The Exhibition.

The repairs on the Exhibition building are progressing favorably. The painters are now at work on the outside, and as the weather is favorable, the building will soon present a fine appearance. The grounds and Race Track will shortly be taken in hand, and the indications now are, that everything will be in readiness for the Provincial Exhibition at an early day.—*Fton Express.*

Whether the City of Fredericton is exceptionable or not we cannot say, but it does seem as if the smallest job to be done for the Corporation was commenced without a proper understanding, continued amidst continual rowing, and paid for in excess of its value on compulsion under threat of a law suit, or by smuggling through a bill for "extras" after the contract has been paid,—at least this has been the general rule for some time past. —*Head Quarters.*

ALL and singular the estate, right, title, interest, lands, tenements, hereditaments, premises and appurtenances, described in and conveyed by a certain indenture of mortgage made between John Millican, of the Parish of Westfield, in King's County, miliman, and Ann, his wife, of the one part, and Eliza Ennis, of the other part, dated the second day of August, Anno Domini, 1870, registered in the office of the Registrar of Deeds in and for King's County, in Book E. No. 3, pages 575, 576 577, 578, 579, 580, 581 and 582 of Records, to wit:—A certain indenture of lease, dated the first day of May, A. D., 1855, whereby Barnes Travis, and Elizabeth, his wife, did demise and lease unto one James Millican—"A Lot of Land "situate in the said Parish of Westfield, known "as Lot number (7) Seven, bounded easterly by "the River Saint John; northerly by a lot of "land formerly in the possession of James and "Benjamin Cole; westerly by unimproved lands; "and southerly by a lot in possession of Benjamin Stevens; the said lot thereby demised containing two hundred acres, more or less, with "the appurtenances and privileges thereunto "belonging."—To have and to hold the same unto the said James Millican and his assigns for the term of twenty-one years from the date hereof, at the annual rate of (£25) twenty-five pounds, containing covenants for renewal or payment for improvements, as by reference to said indenture of lease will more fully appear, which indenture was assigned by the said James Millican, together with the said lot of land, and the Mill Buildings and erections thereon, as also the said term of years, to the said John Millican. Also, certain Freehold Lands in the said indenture of mortgage, described and conveyed as follows, to wit:—All that certain tract, piece or parcel of Land, situate in the said Parish of Westfield, in King's County aforesaid, being a part of the grant to Benjamin Cole, dated on or about the 28th day of December, 1825, and bounded and described as—"Commencing at the south-east corner of land belonging to William McCordock; thence running south twenty-six degrees; west a sufficient distance to make two "hundred acres with ten per cent. allowance; "the said lot being one hundred and five chains "deep; thence running westone hundred and five "chains to the rear line of said grant; thence north "twenty six degrees, east to the south-west corner of the said William McCordock's lands; "and thence following the line of the said William McCordock to the place of beginning, "containing two hundred acres, with ten per "cent. allowance as aforesaid." Also: those other lots, pieces, or parcels of land, situate in the said Parish of Westfield, heretofore sold and conveyed to the said John Millican by Edwin Fisher and others, by deed of bargain and sale, and therein described as follows:—"Beginning "at a stake placed at the south-eastern "angle of a lot granted to Benjamin Cole, in the "rear line of number (12) twelve, of lots fronting on G and Fay; thence west one hundred "and five chains of four poles each, along the "southern boundary of Benjamin Cole's lot; "thence south twenty six degrees, west fourteen "chains or to the north-western angle of the lot "granted to James Cole; thence east one hundred and five chains of four poles each, along "said James Cole's northern boundary to a "marked birch tree standing on the rear line of "the front lot number thirteen (13); thence "north twenty-six degrees, east fourteen chains "or to the stake at the place of beginning. Also, all that other lot or parcel of Land, beginning at a marked spruce tree standing on the "north-eastern angle of land owned by Robert "Heuston, on the rear line of front lot number "fourteen (14); thence west along the northern "boundary of said Heuston's lot, one hundred "and five chains of four poles each; thence north "twenty six degrees east, eleven chains and "seventy-five links; thence east one hundred "and five chains; thence south twenty six degrees, west eleven chains and seventy-five "links, to the marked spruce tree at the place "of beginning, described in the original grant "thereof as being in the Parish of Lancaster, in "the County of Saint John, but which on "the lines being run correctly between the "Counties of St. John and Kings, and upon accurate survey, it is believed will be found to "be in the Parish of Westfield, in the County of "Kings"; together with all the rights, members, privileges; buildings, improvements and appurtenances to the said several lots, tracts, pieces or parcels of land belonging or appertaining, and all ways, rights of ways, water, watercourses and easements connected therewith or belonging thereto; and also the mill buildings and mill gear, and all machinery, belts, tools, apparatus and appurtenances thereon standing and being.

The above sale will be made under and by virtue of a power of sale, contained in the above mentioned indenture of mortgage, because of default made in payment of the moneys secured thereby, and on account of the non-performance of certain covenants therein contained.

Dated at the City of Saint John, this fourth day of July, A. D. 1873.
