BRITANNIA
LIFE ASSURANCE COMPANY,
No. 1, *Princes Street, Bank, London.*

CAPITAL—ONE MILLION STERLING.

Empowered by Special Act of Parliament, 4 Vict., Chap. 9.

REDUCED RATES OF PREMIUM—HALF CREDIT RATES OF PREMIUM.

THE great and decided success which has attended this Institution, has induced the Directors to REDUCE the RATES originally required in British North America, to the ordinary European Rates. The result of such Reduction is to enable parties to avail themselves of the important benefits of Life Assurance at much lower *Rates of Premium than those of any other Assurance Company transacting business in Canada.*

The Directors have also resolved to extend to British North America the advantages afforded by the HALF CREDIT RATES of PREMIUM which have been so highly approved, and are so generally adopted by Policy Holders in the United Kingdom. The most liberal conditions are likewise offered to the Assured in lieu of those to which they may succeed by one of land, in other parts of North America without affecting their Interest in their respective Policies.

ERASMUS B. FOSTER,
Resident Director.

THIS COMPANY, which has been established 20 years, commenced with a subscribed Capital of $3,000,000, and was the first, 20 years ago, to offer to the Public two Scales of Premium—the lower, to insure only a fixed amount; the higher, entitling the Insurers to a participation in the profits.

Advantages offered to Insurers.

Very low Rates of Premium on Young Lives. The security of a large realized and invested Capital.

Large Bonuses on Policies effected on the high Scale.

Prompt settlement of Losses.

The full value given for Policies when discontinued.

On Insurances for the Whole of Life: one-half of the Premiums, if desired, permitted to remain unpaid for the first seven years, as a Loan at interest, and then to be paid, or to remain as a permanent Loan, at the option of the Insurer.

Long-term Policies for the Whole of Life, after payment of three Premiums, in proportion to the value of same.

The acceptance of Naval, Military, Climate, and Special Risks of all kinds, on payment of a commensurate Premium. Age admitted on the Policy when issued, if desired, on proof of date of birth.

Permission for the Lives assured to reside in any part of Europe, without extra premium or special license, and to, at and from California, at a small extra premium.

Insurances, if required immediately, may be effected any day between the hours of 10 and 4.

The Pamphlets published by this Company fully set forth the merits of Life Insurance; and copies thereof may be had gratis, on application to the Agent, who is also prepared to furnish every information that intending Insurers may require.

FAMILY TEA, COFFEE AND SUGAR WAREHOUSE.

No. 109, Notre Dame Street.

SAMUEL COCHRAN invites the attention of Customers to his stock of TEAS and COFFEES, which have been selected with the greatest care, and on such terms as allow him to offer them at unusually low prices.

The MACHINERY on the Premises, worked by a Four Horse Power Steam Engine, for Roasting and Grinding Coffee, is on the most approved plan; the Coffee being closely confined in polished metal spheres, which are constantly revolving and oscillating in *limited air chambers*, is prevented imbibing taint from Smoke, danger of partial roasting or burning, and loss of Aroma, so important to Consumers, which is further secured by attention to Grinding at the shortest time prior to Sale. To this elaborate process SAMUEL COCHRAN owes the high reputation his Coffee has obtained through a large portion of the Province.

CRYSTALIZED SUGAR (much admired for Coffee); REFINED SUGAR in small loaves, and WEST INDIA SUGARS, of the best qualities, always on hand.

A few of the choicest selections of TEAS may be had at the CANTON HOUSE, in Native Catty Packages, unrivalled in flavor and perfume, at moderate terms.

Families residing distant from Montreal will have their orders scrupulously attended to, and forwarded with immediate despatch.

Caledonia Springs, 2nd June, 1851.

(Extract of a letter from P. J. Lemoine, Esq., of Montreal.)

I beg to state that on July, 1849, I went to the Springs for the purpose of testing their efficacy in a case of Diabetes, from which I had suffered for 3 years and upwards, during the preceeding years previous. After travelling at the Springs for about three weeks, and drinking from one to three glasses of the Water, my urine was entirely restored to its healthy state, and I have since, on my return home, and during the time I was at the Springs, my urine continued in the healthy state, and that they have experienced from the Caledonia Springs Water, I consider the Waters of the Caledonia Springs to be a most valuable addition to the Medicinal Springs of the province of Canada.

Montreal, 4th June, 1851.

Dear Sir,—In compliance with your request, I have much pleasure in giving you my opinion of the Caledonia Springs, and the effect of the Waters of the Springs, based upon my own and family experience during the last two years, and I feel bound in duty to state, that I have been by a great many Lumbermen and others, suffering under Rheumatism, and other complaints, induced to drink, and bathe in the Waters, and I have seldom or never seen more marked or speedy effects, than I have seen from their use in this case, I have also seen persons who have come to the Springs, lame, and have left them, after a few days, able to walk without a stick, and I have seen persons who have come to the Springs, unable to walk without crutches, and others that could just walk at all, were able by perseverance, to go without crutches, and others that could just walk at all, were able by perseverance, to go without sticks, and to walk from the Springs to their homes, a distance of 4 miles, and I have seen persons who have come to the Springs, with their limbs and joints so stiff with Rheumatism, that they were obliged to be carried to the Springs, and have gone away, immediately, but one week, and have left their crutches behind them, and have returned home, on foot
