If you want to run a good risk of having a disagreeable, painful eruption wear red stockings, or paper collars that are not warranted by responsible parties, or scented amulets. If you rather like the idea of being the victim of some obscure disease which puzzles the brains of the medical faculty, try a hair dye or a cosmetic, or some toilet article that bears a fancy name, and is largely puffed in the advertisements

"Tom—come, now tell me the biggest lie you ever told in all your life, and you shall have a glass of stout?".

"A lie! I never told a lie in all my life."

'Draw that stout"

THE EDITORIAL DEPARTMENT of the Scientific American is very ably conducted, and some of the most popular writers in this Country and Europe are contributors. Every number has 16 imperial pages, embellished with fine Engravings of Machinery, New Inventions, Tools for the workshop, Farm and Household Engineering Works, Dwelling Houses, Public Buildings.

A journal of so much intrinsic value, at the low price of $3 a year, ought to have, in this thriving country, a Million Readers.

Whoever reads the Scientific American is entertained and instructed, without being bothered with hard words or dry details.

To Inventors and Mechanics

this journal is of special value; as it contains a weekly report of all Patents issued at Washington, with copious notices of our leading American and European Inventions. The Publishers of the Scientific American are the most Extensive Patent Solicitors in the world, and have unequalled facilities for gathering a complete knowledge of the progress of invention and Discovery throughout the world; and with a view to mark the quarter of a century, during which this journal has held the first place in Scientific and Mechanical Literature, the Publishers will issue on January first the large and splendid Steel Engraving by John Sartain of Philadelphia, entitled:

'Men of Progress--American Inventors,' the plate costing nearly $4,000' to engrave, and contains nineteen likenesses of illustrious American Inventors. It is a superb work of art.

Single pictures, printed on heavy paper, will be sold at $10, but any one subscribing for the Scientific American the paper will be sent for one year, together with a copy of the engraving, on receipt of $10. The picture is also offered as a premium for clubs of subscribers.

$1,500 Cash Prizes $1,500.

In addition to the above premium, the Publishers will pay $1,500 in Cash Prizes for lists of Subscribers sent in by February 10, 1870. Persons who want to compete for these prizes, should send at once for prospectus and blanks for names.

WISTAR'S BALSAM OF WILD CHERRY

THE GREAT REMEDY FOR

CONSUMPTION,

and acknowledged by many prominent physicians to be far the most Reliable Preparation ever introduced for the RELIEF and CURE of all

LUNG COMPLAINTS.

This well known remedy is offered to the public, sanctioned by the experience of over forty years; and when resorted to in season, seldom fails to effect a speedy cure of

Coughs, Colds, Croup, Bronchitis, Influenza, Whooping Cough, Hoarseness, Pains or Soreness in the Chest and Side, Bleeding at the Lungs, Liver Complaint, &c.

The unequalled success that has attended the application of this medicine in all cases of

PULMONARY COMPLAINTS

has induced many physicians of high standing to employ it in their practice, some of whom advertise of the fact over their own signatures. We have space only for the names of a few of these:—

ALEX. HATCH, M.D.	A. A. GIBBS, M.D.
E. BOYDEN, M.D.	W. H. WEBB, M.D.
WM. A. RUST, M.D.	W. B LYDON, M.D.

BRADFORD KNAPP, M.D.	A. H. MACANAIR, M.D.
SEYMOUR TRACHER, M.D.	S. H. FISLER, M.D.

Such testimony

CANNOT BE DISCREDITED.

From the mass of evidence in our possession we select the following:—

From L. J. RACINE, Esq.,—

of *La Minerve*, Montreal: "Having experienced the most gratifying results from the use of *Dr. Wistar's Balsam of Wild Cherry*, I am induced to express the great confidence which I have in its efficacy. For nine months I was most cruelly afflicted with a severe and obstinate cough, accompanied with acute pain in the side, which did not leave me, summer or winter. The symptoms increased alarmingly, and so reduced was I that I could walk but a few steps without resting to recover from the pain and fatigue which so slight an exertion occasioned. At this juncture I commenced taking the Balsam, from which I found *immediate relief*, and after having used four bottles I was completely restored to health. I have seen the Balsam in my family, and administered it to my children, with the happiest results. I am sure that such Canadians as use the Balsam can but speak in its favor. It is a preparation which has only to be tried to be acknowledged as the remedy *par excellence*."

A CURE FOR WHOOPING COUGH.

ST. HYACINTHE, C.E., Aug. 21, 1865.

Messrs. SETH W. FOWLE & SON.

Gentlemen:—Several months since a little daughter of mine, ten years of age, was taken with *Whooping Cough* in a very aggravated form, and nothing we could do for her seemed in any way to relieve her suffering. We at length decided to try a bottle of *Dr. Wistar's Balsam of Wild Cherry*. In three hours after she had commenced using it, she was greatly relieved and in less than three days was entirely cured, and is now well. I have since recommended the Balsam to many of my neighbors, who have used it, and in no case have I known it fail of effecting a speedy cure.

You are at liberty to make any use of the above you think proper. If it shall induce any body to use your Balsam I shall be glad, for I have great confidence in it.

Yours, P. GUITTE,
Proprietor of the *Courrier de St. Hyacinthe.*

Clergymen, Lawyers, Singers,

and all those whose occupation requires an unusual exercise of the vocal organs, will find this the ONLY REMEDY which will effectually and instantaneously relieve their difficulties. This Remedy, unlike most others, is extremely

PLEASANT TO TASTE.

A small quantity allowed to pass over the irritated part at once removes the difficulty.
