An Antidote FOR POISONS

From the press comes a 8-page treatise by 39 eminent doctors, who declare ST. LEON'S powers preeminent to fight and cure diseases; unparalleled as an antidote against the poisons that undermine the system. "Impossible to overestimate this boon; its duplex action unfathomable."

A few places yet to hear from, so roll in the big orders. Give all poor sorrowing sufferers a chance.

FIREPROOF BUILDING MATERIAL.

Dr. Stephen Smith, an eminent physician of New York, Vice-President of the National Board of Health, and late State Commissioner in Lunacy, after a critical examination of Terra Cotta Porous Ware, strongly recommends its use in hospitals, asylums and similar institutions, as "it makes a floor and wall that noise can scarcely penetrate, and capable of taking a finish which will be permeable to air, and may be washed and disinfected."

A recent test at the St. Lawrence Foundry, Toronto, shows that our 9 inch flat arch blocks, in a span of four feet, sustained, without any indication of weakness, 4545 lbs. of metal on one square foot of surface.

Architects are recognizing the value of this material, our latest endorsers being: R. A. Waite, Esq., of Buffalo, N. Y.; Messrs Brown & Love, Toronto; John J. Brown, Esq., Montreal, and Messrs. Knox & Elliott, Toronto.

Our latest orders are from the Bank of Commerce (new building), Toronto, the Royal Insurance Co., rebuilding Head Office, Montreal, the Imperial Fire Insurance Co., new offices at Montreal.

Correspondence solicited.

TOTEM OF HEALTH REMEDIES.

MEDICAL LAKE SALTS AND REMEDIES are sold on guarantee to cure the following diseases: Rheumatism, Paralysis, Dyspepsia, Catarrh, Tonsilitis, Indigestion, Sour Stomach, Blood Poisoning, Scrofula, Salt Rheum, Eczema, in its various forms, Fever Sores, and all Sores whether chronic or acute.

W. N. Learn of Westminster, the well-known cheesemaker, says: "I have suffered for the past eighteen months with Eczema, or what I thought was Ivy Poison. I paid out $150 to doctors and used $10 worth of Chilcura remedy without receiving any benefit. By this time my whole system was poisoned and my hands were in a very bad condition. I offered one of the leading physicians of London a horse worth $150 to cure me, and he would not undertake it. On the last day of the London Fair I called at the Totem of Health office, 208 Dundas-street, and purchased a $1 box of Medical Lake Salts, and one half-dollar bottle of Concentrated Water, and in fourteen days I was entirely cured. I have made this statement and authorized its publication, hoping thereby to benefit others. Ask your druggist for it; if he has not got it, call at 20 Arcade, Yonge-street. Sold wholesale and retail. 26

Rev. P. J. Ed. Page, Professor of chemistry, Laval University, Quebec, says: "I have analysed the India Pale Ale manufactured by John Labatt, London, Ontario, and have found it a light ale, containing but little alcohol, of a delicious flavor and of a very agreeable taste and superior quality, and compares with the best imported ales. I have also analysed the Porter XXX Stout of the same Brewery, which is of an excellent quality; its flavor is very agreeable; it is a tonic more energetic than the above ale, for it is a little richer in alcohol, and can be compared advantageously with any imported article."

EPPS'S COCOA.

BREAKFAST.

"By a thorough knowledge of the natural laws which govern the operations of digestion and nutrition, and by a careful application of the fine properties of well-selected cocoa, Mr. Epps has provided our breakfast tables with a delicately flavored beverage which may save us many heavy doctor's bills. It is by the judicious use of such articles of diet that a constitution may be gradually built up until strong enough to resist every tendency to disease. Hundreds of subtle maladies are floating around us ready to attack wherever there is a weak point. We may escape many a fatal shaft by keeping ourselves well fortified with pure blood and a properly nourished frame."—*Civil Service Gazette.*
