FOR THE AMERICAN DERBY

Ninety-Nine Horses Named for Chicago's Big June Racing Handicap.

MERRIMENT ONLY CANADIAN ENTRY

Summaries and Entries for the Day at New Orleans and San Francisco.

Chicago, Jan. 23.—Ninety-nine 3-year-old horses have been nominated for the American Derby to be run next June. Altho the list is not yet complete and some nominations may be eliminated, it was given out unofficially yesterday at the Washington Park Club and except in minor instances will probably stand as the official list.

The entries for the Derby have come from every part of the country. They include the most promising 3-year-olds now racing in California, the best of the material at Memphis, Lexington, New Orleans and other southern points and 22 are named by eastern owners.

One of the items of interest in the Derby list is the receipt of entries from Barney Schreiber. Schreiber was barred from the Washington Park track in 1900 because of the inconsistent running of his horse Fly-by-Night. At the same time Steve L'Hommedieu was asked to absent himself from Washington Park. The affair caused more discussion than any ruling that had been made in Chicago for years before or at any time since. Schreiber was received by other tracks, but the receipts of his entries this spring for the Derby and other Washington Park stakes is the first evidence that he is again in good standing with the Washington Park Club. When asked about it last night Secretary Howard only said: "The ban on Schreiber has been lifted."

Ed. Corrigan's name appears in the list of nominators. He has entered two colts for the Derby in Jed and Indian H.

The eastern entries are stronger in number and quality than ever before. The names of William C. Whitney, Clarence Mackay, John E. Madden, A. Featherstone, J. B. Haggin, Captain S. S. Brown, John Daly, Sullivan & Harris, N. Benkington, J. G. Follansbee, William Lakeland, R. T. Wilson, jr., and others are among the nominators.

Canada's only entry is from G. W. Cook of Morrisburg, Ont.

WORLD'S BANTAM CHAMPIONSHIP.

Harry Forbes Knocked Out Dan Dougherty in Four Rounds.

St. Louis, Jan. 23.—Danny Dougherty of Philadelphia was knocked out in the fourth round by Harry Forbes of Chicago at the West End Club to-night in what was scheduled to be a 15-round fight at 115 pounds for the bantamweight championship of the country. Both men were in good trim, and the fight was fast and clean. Dougherty did not show to the advantage hoped for by his seconds, his leads being ill-judged and his blows lacking steam. On the other hand the Chicago lad showed to superb advantage, his blows being well timed and his ring generalship of a high order. In the fourth round Forbes feinted with his left, and then sent a straight right to Dougherty's jaw, giving him his quietus. Young Corbett, the featherweight champion, witnessed the contest, and was accorded an ovation by the big audience.

Weinig Beat Creedon.

Hot Springs, Jan. 23.—Al Weinig and Dan Creedon fought nine of the hardest rounds here last night ever witnessed in this territory and when in the ninth Murphy, trainer and second of Creedon, threw a sponge into the ring, Referee Andy Mulligan had nothing to do but declare Weinig the winner. The fight was held under the auspices of the Vapor City Athletic Club. During the early rounds of the fight it seemed all for Creedon, but he could not keep the fast pace he set after the fifth round. Creedon announced his retirement from the ring.

WELLINGTONS' PLUCKY GAME

Victorias Won Second and Deciding Struggle By Five Goals to Three.

STANLEY CUP STAYS IN WINNIPEG

Half Time Score Was 1—0 in Favor of the Holders—It Was Rough Contest.

Members who stayed at home, and all their friends in Toronto are thoroly satisfied with the result of the Wellington Hockey Club's initial attempt to lift the Stanley Cup. The many ridiculed the idea when first suggested, the best local judges of the popular winter pastime persisted in their belief that the Iron Dukes had a royal chance. Now these sanguine supporters have many added to their number, who declare that with Darling at cover point and Ardagh on the line the world's championship trophy would be on the way to Mutual-street. The Ontario Hockey Association must be surely proud of its stalwart champions, who put up the plucky struggle and just missed the goal by a hair's breadth. The Wellingtons merited the splendid reception they received in the Prairie City. They may play Winnipeg team on Saturday night, and with their share of the two big championship gates, the expenses of the big trip should be easily covered. The Wellingtons will return early next week, and they deserve the reception in store for them fully as well as if they had won.

Victorias 5, Wellingtons 3.

Winnipeg, Jan. 23.—(Special).—The Stanley Cup series match, to the relief of the Victorias and their thousands of admirers in the city and the West, hasn't been lifted, but the Wellingtons return home, feeling, no doubt, as they have every right to feel, that they fought and fell nobly. The Wellingtons are most popular with the citizens, but to-night it was evident that the public regarded them as a formidable proposition, and the citizens, having no desire to see the cup taken by any Eastern team, naturally manifested much sympathy with the home team, and cheered them on at every stage of the game.

