RETURNED SOLDIERS MAY NOT GET TAX EXEMPTION EASILY

Much Red Tape Involved, Is Pointed Out by City Solicitor.

PORT HOGGED VISITORS

Told Cleveland M. C. R. Excursionists There Was Nothing Doing in St. Thomas.

ST. THOMAS, Aug. 9.—The direction of the attorney-general that overseas soldiers would be entitled under the act to exemption from taxation if they hold an agreement for the purchase of their land was repudiated again tonight at a meeting of the finance committee by City Solicitor Doherty. The solicitor insisted that the veterans were not the owners of their property until they received their deeds from the vendors. The city solicitor reported that about half of the applicants for exemption held their homes under agreements. Some of these had purchased property at from $2,000 to $4,000 and only paid a small amount down on their agreements, and there was no guarantee, declared the solicitor, that the purchasers will carry out the terms of the agreement. Those of the veterans who can produce their deeds will be given the benefit of the act.

The city solicitor was not impressed with the opinion of Attorney-General Raney.

Erie Iron Works.

W. S. Rogers, for the Erie Iron Works, appealed to the committee for the revision in the term of his mortgage. Mr. Rogers offered the council his payment of interest $750 and $1,000 of the principal. He would pay $1,500 more if the city would discharge the mortgage on the merchandise. Mr. Rogers explained that with a lien on the stock the company was handicapped in dealing with the bank.

No action was taken on the application of Mr. Rogers.

London and Port Stanley Railway.

An account of $154 was sent in by the London and Port Stanley Railway for the city's share in the building of a fence between the city's property and the station grounds was left over. The city engineer found that the fence is not on the boundary limits and may have to be changed.

Wou'dn't Be a Turnkey.

So far the county authorities cannot secure a temporary turnkey. The applicants, when shown the regulations and schedule of wages for an average of fourteen hours' work in and about the jail, put on their hats again and remarked there was nothing doing. A young man called today, and when shown where he was to take up his quarters threw up his hands and made for the open. The governor is doing double duty.

O. T. A. Infraction.

O. T. A. infractions were the only Monday morning items coming before the local magistrate. A man from Straffordville was fined $100 for carrying liquor in his auto. A local man was fined $15 for being intoxicated, and a St. Thomas resident who got flowing over at the lakeside was also ordered to pay $15 and costs.

J. Todd, Superintendent.

Ex-Councillor James Todd of the gravel road, has been appointed highway superintendent of the township of Yarmouth at an allowance of $1,200 yearly. There were fifteen applicants for the job. He will have supervision of the repairs and construction of the highways of the township. The Government pays 40 per cent of his salary.

Organization Completed.

The practical organization of the proposed memorial hospital was perfected today by the appointment of Judge Colter as chairman and Ex-Mayor Horton secretary. In the meanwhile the three trustees appointed under the act of incorporation will submit a code of laws, suggestions dealing with a systematic propaganda and recommendations relative to an organized plan of campaign. The cost of the structure is estimated at $300,000. This amount will be divided into three contributions: $100,000 grant from the county, $100,000 from the city and $100,000 by way of private subscriptions. The extra outlay would be in furnishing the wards. This additional expense would, it is expected, be borne by the several fraternal and patriotic societies. The executive will again meet tomorrow morning.

May Go to Sarnia.

Stanley Oliver, organist of the First Methodist Church, has been offered a similar position by the board of Central Methodist Church, Sarnia. He will consider the proposal.

The auto of Mrs. Catherine Foss, residing at the corner of Elizabeth and White streets, was badly damaged by a blaze today, originating, it is surmised, in the short-circuiting of wires.

Letters of appreciation of the attention and friendly spirit shown the fire chiefs at the recent convention by the people of the city are being received from several of the visitors.

Clevelanders coming across to enjoy the M. C. R. employees' picnic Saturday were told on their arrival at Port Stanley there was nothing doing at St. Thomas, and they remained with the kewpies at the lakeside.

PELEE ISLAND CROPS IN FINE CONDITION

LEAMINGTON, Aug. 9.—The crops on Pelee Island far surpass those on the mainland, although those in the county are excellent. The corn is taller and oats have averaged 30 bushels to the acre. Some fields of tobacco are ready to top.

Extensive dredging is being planned, and debentures to cover this expense have been recently issued and sold by the council.

The marsh land is now all under cultivation and is considered the best soil on the island.

MANNIX TRAITOR, SAYS F.G.NEWTON

Sarnia Clergyman Harshly Denounces Australian Prelate.

SARNIA, Aug. 9.—Speaking of Archbishop Mannix of Melbourne, Australia, Rev. F. G. Newton, addressing the Black Knights of Ireland of Sarnia and Port Huron here, stated that the man now attempting to gain admittance to Erin's Isle, was a traitor to Great Britain and to the land that gave him his birth. In continuing his address at the international meeting, Rev. Mr. Newton said that Archbishop Mannix had been sent out of Australia as "a stirrer up of strife, a hate breeder and one who had done his best to persuade men from helping Great Britain in the great war," and that this man was not wanted in the British Empire.

GOVERNMENT MAKING SELVES VERY SILLY, MANNIX DECLARES

People of Ireland Know Their Business, Without Him, He Says.

PLYMOUTH, Aug. 9.—"I think the Government is making it worse for themselves than for me. They are putting me to a little inconvenience, but are making themselves very silly."

Thus spoke Archbishop Mannix of Australia to six priests and newspapermen who greeted him on his arrival by train in Plymouth at 10:30 o'clock tonight from Penzance.

"I think the people of Ireland," the archbishop added, "know their business as well as the people over here. I was not going there to tell the people my views at all, because they have made up their minds without any reference to me."

