TURKISH BLACK SALVE.

UNDER THE PATRONAGE OF THE HONORABLE THE EAST INDIA COMPANY.

THIS SALVE, prepared from the original Receipt, procured from a celebrated Turkish Hakim, (physician) of Smyrna, in Asia Minor, and which has obtained an unprecedented celebrity in Great Britain and the East Indies, from the astonishing Cures performed by it in both these countries, has lately been introduced into Montreal. As might be expected, its popularity has followed it, and its use is becoming general among all classes. The contracted limits of an advertisement necessarily precludes entering into any adequate detail of its merits, but, for the information of the public, it is intended to publish, from time to time, such statements of cures as have or may occur. It has been used for the following complaints with the most complete success:—Such as Swollen Glands, Broken Breasts, White Swellings, Whitlows, Scalds from Steamboat explosions, or other causes, Burns, Fever Sores, Scrofulous Sores, Sore Nipples, Carbuncles, Scald Head, Gun-shot Wounds, Bruises, Boils, Frostbites, Wens, Chilblains, Ulcerated and Common Sore Throats, and Bonions. If used in time, it will prevent or cure Cancers, also, Swellings arising from a blow on the Breast, Ring Worm, Pains in the Back, Rheumatism, Gout, Pains in the Chest, Palpitation of the Heart, Complaints in the Liver, Spine, Heart and Hip, Rushing of Blood to the Head, Swelled Face and Toothache. In fact, it is impossible to enumerate half the complaints that have been cured by the application of this Salve.

RARE CHANCE
FOR
CALIFORNIA,
VIA THE RIVER ST. LAWRENCE.

THE Staunch-Built Steam Propeller *EARL CATHCART*, now plying between Detroit and Montreal, and about 350 Tons Burthen, will leave DETROIT in OCTOBER, and QUEBEC in NOVEMBER, 1850, for CALIFORNIA, in charge of an experienced Captain.

The Proprietors will furnish $10,000; part to be expended in making such alterations and improvements as are necessary, and in purchasing Provisions and Fuel for the Voyage, and the remainder to be left on board in cash, or used in purchasing extra Provisions, if so determined at a general meeting of the Ticket-Holders, to be held soon after the Tickets are subscribed for.

64 Tickets for Sale, at $500 each. A Ticket entitles the holder to a 64th part of the Vessel, as well as a Cabin Passage to California, with such quantity of Freight as may be determined on by themselves, at the meeting, which is estimated at about Two Tons each, the Vessel to be given up to Ticket Holders after leaving Quebec.

Reasons for adopting this method of proceeding to California in preference to all others:—

1st. The certainty of a short and pleasant voyage, insured by starting in November, owing to deriving the benefits of the St. Lawrence Gulf Stream, the Trade Winds, and Mid-Summer, (December or January,) whilst passing through the Straits of Magellan and the Pacific Ocean, always calm at that season of the year.

2nd. Of reaching California at the commencement of the fine and profitable season, and of having a home on arrival there; the Vessel affords such.

3rd. Of owning for each share a 64th part of a most superior Steamer, which, if desired, will command a ready sale, and without doubt to advantage; or, if preferred, can be run with a large profit to her owners, as the following extract will shew:—

Profits of the Pacific Steamers.—A correspondent of the New York *Sun* says, that the Steamships running between Panama and San Francisco, carry, on an average, 150 Cabin Passengers each way, at $300 each, and 250 Steerage Passengers at $150 each, thus realizing $165,000. The expenses do not exceed $55,700, so that the profits of the voyage, on passengers alone, is $109,300. Add to this the Freight—say $8,000, and the total profit amounts to $117,300.

Tickets may be secured on early application to either

TESTIMONIALS.

"It is, undoubtedly, the most complete Dictionary of the English language that has ever been published, and AGES WILL ELAPSE before any other Dictionary of that language will be required. It is, in every respect, far superior to the folio editions of Johnson's Dictionary. The Introductory essays—on the origin and progress of language—Etymology—the changes of the English language, and other topics—contains an immense mass of useful information, which must have cost the author a very great degree of labor and research. The pronunciation of Scriptural, Classical, and Geographical names, forms a most valuable appendix to the Dictionary, and cannot be too highly appreciated."—*Thomas Dick, (Author of the Christian Philosopher, &c.)*

Broughty Ferry, near Dundee, Sept. 12, 1849.

"In regard to *pronunciation*, we feel perfectly satisfied that this revision places that subject on a truer ground than any other work of the kind. The system of pronouncing conforms to a pure and manly taste, adapted to the character of the language, and is far removed from all affectation and mere fashion. * * It is now, we fully believe, in this revision, brought down to the true circumstances of the community as all respects. And we hope it will find its way rapidly, not only to the schools and the study, but to the parlor, the counting-room, and to the every day purposes of life."—*Hon. Wm. B. Calhoun, Dec., 1847.*

"We venture to say that there is no Dictionary in the English language which combines so many advantages, with such economy of price, beauty of execution, compactness and clearness, as this *Quarto* Edition of Webster."—*N. Y. Observer.*

"We rejoice that the public award is strongly gratifying our long-cherished conviction that Noah Webster was decidedly the best Lexicographer who has treated of the English language. Emphatically the Dictionary of our language."—*N. Y. Tribune.*

"There is no Dictionary but this of Webster's that can be adopted as a standard."—*Boston Courier.*

"In its admirable definitions, its accurate philology, its copiousness, good sense, and completeness, it is fast receiving the judgment of the learned world, that it has no equal."—*N. Y. Evangelist.*

"With materials so abundant, advantages so unusual, and upon a basis so valuable as the result of the labors of Webster, during the thirty years which he devoted to the subject, Professor Goodrich has completed a perfect and most authoritative Dictionary of the English language as spoken and written in A. D. 1848."—*Baltimore Patriot.*

"Perhaps no work ever issued from the press more faultless in every particular."—*Daily Ohio State Journal.*

"Its cheapness is not the least remarkable thing about it, nearly 1,500 quarto pages for $6."—*St. Louis Herald of Religious Liberty.*
