Make Ready.—We understand that orders have been received by the Ordnance Department, for a rigid inspection of the state of the powder in the various mag[azin]es—and that a board of survey is now being held upon this munition of war, every barrel of which is carefully examined.—*Halifax Times.*

The N. Y. Herald's correspondent writes "that Col. Benton intends to bring in a bill for the organization of an army of two hundred thousand men, and the authorization of a war loan of $10,000,000, to prepare for any contingency that may grow out of the Oregon question."

Quebec, Dec. 22.—We are sorry to have to record the loss of two more of our outward bound vessels, one of them supposed to be the bark Montreal, Capt. Douglas, which sailed hence on the morning of the 28th Nov., with the loss of her crew and passengers.

The following is an extract of a letter received here yesterday from Mr. Charles Campbell, dated—

"*Matane, 15th Dec.*, 1845.

"A man from Ste. Anne, (district of Gaspe), named Thos. Allison, who has just arrived here, reports two wrecks at Cape Chat, the crew of one was saved, but, sad to relate, of the other vessel, not one is left to tell the tale. Several of their bodies have been washed on shore, among them are a woman and a child. On the vessel's burgee, which is torn, are the three first letters of her name—MON.

"He further reports a Schooner being totally wrecked about six miles below the bark—none of her crew seen at all, and supposed to have no cargo, as none was seen."

A letter has been received from Capt. Miller, of the ship Wm. Bayard, by Messrs. A Gilmour & Co., informing them of the loss of that vessel, which went ashore on the 6th instant, at Little Matane, and will be a total wreck. Capt. Miller and his crew had got up to Metis. Capt. M. states that his men have been dreadfully frost-bitten, and one, he fears, will lose his life.—*Gazette.*

Dec. 26.—The following is an extract of a letter received here yesterday, by Messrs. Tetu & Co. dated River Ouelle, 23d Dec. 1845:—"A boat from Green Island, with fifteen men on board, got fast in the ice, and every soul on board perished. It is also reported that fifteen men have been found frozen to death on Red Island."

Passengers in the ship *Renfrewshire*, for Liverpool, sailed on Wednesday 31st ult.—Messrs. T. W. Daniel and J. B. Street.
