DR. HALSEY'S GOLD AND SILVER PILLS—Are founded upon the principle that nearly all diseases arise from the same causes, or that a morbid condition of the *liver, stomach, and bowels*, predisposes the system to every class of disease. When these important function become obstructed with superabundance of bile and viscid matter, Nature ceases to fulfil her proper office. It is then that the *blood* becomes impure, because the secretive organs of the liver, whose office it is to seperate the worn-out principle of this vital fluid, are no longer fit for their office, and the wasted parts of the blood continues therefore in its circulation and become diffused throughout the whole system. Thus filled with infectious humours the body is made liable to sickness. If, by chance, it is exposed to a sudden change in the weather, a bad cold, or consumption, would be the result—if in the vicinity of contagious disorders, it would imbibe the infection.

Dr. Halsey's Gold and Silver Pills, although pleasant to take and innocent in operation, is the most excellent medicine in the world, to remove the bile and viscid matter from the system, and to restore the liver, stomach, and bowels, to the performance of their proper functions thereby rendering the blood pure, and divesting the system from all morbid and infectious humours, which we finally remove every disease, however long standing, and endow the system with health, strength, and vigour.

A circular giving a full explanation of the two-fold action of the *Gold and Silver Pills*, can be had of the agent gratis.

For sale at the Proprietors general Depot, No 2 Courtland street, New York, and by his appointed Agents in the Cities & Towns in the United States and at the store of the subscriber, [illegible] North Market wharf. Price 1s. 3d. per box with liberal allowance to wholesale Dealers.

The property is delightfully situated, commanding a fine view of the scenery in the neighbourhood of the Falls, and of the City and Harbor of Saint John. The House is new, substantially and thoroughly built, finished in good style, and provided with every requisite for the comfort and convenience of a family. The land has a front of 120 feet on the highway and extends back 520 feet to the old Manawagonish road, and will admit of six building lots being cut off from it, leaving ample gardens and other grounds attached to the dwelling house. The premises may be viewed at any time, and any further information will be given on application to the subscriber. GEO. WHEELER.
