SUITINGS embrace the latest designs and colorings. In Black goods we show stocking nett, Corkscrew, Cassimeres, Irish Serges, Diagonals, Worsteds, &c. TROWSERINGS in Whipcords, Hair Lines, Worsteds, Shepherd Plaids, and Fancies. Having bought the above goods at the right time, places us in a position to offer them 20 *Per Cent Below Regular Price.*

We have omitted nothing that would add to the completeness of our stock, to which we invite the attention of those in search of the very LATEST NOVELTIES.

Need we add that we pledge our reputation as first class tailors in the execution of every order received.

Our MR. R. J. FERGUSON, formerly of Taylor & Kennedy, Toronto, continues in full charge of our cutting department, and we still employ the very best class of workmen.

In soliciting a continuance of the favours bestowed upon us, we beg to thank our friends and customers for their liberal patronage during the past season, which we are pleased to say has been the best we have ever had.

Respectfully yours,
JOHN C. BURT.