The attendance was again in the neighborhood of five thousand. The night was cold, about fifteen degrees below zero, and the magnificent sheet of ice was as smooth as glass and hard, the shavings which were swept off at the end of the first half being almost as light as a fluff. The Wellingtons found the congealed stuff a bit different from what they have been accustomed to in the East, nevertheless they kept their feet about as well as the Victorias, and showed marvelous speed. In fact, this is probably where the ice fooled them, as they put on phenomenal speed at times, and found some difficulty in stopping suddenly at opportune moments.

The Match a Toss-Up.

As to the match, as a whole it may be said that it was a toss-up, excepting possibly as to combination work and staying powers, wherein the Victorias seemed to slightly excel, and the latter was no doubt owing to the condition of the Wellingtons, who did not seem to be trained to as fine a point as the Vics. The latter never showed the least sign of fatigue.

A regrettable incident was the injury to that star player McKay. Early in the match he collided with another Wellington and was prostrated for several minutes. Again about two minutes from the end of the game he was heavily checked by one of the Victorias and had to be assisted to the dressing-room. He was playing a game of remarkable brilliancy and was greatly missed from the team. The last injury was in the chest. He rallied after reaching the room, and will no doubt be himself again in a day or two.

Many Players Ruler Off.

A large number of the players were ruled off at various stages of the match. Hill, McLaren, Ardagh, Worts and Chadwick were all on the fence. At one stage of the game both Chadwick and Hill, the two fast forwards, were off, but the Victorias did not score at this period, as the other lads played like demons. The Victorias were also fence adorners, Tony Grinrass a couple of times, Wood twice, Cadham, and others, so that in this respect the teams were almost even up. Scanlan and McLaren got into an altercation during the second half and were warned by the referee. The games were scored as follows:

—First Half.—

1—Victorias	Wood	28 mins.

—Second Half.—

2—Wellingtons	Ardagh	2.40 mins.
3—Wellingtons	Hill	6. mins.
4—Victorias	Wood	30 secs.
5—Victorias	Scanlan	5. mins.
6—Wellingtons	Hill	6.45 mins.
7—Victorias	Scalan	9 mins.
8—Victorias	Cadham	9. mins.

Morrison's Wonderful Work.

The great feature of the first half of the match was the wonderful work of Morison in goal. The puck was sent to the net again and again, and as it left the stick of a Victoria man the vast throng shouted and cheered, but when it passed occasionally, the admirable defence of the Wellington's, only once did it pass the phenomenal goalkeeper.

In scoring the second game for the Wellingtons Hill made a rush, passing several and then shot with great speed, following the puck to the net to see that it got there. A second time it returned, but it landed in the right spot. It was a phenomenal play and called forth the plaudits of the spectators, notwithstanding the strong feeling generally manifested in favor of the home team. Chadwick again distinguished himself. In fact the crowd was anxious whenever he secured, and it was very often. As a stick handler he is a marvel, and more than once he edged his way thru two and three of the Victorias, and came down like a cyclone on the Victorias defence, the Flett brothers, who are not only great stick handlers, but adepts at body checking. The latter was not indulged in to a great degree.

Capt. McKay Out of the Game.

Tho it was a somewhat rough game the best of feeling, taking into consideration the high state of excitement, seemed to exist between the teams. During the long wait, while McKay was in the dressing room for the first time, and again before it was learned that he would not be able to continue after his second injury, the players of the respective teams kept warm by exercising together and taking shots on Morrison's net, and he defended so remarkably as to call forth applause from the spectators. The match was played under Manitoba rules. Winnipegers realize that the Wellingtons are right up in the front rank of hockey players, and many believe that there is probably only one team in Canada that would have come out conquerors against their magnificent play, the Victorias.

Little Betting on Result.

There was little betting on the match. At the conclusion the Wellingtons cheered the champions, and again the crowd joined with the Victorias in three cheers and a tiger for the visitors, who have behaved on and off the ice like "heroes and gentlemen."

The Wellingtons were banqueted at the Queen's to-night by the Victorias. To-morrow they will be entertained at the Commercial Club by the Winnipegs. It is not yet settled whether or not they will give the Winnipegs an exhibition game Saturday night.

Toronto Business League.

The first game of the Toronto Business League was played Wednesday evening on the Parkdale Rink between the Dominion Express and J. F. Brown & Co. The game was scheduled to take place at 8.30, but did not commence until 9.15, owing to the snow having to be cleared off the ice. The boys of both teams performed the latter work to a nicety, setting to work like old-timers. The Express men succeeded in defeating the Brown boys by a score of 7 to 2. The game at half-time stood 3 to 1 in the former's favor. The teams seem very evenly matched and the score does not indicate their respective strength. The Brown boys were handicapped by not having the services of their regular goalkeeper, and as a result were very weak at that point.

The Dominion Express lined up as follows: Goal, H. Hall; point, J. Dowling; cover-point, "Ted" Kenney; forwards, Burns, Hogan, Pattison and Purvis.

