# ROCHESTER TOOK ONE GAME BISONS BEAT MONTREAL

## Jersey City Again Falls Down in Close Game—Providence Loses to Orioles.

Toronto's winning streak was broken in the second game of the double-header at Diamond Park on Saturday afternoon. Two pitchers were put out of business for the time being, one in each game, Fertsch retiring in the first and Falkenberg in the second. The Rochester team was much changed since Friday. Bates, a Canadian, from Toronto, appeared as catcher for the tail-enders, and did fairly well.

### First Game.

The first game was easy for the Torontos and they led from the start. They hit Fertsch hard and Collins was taken from third and put in to pitch. He did better than Fertsch, but it was too late to do anything, as the game was gone. The Torontos played good ball and hit the ball on the nose all the time. Every one succeeded in getting a safe one, Francis getting a triple, a double and single out of five times up. Applegate pitched good ball and struck out 8 men. The score:

# ROYAL CANADIANS WON ST. CLEMENTS THE SECOND

## Two Fast Games at Sunlight Park—Strathconas Almost Blanked.

The games at Sunlight Park on Saturday afternoon resulted in a win for the Royals and St. Clements. In the first game, altho the fielding was off-color, the play was so even—both teams handing out about an equal share of good and bad ball playing. Armstrong and Taylor both pitched good ball. In the second game the Saints should have scored a shut-out, but the erratic work of Piper at second base, with three costly errors, and Gordon's two-base hit, allowed the Strathconas two runs in the sixth. Scott was touched up pretty freely, but managed to keep the hits scattered, and with the clever fielding behind him won his game quite handily. The Strathconas, with Cully as chief offender, gave Hornby rather ragged support.

### Don Valley League.

The article of ball served up in the Don Valley League on Saturday was of the fastest variety. Two genuine surprises were in store for those who witnessed the contests. The first was the greatest surprise of the season. The Cadets, under the leadership of Frank Flannigan, put up a kind of ball good enough to win almost any game. Perry Hurst, who has been in the box several times this season when the game was already lost, pitched good ball and had the game well in hand at all stages. Jones, a new man, was a great help. His hitting was the direct source of at least four runs.

The second game brought together the Arctics and Marlboros. The Arctics started with a rush, and made four in the second innings on hits by Legoode and L. Cowle. Curran drew a pass and McDowell came along with a two-bagger, scoring three runs. McDowell also scored on hits by Kirkpatrick and McDonald. W. Cowle fanned the air, and the agony was over. In the sixth Curran hit, McDowell followed his example, and one run was the result. This finished the scoring, as far the Arctics were concerned. The Marlboros could do nothing with Legoode when men were on bases. Lackey was quite generous in the matter of free passes; he also struck out seven Arctic batsmen. Scores:
