DRAWING FOR OPPONENTS.

Program for the Opening Day of Niagara's Bowling Tourney—Cricket, Baseball, Turf and All Sorts of Sports.

A meeting of the Executive Committee of the Ontario Lawn Bowling Association was held last evening in the Queen's Hotel, with President Major Cosby in the chair. The entries closed yesterday and the draws were made out at the meeting. The tournament begins to-morrow at 11.30 on the Queen's Royal lawns at Niagara. There are 33 rinks in the championship competition, the largest number ever playing in an association tournament. With the addition of single and double players, there will be 120 bowlers on the Niagara green. In the list two new clubs are entered, Mitchell and Toronto rink known as the Markham-street Club, skipped by J. W. Corcoran. It is unfortunate that Kingston has not materialized, as several Victoria and Granite Rinks were thirsting for their gore.

In the championship rink competition 21 ends will be played, while 18 ends will be the contest in the consolation. There will be 15 ends in the doubles and 15 points in the singles. These two competitions do not commence till Thursday afternoon. The groundsmen of the Victoria and Granite Clubs have been working on the lawn which is certain of being in excellent shape. The Great Lacrosse Match Saturday.

The Shamrock team, champions of the world for '92, appear at Rosedale Saturday in probably what will be the finest game of lacrosse seen in Toronto this year. The T.L.C. management expect one of the largest attendances seen on the new grounds at Rosedale since its opening. The sale of reserved seats commences at Suckling & Co.'s, Yonge-street, this morning. The Toronto team will be in good condition for the game. Last night one hour of good work was done with the stick, after which some sprinting was indulged in. This will be the week's program up till Thursday, when the team will be chosen by the team committee. Supper will be served on the grounds to-night and practice will commence at 6.15.

The Dukes at Cobourg.

The Dukes went to Cobourg yesterday and won a close game by 16 to 15 in 10 innings. There was some difficulty in the tenth owing to the two umpires disagreeing. Cobourg had scored one and two of the Dukes were out without tallying. The deciding umpire gave a man safe, but the other umpire dissented. Afterwards the Dukes scored two runs, winning the game. Mulhall and McGarry pitched.

Baseball In Cockneytown.

LONDON, Aug. 21.—The Alerts defeated the Maple Leafs of Guelph here to-day in both civic holiday games, by 9 to 0 in the morning and 12 to 1 in the afternoon.

General Sporting Notes.

It is said that the Canadians lost heavily on Martyrdom's defeat at Saratoga yesterday.

The estimated value of this year's Futurity to be run next Tuesday at Sheepshead Bay is $63,995.

A lack of finances caused the abandonment of the World's Dog Show, and also the proposed kennel event at Kingston, Ont.

The Oriole Lacrosse Club have secured the Moss Park Rink for a practice ground and will practice there to-night at 7 p.m. All members are requested to be present.

The Gore Vales will practice Tuesday, Wednesday and Thursday of the present week, at corner of Defoe and Massey-streets. Practice commences at 6.30 sharp. Players please note.

The Toronto Sailing Skiff Club's races on Saturday for 16-footers resulted in a victory for Gracie, Nina 2, Flora 3, Isek 4, Star 5 and Flirt 6. On Sept. 2 the race for 19-footers takes place.

The following are the results of some Saturday baseball games that were unfortunately crowded out of Sunday and Monday: Senior Stars 10, Actives 14; Maple Leafs 9, Condors 7; Capitats 20, Athletics 5; Maroons 14, Imperials 13.

A wild lynx has been seen in High Park. His lynxship has helped himself to many things in that neighborhood. He has been in John Pearson's larder. A hunting party failed to locate him.

The Australians met with a defeat by Kent at Canterbury, by 229 and 60 to 137 and 193. The colonials went in for their second innings with only 94 to make to win. The exciting finish may be imagined with wickets falling fast and the total only reaching 60.

Mr. W. A. Littlejohn, secretary of the C.A.O.A., has been asked to referee the races at the 5th annual fall championship regatta of the New England American Rowing Association at Boston on Labor Day, Sept. 4.

MUSIC.

The Difference Between Theory and Practice.

The young man who wore his hair long and talked music had been to call on the young lady, and when he took his leave she went into the library where her father was and threw herself on a sofa wearily.

"Tired?" enquired the father.

"He's been talking music in the abstract," was all she said.

"What did he say about it?"

"Well," she replied, "he said that the musical faculty is located in the second frontal convolution of the brain, and as it has a centre in each cerebral hemisphere, a strong development of it expands the temporal region of the cranium, about where the hair begins."

"Was that all?" smiled the father.

"Oh, no! He said further that the temperament or mixture of the bodily elements must also be carefully considered, and as the tone art is so largely a matter of feeling and suggestion, the degree of sensitiveness and responsiveness in the fibre of the individual will be only second in importance to the development of the brain."

"Why didn't you ask him to sing after that?"

"I did, papa, I did," sighed the girl.

"And did he?"

"Yes, he did; he sang, 'Where Did You Get Those Shoes?' I think guinane brothers, two fourteen yonge-street, must be using him for an advertisement. Really, papa, I bought these sweet little white kid shoes at their place to-day, and just fancy, they only cost me the absurd sum of seventy-five cents. At the same time I bought such a charming pair of white canvas walking shoes, beautifully trimmed with kid, and I might have got them in any color for eighty-five cents. Besides these shoes are only size two and a half and I have always worn fours, and you know, papa, dear, that is inducement enough for we vain little girls."

A Wheeler writes: I see "Member" calls attention to the idea of having suggestions sent in for colors of the Athletic Club. Bright colors are always trying to the eyes to watch, both by players and audience, though they may tend to lend color to a field. This, however, is generally well enough supplied by the fair patrons. I therefore suggest brown (Vandyke), for guernsey or shirt; rifle green for breeches and stockings or trousers, and orange for the lettering of the guernsey, or for a cord down the trouser leg. The three colors would look well in the "V" idea for a ribbon, and also in the blazer flannel coats and caps. These colors are durable and would not fade easily, besides having an artistic effect.
