LUXURIANT HAIR.

BOGLE'S HYPERION FLUID.—One bottle of this truly valuable liquid is worth more than its weight in gold. There is no quackery in its composition; but healthy and efficacious ingredients, calculated to effect all that it professes. Baldness will at once depart, and a luxuriant growth of hair take its place. Grey hair will return to its pristine brilliancy—weak hair become strongand vigorous, and the skin take a proper and healthy action by the use of the incomparable Hyperion. As an article for giving softness to the hair, and a brilliant glaze, it cannot by any compound be equalled. 160

The following is from the New York Evening Mirror, May 25, 1849:—

"WISTAR'S BALSAM OF WILD CHERRY.—Among all the Pulmonic advertised for the cure of human ailments, there is none in which we have more confidence than 'Wistar's Balsam of Wild Cherry.' We regard it as one of Nature's own preparations—simple, safe, pleasant to take, and almost certain to cure all bilious and pulmonary affections. We have witnessed its wonderful effects in cases that were regarded as hopelessly desperate, and we can conscientiously recommend it as one of the best medicines in the world."

The following is from a very respectable source:—

BOSTON, November 27, 1848.

MR. S. W. POWEL—DEAR SIR,—Although averse to having my name public in the newspapers, I make this an judicial statement, and you are at liberty to make use of it as you may please. In the Fall of 1847, I took a violent cold, which brought on a severe cough that lasted through the Winter and Spring, and caused me to raise blood and phlegm continually, day and night, which greatly reduced me in flesh and strength; I tried several kinds of medicine, with little or no effect; I had become feeble and emaciated, and began to despair of ever getting relief, when, by advice of my friends, I was induced to try Dr. Wistar's Wild Cherry Balsam; and after having taken five bottles, I found myself nearly, or quite well, and to this alone I think I owe present existence. I shall be happy to give further information to any one who will call on me.

Respectfully yours,
WILLIAM WHEELER, Grocer.

PLANTAGENET WATER.

For the past eleven years I have labored under an impaired state of the digestive organs, from which I have found no relief, even by following the prescriptions given by the best physicians of Paris, of Beauvais, of Crepy, and f Grevy, on the lacre; but since I have made use of the Plantagenet Water, I find myself much better. My health has steadily improved, and I am quite inclined to believe that, by the means of these beneficial Waters, I can be radically cured.

MAURICE PROUX,
Priest.

Soulanges, May 24, 1850.

My disease is a Hypocondria, which has become chronic. I feel an oppression and obstruction in the articulations of the Epigrastic, up to the shoulders, which the constricting of the articulations is more especially felt. Since I drank of the Plantagenet Mineral Waters, it seems to me as though my shoulders had been cleared of fifty Kilogrammes. Before I made use of your Mineral Waters, I never expectorated, now I expectorate a large quantity of slimy matters. I think that for those who are troubled with vitiated humors, there is no better cathartic than the Plantagenet Waters, because they operate without difficulting or irritating the digestive organs. These advantages are super-found with Pharmaceutic medicines, as experience has taught me, for after many false digestions, caused by a diet too sedentary, I have tried and used prescriptions of the Pharmacopoeia, which have been the source of my severe illness.

Accept, Sir, the assurance of my great consideration,

MAURICE PROUX,
Priest.

Parish of Soulanges,
24th May, 1850.

I do hereby certify, that for upwards of a year and a half I have suffered severely from dyspepsia and costiveness, from the effect of which I became so attenuated that all hopes of my recovery were abandoned. After having used the various remedies usually prescribed in similar cases, without experiencing any relief, I had recourse to the Plantagenet Spring Waters, and, since I have used them, my health has been completely restored. As I attribute my recovery entirely to these Waters, I consider it my duty most earnestly to recommend them to whomsoever may be afflicted with the above-mentioned disorders.

J. BELLE, N. P.

Montreal, March 16, 1850. 160

MONTREAL, July 6 1850.

During the past eighteen months, I have had ample experience of the Plantagenet Mineral Waters, which has confirmed the favourable impression their analysis led me to entertain of them, as a safe, cooling and refreshing beverage during the heat of summer. I have also found them useful auxiliaries in the treatment of some derangements and diseases.

W. FRASER, M.D.,
Lecturer on the Institutes of Medicine,
McGill College.

MONTREAL, April 15, 1850.

SIR, I have now progressed so far in using the Water for upwards of a year, and I am very happy in being able to place to you, that the opinion which I formed of their properties, based on the analysis of Mr. Hunt, Analyst, at the time of my commencing to use them, has been fully and satisfactorily verified by subsequent experience. I now recommend them extensively, and I have frequent opportunities of hearing from my patients that their employ of them has been attended with all the beneficial results for which they were prescribed.

I am, Sir,
Your obedient servant,
FRANCIS HARRIS, M.D.,
Lecturer on Med. Jurisp., McGill College.