Both teams were very well satisfied with Referee Clemes' work.

"Ted" Kenney of the Dominion Express showed up well at cover-point and proved himself to be a superb stick-handler. Dowling, at point, for the Express men, was a stonewall defence.

Menzie of Brown's showed himself to be no new man at the game and gave a good account of himself, playing a strong game at forward.

Another Win for U.C.C.

The junior O.H.A. match at the Mutual-street Rink last night between Upper Canada College and St. Andrew's College, was won by the Deer Park scholars by 8 goals to 1. The score at half-time was 2 to 1. In the second half St. Andrew's could not score. This is the second time that U.C.C. have beaten St. Andrew's. The game last night was a good exhibition and Upper Canada's shooting was an example for most teams to follow, the star of the team being Constantine at cover. The game was fast. Coulson was ruled off twice for tripping, but otherwise there was no roughness.

Shortly after the second half had started, Constantine got in one of his long lifts, which struck Hausser on the head, putting him down and out for about five minutes. The Upper Canada boys did not start in till the second half, when they scored six goals. The teams:

Upper Canada (8): Goal, Lash; point, Keys; cover, Constantine; forwards, Coulson, Morgan, Smith, Morrison.

St. Andrew's (1): Goal, Keith; point, Smith; cover, Russell; forwards, Hausser, Ferguson, Scott, Strachan.

Referee—Doc Wright. Umpires—Fensome and Moore.

First half—1, U.C.C., Morrison, 2 min.; 2, St. Andrew's, Hausser, 15 min.; 3, U.C.C., Morgan, 2 min.

Second half—4, U.C.C., Morrison, 9 min.; 5, U.C.C., Coulson, 2 min.; 6, U.C.C., Morrison, 1 min.; 7, U.C.C., Morrison, 3 min.; 8, U.C.C., Morrison, 2 min.; 9, U.C.C., Coulson, 1 min.

Varsity Loses a Game.

Newmarket, Jan. 23.—Newmarket defeated Varsity by 10 goals to 4 in a very fast intermediate O.H.A. game here to-night. Clark, in Newmarket's net, stopped seven-eighths of the shots that looked like certain goals, and Brundett, in point, was like a stonewall. Newmarket's shooting was, however, much superior to that of the visitors. At no time was the game particularly rough. Brunton, Leopard, Simpson, Flannagan and Cameron of Newmarket were conspicuous for their brilliant work. The game was one of the cleanest and shortest ever played here, only one man being ruled off during rough play. Just 1 hour 11½ minutes elapsed, including rest at half time, from the time the game commenced until it was completed. The teams:

Varsity (4): Fife, Little Brown, Wood, Gilliliam, Pettigrew, Symington.

Newmarket (10): Clark, Brundett, Cameron, Brunton, Leopard, Simpson, Flannagan. Referee—W. B. Lillie.

Ayr Won After Extra Time.

Guelph, Jan. 23.—In the hockey match here to-night in the senior series of the W.O.H.A., between Ayr and the O.A.C., the former won by a score of 10 to 9. At half time the score stood 6 to 1 in favor of O.A.C., but when time was up the visitors had tied the score, which stood 8 to 8. In the ten minutes allowed to play off both sides scored, making it necessary to allow another ten minutes. Ayr this time scored in about a minute, but the College failed to score. Watson of Ayr played a splendid part in goal. Dunn of Guelph, on the forward line, made some brilliant rushes, but was handicapped by Ayr's strong defence. The referee was only fair to Guelph. The teams:

Ayr (10): Goal, Watson; point, Chalk; cover, Malone; forwards, Edgar, Robson, Dagon, Willison.

Guelph (9): Goal, Mills; point, Lapierre; cover, Wier; forwards, Suckling, Pope, Dunn, Hallman. Referee—Kruger of Berlin.

Paine's Celery Compound

USED BY THE WEALTHY AS WELL AS BY THOSE IN HUMBLER CIRCUMSTANCES FOR THE BANISHMENT OF RHEUMATISM.

The most devoted and earnest friends of Paine's Celery Compound are the men and women who possess ample means for the employment of the best medical skill.

Paine's Celery Compound has been used and tested by our best people for the cure of rheumatism, and in every case it has been victorious over the disease. It has saved thousands of pain-racked, disabled and crippled rheumatics for whom physicians could do no more than order a change of climate or bid them bathe in some mineral spring. Mrs. F. McMann, Thorold, Ont., writes about her husband's cure as follows:

"I think it my duty to let you know what Paine's Celery Compound has done for my husband. For two years he suffered very much from rheumatism in the back, and became so bad that he could not bend, stoop or sit in a chair at table, and I was obliged to take his meals to him while he lay in bed. He was treated by various physicians, but received no benefit until he used Paine's Celery Compound. The first bottle gave him relief, and after he had used six bottles he was quite free from the rheumatism. He says he feels like a new man now."
