We have no hesitation in saying that Dr. J. D. Kellogg's Dysentery Cordial is without doubt the best medicine ever introduced for dysentery, diarrhoea, cholera and all summer complaints, sea sickness, etc. It promptly gives relief, and never fails to effect a positive cure. Mothers should never be without a bottle when their children are teething.

AT OSGOODE HALL.

Judgment in the Canadian Bookseller Case—Webber Secures Judgment Against Wm. Dixon for $2053.

Osgoode Hall, Nov. 9, 1895.

Mr. Justice MacMahon has given judgment in Rose v. McLean, tried last week at the Toronto non-jury sittings. He finds in favor of plaintiff and grants an injunction restraining defendants from using "Canada" or "Canadian" in connection with the word "Bookseller," in the publication issued by them under the name of "Canadian Bookseller and Stationer." Reference to Master-in-Ordinary as to damages, if plaintiff desires it. Costs of action to plaintiff. George Kappele, for plaintiff. R. C. Levesconte for defendants.

And also in Webber v. Dixon. In this case he finds in favor of the defendants, Dixon & Son, dismissing action against them, without costs, thus sustaining their contention that they did not order the catalogues, part of the price of which represented by notes, was the subject of the action. Judgment against the father, the defendant, William Dixon, for $2053, with interest. Wallace Nesbitt and C. Beatty for plaintiffs. W. R. Smyth for defendants.

Also in Staples v. Gillespie, an action tried at Peterboro', for construction of a will. He finds plaintiff entitled to be paid the $500 and interest from July, 1895, claimed by her. Costs of all parties to be paid out of estate. He also grants usual administration order, with commission, in lieu of costs. W. A. Stratton (Peterboro') for plaintiff. A. A. Smith (Millbrook), for defendant E. A. Cowes. H. M. Hayes (Peterboro') for infant defendants. John Burnham, Q.C. (Peterboro'), for executors.

Meredith, C.J., will preside in Judge's Chambers on Monday, Nov. 11, at 11 a.m. There are no appeals set down.

Peremptory list for non-jury sittings before Armour, C.J., on Monday, Nov. 11, at 10 a.m.: Re Score, Brown v. Score, Hallamore v. Campbell, Barrett v. Marks, Dance v. Morrison, Carter v. Crabbe, Moir v. Davey.

For Court of Appeal, at 11 a.m.: MacTavish v. Rogers (to be concluded), Blackley v. Toronto Railway Company, Trust & Loan Company v. McKenzie.

Police Magistrate for East York.

It is thought that the appointment of a police magistrate for the southern portion of the County of York may be made by the Lieut.-Governor during the next few days. The matter was brought up by Deputy Reeve Lucas, and there is a strong feeling east of Yonge-street that the position should go to a East York man, as the majority of appointments, it is claimed, have lately gone to residents of West York, including the registrarship and a police magistrate. The position is worth $600, or plus the fees pertaining to the office.

A number of East Toronto creditors of the ex-Warden of the County of York were last week paid instalments on the various sums due them, amounting in several cases to 4 1-2 per cent.

East Toronto.

Owing to the severe illness of his wife and his needed presence at home, the Rev. Mr. Creswick, incumbent of St. Saviour's Church, East Toronto, will be assisted for the next few days in the work of the parish by clerical aid from St. Anne's Church, Toronto.

York Township Council.

The meeting of the York Township Council which was called for to-day has been posponed until Wednesday afternoon at 2 o'clock, in the township office at the Arcade.

88. Vancouver.

One of the finet steamers that sails between Canada and England is the Dominion S.S. Co.'s steamer Vancouver. Sir Oliver Mowat says, "We have always heard that the Vancouver is the best boat on the route, and from the uniform kindness and attention we have received from the genial captain to the most humble servant, on the ship, that impression is fully confirmed." The steamer referred to makes her last trip from Montreal on Friday next (15th inst.). The winter rates being now in force passengers have the opportunity of crossing the Atlantic at very reasonable rates. Intending passengers should book without delay.

Unequalled—Mr. Thomas Brunt, Tyendinaga, Ont., wries: "I have to thank you for recommending Dr. Thomas' Eclectric Oil for bleeding piles. I was troubled with them for nearly 15 years, and tried almost everything I could hear or think of. Some of them would give me temporary relief, but none would effect a cure. I have now been free from the distressing complaint for nearly 18 months. I hope you will continue to recommend it."

McIntyre & Wardwell (John J. Dixon) received the following despatch to-day from Schwartz, Dupee & Co., Chicago:

The war scare disappeared, and in its place came reports of financial weakness abroad. Several round lots of wheat were sold. The support to the market came from shorts and from the long holders of privileges. To-day's clearances were about 150,000 bush. Receipts in the Northwest continue enormous, and our advices indicate no probability of a let-up, except from bad weather, scarcity of cars or lack of room at the terminal. Duluth and Minneapolis had 1191 cars, against 806. St. Louis to-day sold under Chicago, the first time this season. There were some 110,000 bush. of cash wheat. Charters were for 137,000 bu of which 30,000 bush goes to Buffalo, 25,000 to Ogdensburg, the balance to Toledo.

Corn started strong on the wet weather, but there were numerous sales of small lines of long corn by pit traders. Yesterday's covering of shorts had left the market with little support. The cash demand was slight. Nov. and cash corn weak. Primary markets received 423,000 bush. against 219,000 bush last year. Local receipts, 427 cars, against 355 expected. Withdrawals from store, 154,000 bush. Argentine shipments for the week were 960,000 bush. Charters were 10,000 bush.

Provisions were exceedingly dull, until mid-session, when the packers began to sell against manufacture, and found but small demand outside of scalping shorts. This speculative short interest in the Jan. deliveries has been so well covered during the last two weeks that material decline in prices is quite probable the coming week. There is a fair cash trade for meats,

but cold weather will diminish that. Refiners are taking loose lard rather freely, but the foreign demand is light, and the manufacture is unusually heavy, and will continue as long as the futures sell at present premiums over ribs. Henry A King & Co. received the following despatch to-day from Chicago:

Wheat opened to-day at 58½c for Dec., Private cable says wheat closed at ½d higher. Northwest receipts showed an increase of 385 cars over last year. Bradstreet's reported the total exports of wheat and flour this week as being 2,566,000 bush, against 2,743,000 bush last week. Official crop of Russia, 246,000,000 bush, against 288,000,000 bush last year. Business in our market has been very quiet to-day, with values a shade lower all around. There was a fair increase in the offerings, and the market eased off a little. At this age of the world it is mighty unsafe to attempt to bull prices on