Archbishop Mannix chatted for several minutes at the station, during which he referred without comment to his removal from the Baltic and the restrictions placed on his movements. He proceeded on the train for London.

BANK COMMISSIONER ACTS TO PUT CHECK ON PONZI'S DEALINGS

Official Orders Trust Company To Pay No More Checks.

BOSTON, Aug. 9.—Action to check the business dealings of Charles Ponzi, who claims to have made millions through international exchanges, was taken today through an involuntary petition in bankruptcy, filed by three men, who hold notes totalling $750, and by Bank Commissioner Joseph C. Allen, who ordered the Hanover Trust Company to pay no more checks of Ponzi or his clients because of an alleged overdrawing of account at that bank.

An increased activity in federal and state investigations was also noted. Attorney-General J. Weston Allen gave out a statement, which charged that inquiries by state officials had thus far failed to confirm Ponzi's claims that he has dealt extensively in international reply coupons.

Ponzi's statement to newspapermen discussing the day's developments, reiterated that he was solvent, and that he desired to have the investigation completed as soon as possible, so that he might resume his business operations.

He said that he had a certified check for $1,500,000 subject to 30 days' notice of withdrawal at the Hanover Trust Company, where it is alleged he has overdrawn one account, and added that he had in deposit in the form of funds and securities at other institutions in this city amounts more than sufficient to cover all liabilities.

SEEK ENOUGH HEAT FOR NEXT WINTER

Chatham Board Takes Action To Insure Against Industries Closing Down.

CHATHAM, August 9.—The board of directors of the chamber of commerce in session today appointed a strong committee to meet representatives of the Chatham Steam Heating Company relative to supplies of steam heat for the coming winter. Business suffered to a considerable extent here last winter as the result of the failure of the heating company to supply the necessary heat and the directors are determined that a repetition of last year's troubles will not occur this year.

Forming Branch.

Lieut. Pickett of the Navy League is in the city preparing the local organization, which will aid in the big drive for the league in the latter part of October.

Secure Grounds.

The executive of the Chatham Amateur Athletic Association met the executive of the West Kent Agricultural Society on Saturday last and arrangements will probably be made wherewith the Athletic Association may use the exhibition grounds of that society as an athletic park.

Cutting Tobacco.

A number of farmers on the Ridge road on the southern section of the county are already cutting their tobacco. The tobacco crops in that section are reported to be excellent, and will ensure their owners a larger profit than they received last year, according to reports received here today.

Building Permits.

The building permits issued up to and including July 31 amount to $272,754, as compared with $194,607 for the same period of last year, showing an increase so far this year of $78,147.

CHARGE ABOUT NICKEL FIRM UNTRUE, CLAIM

TORONTO, Aug. 9.—Hon. Howard G. Ferguson today declared that the charge that the International Nickel Company had dictated the appointment of the cabinet ministers, civil servants and senators, was an absolute lie, and added that he was ready to deny it before the Riddell-Latchford committee. Attorney-General Raney also stated that he had heard nothing of the charge as also did his predecessor, Hon. I. B. Lucas. The former added that the matter was under consideration by the Government.

PAINTERS' PICNIC.

Painters of the city expect the attendance at their picnic on Saturday at Port Stanley to number in the hundreds. They stated that there will be plenty of music, a good program of sports, and many other features provided. They have arranged for a special car to leave London at 10:20 o'clock in the morning.

Winnipeg, Aug. 10.—October oats opened ⅝c to ½c lower at 82½@82⅝c, and December ⅝c at 77⅝c.

Barley opened 1½c higher for October at $1 24¾.

Oats—Sept., 70¼c; Dec., 69⅜c.

Chicago, Aug. 10.—Wheat advanced sharply today after a hesitating start. The action of the market appeared to be based to a considerable extent on opinions that the government crop report was bullish on wheat, although bearish on oats. Opening prices, which ranged from unchanged figures to 1¼c lower, were followed by a decided upturn all around.

Liberal offerings weakened the corn market at the outset, but they were absorbed quickly by leading commission houses, and a recovery ensued. After opening ⅜c to 2⅝c lower, corn reacted in some cases to above yesterday's finish. Oats reflected the changes in corn. The market opened unchanged to 1¾c lower, and later scored a slight gain.

NEW YORK STOCK EXCHANGE.

New York, Aug. 10—Wall Street, 10:30 a.m.—Early dealings on the stock exchange today showed a degree of hesitancy and caution arising from recent developments. Liquidation of special stocks was offset by a swift upward rush in others, notably Crucible and Mexican Petroleum, which advanced 4 points. Sufficient buying power developed to carry many of the representative shares to higher levels, with the gain reaching 1 to 1½ in Baltimore and Ohio, Chandler Motors, Central Leather and Retail Stores. National Aniline broke 5¾, Maxwell Motors 2 and Southern Pacific, Goodrich and Lackawanna 1 point.

1:30 p.m.—Weak points were brought to the surface again in the dealings after midday, and the market turned downward. Sales of Bethlehem Steel, Baldwin, Atlantic - Gulf, American Sumatra Tobocca and Tobacco Products at recessions of 1 to 4 points influenced offerings of the general list.

TORONTO STOCK EXCHANGE.

Toronto, Aug. 10.—Practically all stocks today showed a slight advance, and brokers are of the opinion that liquidation has been stemmed for a short while at least. Atlantic Sugar was sold for the first time since Friday, and a loss of 3¾ was shown in the final quotation this morning of 132¼. Brazilian was active and moved up to 39, but fell ¾ before the noon close. Steel Corporation moved up 1¾ to 59¾, while Mackay, Spanish River and Steel of Canada were all steady to firm.

In the unlisted section Brompton and Abitibi were slightly higher. Wayagamack sold at 102.
